EXPLANATORY NOTE

This Form 10-Q/A amends Part I. Item 1. Financial Statements; Part I. Item 3. Quantitative and Qualitative Disclosures About Market Risk; and Part II. Item 6. Exhibit 15.1 of the Company's Quarterly Report on Form 10-Q for the quarterly period ended September 30, 2002 to revise the accounting for the interest rate swaps relating to its 5.625% Senior Unsecured Notes due 2007 (the "Notes"). The Company appropriately designated the swaps as "fair value hedge transactions" with "no ineffectiveness". The Company reported the \$37,293,000 increase in the fair value of the swap assets as an Other Asset on its September 30, 2002 unaudited consolidated balance sheet with a related increase in Accumulated Other Comprehensive Income. Accounting principles generally accepted in the United States of America require an increase in the carrying amount of the Notes instead of the increase in Accumulated Other Comprehensive Income. This Form 10-Q/A restates the September 30, 2002 unaudited consolidated balance sheet to increase the carrying amount of the Notes by \$37,293,000 and decrease Accumulated Other Comprehensive Income by a like amount. The change has no effect on the Company's results of operations for the three and nine months ended September 30, 2002, the related per unit

amounts or reported cash flows.

The Company hereby amends Part I. Items 1 and 3 and Part II. Item 6 of the Form 10-Q in their entirety and replaces such Items with the revised items set forth below. Part I. Item 4 is included herein in support of the accompanying certifications of both the Chief Executive Officer and the Chief Financial Officer of Vorando Realty Trust, the sole general partner of the Company. No further changes have been made to the Form 10-Q. Except with respect to Part I. Item 4 and the certifications of the Chief Executive Officer and Chief Financial Officer of Vorando Realty Trust, the sole general partner of the Company, this Form 10-Q/A continues to speak as of the date of the filing of the Form 10-Q that it amends and it has not been updated for any events that have happened subsequent to the date of such filing.

VORNADO REALTY L.P.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
(UNAUDITED)

1. ORGANIZATION

Vornado Realty L.P. (the "Operating Partnership") is a Delaware limited partnership. Vornado Realty Trust ("Vornado"), a fully-integrated real estate investment trust ("REIT"), is the sole general partner of, and owned approximately 79% of the common limited partnership interest in, the Operating Partnership at September 30, 2002. All references to the "Company" refer to the Operating Partnership and its consolidated subsidiaries.

2. BASIS OF PRESENTATION

The consolidated balance sheet as of September 30, 2002, the consolidated statements of income for the three and nine months ended September 30, 2002 and 2001 and the consolidated statements of cash flows for the nine months ended September 30, 2002 and 2001 are unaudited. In the opinion of management, all adjustments (which include only normal recurring adjustments) necessary to present fairly the financial position, results of operations and changes in cash flows have been made. Certain information and footnote disclosures normally included in financial statements prepared in accordance with accounting principles generally accepted in the United States of America have been condensed or omitted. These consolidated financial statements should be read in conjunction with the consolidated financial statements and notes thereto included in the Company's Annual Report on Form 10-K for the year ended December 31, 2001 as filed with the Securities and Exchange Commission. The results of operations for the nine months ended September 30, 2002 are not necessarily indicative of the operating results for the full year.

The accompanying consolidated financial statements include the accounts of Vornado Realty L.P., as well as entities in which the Company has a 50% or greater interest, provided that the Company exercises control (where the Company does not exercise control, such entities are accounted for under the equity method). All significant intercompany amounts have been eliminated. Equity interests in partially-owned corporate entities are accounted for under the equity method of accounting when the Company's ownership interest is more than 20% but less than 50%. When partially-owned investments are in partnership form, the 20% threshold may be reduced. For all other investments, the Company uses the cost method. Equity investments are recorded initially at cost and subsequently adjusted for the Company's share of the net income or loss and cash contributions and distributions to or from these entities.

Management has made estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from those estimates.

Certain amounts in the prior period's financial statements have been reclassified to conform to the current period presentation.

(UNAUDITED)

3. RECENTLY ISSUED ACCOUNTING STANDARDS

In June 2001, the Financial Accounting Standards Board ("FASB") issued Statement of Financial Accounting Standard ("SFAS") No. 142, GOODWILL AND OTHER INTANGIBLE ASSETS (effective January 1, 2002). SFAS No. 142 specifies that goodwill and some intangible assets will no longer be amortized but instead be subject to periodic impairment testing. SFAS No. 142 provides specific guidance for impairment testing of these assets and removes them from the scope of SFAS No. 121, ACCOUNTING FOR THE IMPAIRMENT OF LONG-LIVED ASSETS. At December 31, 2001, the Company determined that the carrying amounts of its goodwill were not impaired under SFAS No. 121, as the expected undiscounted future cash flows from the related investments including goodwill exceeded the carrying amounts of those assets. At January 1, 2002, under the guidance of SFAS 142, the Company determined that the carrying amounts of certain of its goodwill assets were in excess of the fair values. Accordingly, in the first quarter of 2002, the Company wrote-off goodwill of approximately \$30,129,000 of which (i) \$15,490,000 represents its share of the goodwill arising from the Company's investment in Temperature Controlled Logistics and (ii) \$14,639,000 represents goodwill arising from the Company's acquisition of the Hotel Pennsylvania. The write-off has been reflected as a cumulative effect of a change in accounting principle. Previously reported Net Income Per Class A Unit for the three and nine months ended September 30, 2001 would have been approximately \$300,000 and \$900,000 higher if such goodwill was not amortized in the prior year's quarter and nine months.

In August 2001, the FASB issued SFAS No. 143, ACCOUNTING FOR ASSET RETIREMENT OBLIGATIONS (effective January 1, 2003) and SFAS No. 144, ACCOUNTING FOR THE IMPAIRMENT OR DISPOSAL OF LONG-LIVED ASSETS (effective January 1, 2002). SFAS No. 143 requires the recording of the fair value of a liability for an asset retirement obligation in the period in which it is incurred. SFAS No. 144 supersedes current accounting literature and now provides for a single accounting model for long-lived assets to be disposed of by sale and requires discontinued operations presentation for disposals of a "component" of an entity. The adoption of these statements did not have a material effect on the Company's financial statements; however under SFAS No. 144, if the Company were to dispose of a material operating property, such property's results of operations will have to be separately disclosed as discontinued operations in the Company's financial statements.

In April 2002, the FASB issued SFAS No. 145, RESCISSION OF SFAS NO. 4, 44, AND 64, AMENDMENT OF SFAS NO. 13, AND TECHNICAL CORRECTIONS. SFAS No. 145 rescinds SFAS No. 4, REPORTING GAINS AND LOSSES FROM EXTINGUISHMENT OF DEBT, SFAS No. 44, ACCOUNTING FOR INTANGIBLE ASSETS OF MOTOR CARRIERS, and SFAS No. 64, EXTINGUISHMENTS OF DEBT MADE TO SATISFY SINKING-FUND REQUIREMENTS. SFAS No. 145 requires, among other things, (i) that the modification of a lease that results in a change of the classification of the lease from capital to operating under the provisions of SFAS No. 13 be accounted for as a sale-leaseback transaction and (ii) the reporting of gains or losses from the early extinguishment of debt as extraordinary items only if they met the criteria of Accounting Principles Board Opinion No. 30, REPORTING THE RESULTS OF OPERATIONS. The rescission of SFAS No. 4 is effective January 1, 2003. The amendment of SFAS No. 13 is effective for transactions occurring on or after May 15, 2002. The adoption of this statement will not have a material effect on the Company's financial statements.

In July 2002, the FASB issued SFAS No. 146, ACCOUNTING FOR COSTS ASSOCIATED WITH EXIT OR DISPOSAL ACTIVITIES (effective January 1, 2003). SFAS No. 146 replaces current accounting literature and requires the recognition of costs associated with exit or disposal activities when they are incurred rather than at the date of a commitment to an exit or disposal plan. The Company does not anticipate that the adoption of this statement will have a material effect on the Company's financial statements.

On August 7, 2002, Vornado announced that beginning January 1, 2003, it will expense the cost of employee stock options in accordance with SFAS No. 123, ACCOUNTING FOR STOCK-BASED COMPENSATION. On October 4, 2002, the FASB issued an exposure draft proposing to amend the transition and disclosure provisions of SFAS No. 123. Specifically, SFAS No. 123, as amended, would permit two additional transition methods for entities that adopt the fair value method of accounting for stock based employee compensation. Both of these methods avoid the ramp-up effect on earnings arising from the prospective application of the fair value method. Vornado is currently in the process of evaluating each of the transition methods and the impact to the Company's financial position and results of operations.

4. ACQUISITIONS AND DISPOSITIONS

ACQUISITIONS

CHARLES E. SMITH COMMERCIAL REALTY L.P.

On January 1, 2002, the Company completed the combination of Charles E.

Smith Commercial Realty L.P. ("CESCR") with Vornado. Prior to the combination, Vornado owned a 34% interest in CESCR. The consideration for the remaining 66% of CESCR was approximately \$1,600,000,000, consisting of 15.6 million newly issued Vornado Operating Partnership units and \$991,980,000 of debt (66% of CESCR's total debt).

This acquisition was recorded under the purchase method of accounting. The purchase price was allocated to acquired assets and assumed liabilities using their relative fair values as of January 1, 2002 based on valuations and other studies, certain of which are not yet complete. Accordingly, the initial valuations are subject to change as such information is finalized. The Company believes that any such change will not be significant because the allocations were principally to real estate.

The unaudited pro forma information set forth below presents the condensed consolidated statements of income for the Company for the three and nine months ended September 30, 2001 as if the following transactions had occurred on January 1, 2001, (i) the acquisition of CESCR described above and (ii) the Company's November 21, 2001 sale of 9,775,000 Class A Units and the use of proceeds to repay indebtedness.

4. ACQUISITIONS AND DISPOSITIONS - CONTINUED

INVESTMENT IN PRIMESTONE

On September 28, 2000, the Company made a \$62,000,000 loan to Primestone Investment Partners, L.P. ("Primestone"). The Company received a 1% up-front fee and was entitled to receive certain other fees aggregating approximately 3% upon repayment of the loan. The loan bore interest at 16% per annum. Primestone defaulted on the repayment of this loan on October 25, 2001. The loan was subordinate to \$37,957,000 of other debt of the borrower. On October 31, 2001, the Company purchased the other debt for its face amount. The loans were secured by 7,944,893 partnership units in Prime Group Realty, L.P., the operating partnership of Prime Group Realty Trust (NYSE:PGE) and the partnership units are exchangeable for the same number of common shares of PGE. The loans are also guaranteed by affiliates of Primestone.

On November 19, 2001, the Company sold, pursuant to a participation agreement with a subsidiary of Cadim inc., a Canadian pension fund, a 50% participation in both loans at par for approximately \$50,000,000 reducing the Company's net investment in the loans at December 31, 2001 to \$56,768,000 including unpaid interest and fees of \$6,790,000.

On April 30, 2002, the Company and Cadim acquired the 7,944,893 partnership units at a foreclosure auction. The price paid for the units by application of a portion of Primestone's indebtedness to the Company and Cadim was \$8.35 per unit, the April 30, 2002 closing price of shares of PGE on the New York Stock Exchange. On June 28, 2002, pursuant to the terms of the participation agreement, the Company transferred 3,972,447 of the partnership units to Cadim.

In the second quarter, in accordance with foreclosure accounting, the Company recorded a loss on the Primestone foreclosure of \$17,671,000 calculated

based on (i) the acquisition price of the units and (ii) its valuation of the amounts realizable under the guarantees by affiliates of Primestone, as compared with the net carrying amount of the investment at April 30, 2002.

At September 30, 2002, the Company's carrying amount of the investment was \$39,485,000, of which \$33,170,000 represents the carrying amount of the 3,972,447 partnership units owned by the Company (\$8.35 per unit), \$7,100,000 represents the amount expected to be realized under the guarantees, offset by \$785,000 representing the Company's share of Prime Group Realty's net loss through June 30, 2002 (see Note 5. Investments in and Advances to Partially-Owned Entities). In the three months ended September 30, 2002, the Company expensed legal fees of \$2,229,000 in connection with the ongoing Primestone litigation and the Company's effort to realize the guarantees.

At October 28, 2002, the closing price of PGE shares on the New York Stock Exchange was \$4.49 per share. The ultimate realization of the Company's investment will depend upon the future performance of the Chicago real estate market and the performance of PGE, as well as the ultimate realizable value of the net assets supporting the guarantees and the Company's ability to collect under the guarantees. In addition, the Company will continue to monitor this investment to determine whether additional write-downs are required based on (i) declines in value of the shares of PGE (for which the partnership units are exchangeable) which are "other than temporary" as used in accounting literature and (ii) the amount expected to be realized under the guarantees.

CRYSTAL GATEWAY ONE

On July 1, 2002, the Company acquired a 360,000 square foot office building from a limited partnership, which is approximately 50% owned by Mr. Robert H. Smith and Mr. Robert P. Kogod and members of the Smith and Kogod families, trustees of the Company, in exchange for approximately 325,700 newly issued Vornado Operating Partnership units (valued at \$13,679,000) and the assumption of \$58,500,000 of debt. The building is located in the Crystal City complex in Arlington, Virginia where the Company already owns 24 office buildings containing over 6.9 million square feet, which it acquired on January 1, 2002, in connection with the Company's acquisition of CESCO. In March 2002, the Company purchased the mortgage on this property for \$55,000,000. On June 28, 2002, the limited partnership completed a \$58,500,000 mortgage refinancing which bears interest at 6.75% and matures in July 2012 and repaid the Company's \$55,000,000 mortgage.

LAS CATALINAS

On September 23, 2002, the Company increased its interest in the Las Catalinas Mall located in Caguas, Puerto Rico (San Juan area) to 100% by acquiring the 50% of the mall and the 25% of Kmart's anchor store it did not already own. The purchase price was \$48,000,000, including \$32,000,000 of indebtedness. The Las Catalinas Mall, which opened in 1997, contains 492,000 square feet, including a 123,000 square foot Kmart and a 138,000 square foot Sears owned by a third party.

MONMOUTH MALL

On October 10, 2002, a joint venture in which the Company has a 50% interest, acquired the Monmouth Mall, an enclosed regional shopping center located in Eatontown, New Jersey containing approximately 1.5 million square feet, including four department stores, two of which aggregating 485,000 square feet are owned by the tenants. The purchase price was approximately \$164,700,000, including transaction costs of \$4,400,000. The Company made a \$7,000,000 common equity investment in the venture and provided it with \$23,500,000 of preferred equity yielding 14%. The venture financed the purchase of the Mall with \$135,000,000 of floating debt at LIBOR plus 2.05%, with a LIBOR floor of 2.50% on \$35,000,000, a three year term and two one-year extension options.

The acquisitions of Crystal Gateway One and Las Catalinas were recorded under the purchase method of accounting. The purchase price for these acquisitions was allocated to acquired assets and assumed liabilities using their relative fair values as of the acquisition dates based on valuations and other studies certain of which are not yet complete. Accordingly, the initial valuations are subject to change as such information is finalized. The Company believes that any such change will not be significant because the allocations were principally to real estate. The Company's investment in the Monmouth Mall was recorded under the purchase method and will be accounted for under the equity method as the Company does not have unilateral control over the joint venture.

As a result, the Company did not recognize its share of the rent the joint venture was due amounting to \$6,808,000 and \$12,361,000 for the three and nine months ended September 30, 2002 and \$5,311,000 and \$7,651,000 for the three and nine months ended September 30, 2001. At September 30, 2002, the Company's share of the joint venture's total deferred rent receivable from its tenant is \$17,362,000.

ALEXANDER'S

Investment

The Company owns 1,655,000 common shares or 33.1% of the outstanding common stock of Alexander's at September 30, 2002. Alexander's is managed by and its properties are leased and developed by the Company pursuant to management, leasing and development agreements with one-year terms expiring in March of each year, which are automatically renewable. In conjunction with the closing of the Alexander's Lexington Avenue construction loan on July 3, 2002, these agreements were revised to cover the Alexander's Lexington Avenue property separately. Further, the Lexington Avenue management and development agreements were amended to provide for a term lasting until substantial completion of the development of the property, with automatic renewals, and for the payment of the development fee upon the earlier of January 3, 2006, or the payment in full of the construction loan encumbering the property. The Company is entitled to a development fee estimated to be approximately \$26,300,000, based on 6% of construction costs, as defined, of which \$2,022,000 has been recognized as income during the three months ended September 30, 2002.

Debt

At September 30, 2002, the Company has loans receivable from Alexander's of \$119,000,000, including \$24,000,000 under the \$50,000,000 secured line of credit the Company granted to Alexander's. On March 15, 2002, the loan and the line of credit were extended to April 15, 2003. The interest rates on the loan and line of credit were reset on March 15, 2002, from 13.74% to 12.48%, using a Treasury index (with a 3% floor) plus the same spread to treasuries as previously existed. On July 3, 2002, in conjunction with the closing of Alexander's Lexington Avenue construction loan, the maturity of the Company's loans was extended to the earlier of January 3, 2006 or the date the Alexander's Lexington Avenue construction loan is repaid in full and the debt was assigned to the various subsidiaries of Alexander's (all guaranteed by Alexander's). In addition, amounts which may be due under the Completion Guarantee described in the next paragraph would be due at the same time.

On July 3, 2002, Alexander's finalized a \$490,000,000 loan with HVB Real Estate Capital (HYPO Vereinsbank) to finance the construction of its 1.3 million square foot multi-use building at its 59th Street and Lexington Avenue location. The estimated construction costs in excess of the construction loan of approximately \$140,000,000 will be provided by Alexander's. The loan has an interest rate of LIBOR plus 2.5% and a term of forty-two months plus two one-year extensions. Alexander's has received an initial funding of \$55,500,000 under the loan of which \$25,000,000 was used to repay existing loans and notes payable. Pursuant to this loan, Vornado has agreed to guarantee, among other things, the lien free, timely completion of the construction of the project and funding of project costs in excess of a stated budget, as defined in the loan agreement, if not funded by Alexander's (the "Completion Guarantee"). The \$6,300,000 estimated fee payable by Alexander's to the Company for the Completion Guarantee is 1% of construction costs (as defined) and is payable at the same time that the development fee is payable. In addition, if the Company should advance any funds under the Completion Guarantee in excess of the \$26,000,000 currently available under the secured line of credit, interest on those advances is at 15% per annum.

Other

The Company sold 56,932 square feet of air rights to Alexander's for an average price of \$114 per square foot in July and October 2002.

- (1) On January 1, 2002, the Company acquired the remaining 66% of CESCO it did not previously own. Prior to January 1, 2002, the Company's share of CESCO's debt was included in Investments in and Advances to Partially-Owned Entities. In connection with the acquisition, CESCO's fixed rate debt of \$1,289,837 was fair valued at \$1,322,685 under purchase accounting.
 - (2) On September 23, 2002, the Company acquired the 50% of the Mall and the 25% of Kmart's anchor store it did not already own. Prior to this date, the Company accounted for its investment on the equity method and the Company's share of the debt was included in Investments in and Advances to Partially-Owned Entities.
 - (3) On June 21, 2002, one of the lenders purchased the other participant's interest in the loan. At the same time, the loan was extended for one year, with certain modifications including, (i) making the risk of a loss due to terrorism (as defined) not covered by insurance recourse to the Company and (ii) the granting of two 1-year renewal options to the Company.
 - (4) On April 1, 2002, the Company increased its mortgage financing cross-collateralized by its 770 Broadway/595 Madison Avenue properties by \$115,000. On July 15, 2002, the Company repaid \$84,841 with proceeds received from a third party which resulted in a gain on transfer of mortgages of \$2,096. The proceeds of the loan are in a restricted mortgage escrow account which bears interest at the same rate as the loan, and at September 30, 2002 totals \$153,659.
 - (5) On June 24, 2002, the Company completed an offering of \$500,000 aggregate principal amount of 5.625% senior unsecured notes due June 15, 2007. Interest on the notes is payable semi-annually on June 15th and December 15th, commencing December 15, 2002. The notes were priced at 99.856% of their face amount to yield 5.659%. Of the net proceeds of approximately \$496,300, (i) \$70,000 was used to repay the mortgage payable on 350 North Orleans prior to June 30, 2002 and (ii) \$393,000 was used to repay the mortgages on Two Park Avenue, the Merchandise Mart and a portion of Seven Skyline in July and August 2002. On June 27, 2002, the Company entered into interest rate swaps that effectively converted the interest rate on the \$500,000 senior unsecured notes due 2007 from a fixed rate of 5.625% to a floating rate of LIBOR plus .7725%, based upon the trailing 3 month LIBOR rate (2.53% at October 28, 2002). In accordance with SFAS 133, as amended, these swaps were designated and effective as fair value hedges. Accounting for these swaps requires the Company to recognize changes in the fair value of the debt during each reporting period. At September 30, 2002, the fair value adjustment was \$37,293 based on the fair value of the swaps and is included in the balance of the Senior Unsecured Notes above.
 - (6) On April 1, 2002, the loan was prepaid in full.
 - (7) Indicates spread over LIBOR ("L") or Prime rate ("P").

The Company's debt instruments, consisting of mortgage loans secured by its properties (which are generally non-recourse to the Company), its revolving credit agreement and its senior unsecured notes due 2007, contain customary covenants requiring the Company to maintain insurance. There can be no assurance that the lenders under these instruments will not take the position that an exclusion from all risk insurance coverage for losses due to terrorist acts is a breach of these debt instruments that allows the lenders to declare an event of default and accelerate repayment of debt. The Company has received correspondence from four lenders regarding terrorism insurance coverage, to which the Company has responded. If lenders insist on coverage for these risks, it could adversely affect the Company's ability to finance and/or refinance its properties and to expand its portfolio.

EQUITY

On February 25, 2002, Vornado sold 1,398,743 common shares based on the closing price of \$42.96 on the NYSE. The net proceeds to the Company were approximately \$57,042,000.

On October 1, 2002, the Operating Partnership redeemed 1,000,000 of the outstanding Series D-5 Perpetual Preferred Units for \$25,000,000, the liquidation value of the units.

7. OTHER RELATED PARTY TRANSACTIONS

The Company currently manages and leases the real estate assets of Interstate Properties pursuant to a management agreement. Management fees earned by the Company pursuant to the management agreement were \$439,000 and \$250,000 for the three months ended September 30, 2002 and 2001 and \$1,023,000 and \$1,134,000 for the nine months ended September 30, 2002 and 2001.

The estate of Bernard Mendik and certain other individuals including Mr. Greenbaum, one of the Company's executive officers, own an entity which provides cleaning and related services and security services to office properties, including the Company's Manhattan office properties. The Company was charged fees in connection with these contracts of \$13,728,000 and \$12,381,000 for the three months ended September 30, 2002 and 2001, and \$41,349,000 and \$38,006,000 for the nine months ended September 30, 2002 and 2001.

7. OTHER RELATED PARTY TRANSACTIONS - CONTINUED

Effective January 1, 2002, Vornado extended its employment agreement with Mr. Fascitelli for a five year period through December 31, 2006. Pursuant to the extended employment agreement, he is entitled to receive a deferred payment on December 31, 2006 of 626,566 Vornado common shares which are valued for compensation purposes at \$27,500,000 (the value of the shares on March 8, 2002, the date the extended employment agreement was signed). The number of shares was set by the Vornado's Compensation Committee in December 2001 to achieve a value of \$25,000,000 and had appreciated \$2,500,000 as of March 8, 2002. The shares are being held in an irrevocable trust for the benefit of Mr. Fascitelli and will vest on December 31, 2002. Mr. Fascitelli will also receive regular annual cash compensation as determined by Vornado's Compensation Committee and will continue as a member of Vornado's Board of Trustees. Mr. Fascitelli may also borrow up to \$20,000,000 from Vornado during the term of his 2002 employment agreement reduced by \$8,600,000, the amount of his outstanding loans under his 1996 employment agreement. Each loan will bear interest, payable quarterly, at the applicable Federal Rate on the date the loan is made and will mature on the fifth anniversary of the loan.

On May 29, 2002, Mr. Roth replaced common shares of Vornado securing Vornado's outstanding loan to Mr. Roth with options to purchase common shares of Vornado with a value of not less than two times the loan amount.

Pursuant to Vornado's annual compensation review in February 2002 with Joseph Macnow, Vornado's Chief Financial Officer, the Compensation Committee approved a \$2,000,000 loan to Mr. Macnow, bearing interest at the applicable federal rate of 4.65% per annum and due January 1, 2006. The loan, which was funded on July 23, 2002, was made in conjunction with Mr. Macnow's June 2002 exercise of options to purchase 225,000 shares of Vornado's common shares. The loan is collateralized by assets with a value of not less than two times the loan amount.

VORNADO OPERATING COMPANY ("VORNADO OPERATING")

Pursuant to a revolving credit facility which expires December 31, 2004, Vornado Operating owes the Company \$32,836,000 at September 30, 2002. Vornado Operating has disclosed that in the aggregate its investments do not, and for the foreseeable future are not expected to, generate sufficient cash flow to pay all of its debts and expenses. Further, Vornado Operating states that its only investee, AmeriCold Logistics ("Tenant"), anticipates that its Landlord, a partnership 60% owned by the Company and 40% owned by Crescent Real Estate Equities, will need to restructure the leases between the Landlord and the Tenant to provide additional cash flow to the Tenant (the Landlord has previously restructured the leases to provide additional cash flow to the Tenant). Management anticipates a further lease restructuring and the sale of non-core assets by AmeriCold Logistics, and accordingly, Vornado Operating is expected to have a source to repay the debt under this facility, which may be extended. Since January 1, 2002, the Company has not recognized interest income on the debt under this facility.

10. COMMITMENTS AND CONTINGENCIES

At September 30, 2002, the Company's \$1,000,000,000 revolving credit facility had a zero balance, and the Company utilized \$9,112,000 of availability under the facility for letters of credit and guarantees, in addition to \$7,500,000 of other letters of credit outstanding.

In conjunction with the closing of Alexander's Lexington Avenue construction loan on July 3, 2002, the Company agreed to guarantee, among other things, the lien free, timely completion of the construction of the project and funding of all project costs in excess of a stated budget, as defined in the loan agreement, if not funded by Alexander's (see note 5 - Investments in and Advances to Partially-Owned Entities).

Each of the Company's properties has been subjected to varying degrees of environmental assessment at various times. The environmental assessments did not reveal any material environmental contamination. However, there can be no assurance that the identification of new areas of contamination, changes in the extent or known scope of contamination, the discovery of additional sites, or changes in cleanup requirements would not result in significant costs to the Company.

The Company carries comprehensive liability and all risk property insurance (fire, flood, extended coverage and rental loss insurance) with respect to its assets. The Company's all risk insurance policies in effect before September 11, 2001 do not expressly exclude coverage for hostile acts, except for acts of war. Since September 11, 2001, insurance companies have for the most part excluded terrorist acts from coverage in all risk policies. The Company has generally been unable to obtain all risk insurance which includes coverage for terrorist acts for policies it has renewed since September 11, 2001, for each of its businesses. In 2002, the Company obtained \$200,000,000 of separate coverage for terrorist acts for each of its New York City Office, Washington, D.C. Office, Retail and Merchandise Mart businesses and \$60,000,000 for its Temperature Controlled Logistics business. Therefore, the Company is at risk for financial loss in excess of these limits for terrorist acts (as defined), which loss could be material.

11. SEGMENT INFORMATION- CONTINUED

Notes to EBITDA by segment information:

(1) EBITDA represents income before interest, taxes, depreciation and amortization, extraordinary or non-recurring items, gains or losses on sales of depreciable real estate, the effect of straight-lining of property rentals for rent escalations and minority interest. Management considers EBITDA a supplemental measure for making decisions and assessing the performance of its segments. EBITDA should not be considered a substitute for net income as a measure of operating performance or a substitute for cash flow as a measure of liquidity. EBITDA may not be comparable to similarly titled measures employed by other companies.

(2) Other EBITDA is comprised of:

(UNAUDITED)

12. RESTATEMENT

Subsequent to the issuance of the unaudited interim financial statements for the quarterly period ended September 30, 2002, management determined to revise the accounting for the interest rate swaps relating to its 5.625% Senior Unsecured Notes due 2007 (the "Notes"). The Company appropriately designated the swaps as "fair value hedge transactions" with "no ineffectiveness". The Company reported the \$37,293,000 increase in the fair value of the swaps as an Other Asset on its September 30, 2002 unaudited consolidated balance sheet with a related increase in Accumulated Other Comprehensive Income. Accounting principles generally accepted in the United States of America require an increase in the carrying amount of the Notes instead of an increase in Accumulated Other Comprehensive Income. The Company has restated the September 30, 2002 unaudited consolidated balance sheet to increase the carrying amount of the Notes by \$37,293,000 and decrease Accumulated Other Comprehensive Income by a like amount. The change has no effect on the Company's results of operations for the three and nine months ended September 30, 2002, the related per unit amounts or reported cash flows.

INDEPENDENT ACCOUNTANTS' REPORT

Partners
Vornado Realty L.P.
New York, New York

We have reviewed the accompanying condensed consolidated balance sheet of Vornado Realty L.P. as of September 30, 2002 (as restated), and the related condensed consolidated statements of income for the three-month and nine-month periods ended September 30, 2002 and 2001 and the condensed consolidated statements of cash flows for the nine-month periods ended September 30, 2002 and 2001. These financial statements are the responsibility of the Company's management.

We conducted our review in accordance with standards established by the American

Institute of Certified Public Accountants. A review of interim financial information consists principally of applying analytical procedures to financial data and of making inquiries of persons responsible for financial and accounting matters. It is substantially less in scope than an audit conducted in accordance with auditing standards generally accepted in the United States of America, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to such condensed consolidated financial statements for them to be in conformity with accounting principles generally accepted in the United States of America.

As discussed in Note 12, the accompanying condensed consolidated balance sheet as of September 30, 2002 has been restated.

We have previously audited, in accordance with auditing standards generally accepted in the United States of America, the consolidated balance sheet of Vornado Realty L.P. as of December 31, 2001, and the related consolidated statements of income, partners' capital, and cash flows for the year then ended (not presented herein); and in our report dated March 11, 2002, we expressed an unqualified opinion on those consolidated financial statements. In our opinion, the information set forth in the accompanying condensed consolidated balance sheet as of December 31, 2001 is fairly stated, in all material respects, in relation to the consolidated balance sheet from which it has been derived.

ITEM 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISKS

The Company's exposure to a change in interest rates on its wholly-owned and partially-owned debt (all of which arises out of non-trading activity) is as follows:

(amounts in thousands
except per unit amounts)

	September 30, 2002			December 31, 2001	
	Balance	Weighted Average Interest Rate	Effect of 1% Change In Base Rates	Balance	Weighted Average Interest Rate
Wholly-owned debt:					
Variable rate.....	\$ 1,361,764(1)	3.19%	\$ 12,081(2)	\$ 1,182,605	3.39%
Fixed rate.....	2,750,044	7.13%	--	1,294,568	7.53%
	\$ 4,111,808		12,081	\$ 2,477,173	
Partially-owned debt:					
Variable rate.....	\$ 43,841	7.12%	438(3)	\$ 85,516	5.63%
Fixed rate.....	932,010	8.57%	--	1,234,019	8.29%
	\$ 975,851		438	\$ 1,319,535	
Total decrease in the Company's annual net income.....			\$ 12,519		
Per Class A Unit-diluted..			\$.10		

(1) Includes the Company's \$536,612 senior unsecured notes due 2007, as the Company entered into interest rate swap agreements that effectively converted the interest rate from a fixed rate of 5.625% to a floating rate of LIBOR plus .7725%, based upon the trailing 3 month LIBOR rate (2.53% if set on October 28, 2002). In accordance with SFAS 133, as amended, accounting for these swaps requires the Company to fair value the debt at each reporting period. At September 30, 2002, the fair value adjustment was \$37,293, and is included in the balance of the senior unsecured notes above.

(2) The effect of a 1% change in wholly-owned debt base rates shown above excludes \$153,659 of variable rate mortgage financing, cross-collateralized

by the Company's 770 Broadway and 595 Madison Avenue office properties as the proceeds are held in a restricted mortgage escrow account which bear interest at the same rate as the loans.

- (3) The effect of a 1% change in partially-owned debt base rates shown above is calculated after including \$37,341, representing the Company's 14.9% share of Prime Group Realty L.P.'s ("PGE") outstanding variable rate debt as at June 30, 2002. PGE has not filed its quarterly report on Form 10-Q for the quarter ended September 30, 2002, prior to the filing of this quarterly report on Form 10-Q.

ITEM 4. CONTROLS AND PROCEDURES

Within the 90-day period prior to the filing of this Quarterly Report on Form 10-Q/A, an evaluation was carried out under the supervision and with the participation of the management of Vornado Realty Trust, our sole general partner, including the Chief Executive Officer and Chief Financial Officer, of the effectiveness of the design and operation of our disclosure controls and procedures (as defined in Rule 13a-14(c) under the Securities Exchange Act of 1934). Based upon that evaluation, the Chief Executive Officer and Chief Financial Officer concluded that the design and operation of these disclosure controls and procedures were effective. No significant changes were made in our internal controls or in other factors that could significantly affect these controls subsequent to the date of their evaluation.
