PART I

ITEM 1. BUSINESS

THE COMPANY

Vornado Realty Trust is a fully-integrated real estate investment trust ("REIT"). Vornado conducts its business through Vornado Realty L.P., a Delaware limited partnership (the "Operating Partnership"). Vornado is the sole general partner of, and owned approximately 79% of the limited partnership interest in, the Operating Partnership at February 3, 2003. All references to the "Company" and "Vornado" refer to Vornado Realty Trust and its consolidated subsidiaries, including the Operating Partnership.

The Company currently owns directly or indirectly:

OFFICE PROPERTIES ("OFFICE"):

(i) all or portions of 74 office properties aggregating approximately 27.7 million square feet in the New York City metropolitan area (primarily Manhattan) and in the Washington D.C. and Northern Virginia area;

RETAIL PROPERTIES ("RETAIL"):

(ii) 62 retail properties in six states and Puerto Rico aggregating approximately 12.5 million square feet, including 1.8 million square feet built by tenants on land leased from the Company;

MERCHANDISE MART PROPERTIES:

(iii) 8.6 million square feet of showroom and office space, including the 3.4 million square foot Merchandise Mart in Chicago;

TEMPERATURE CONTROLLED LOGISTICS:

(iv) a 60% interest in the Vornado Crescent Portland Partnership that owns 88 cold storage warehouses nationwide with an aggregate of approximately 441.5 million cubic feet of refrigerated space leased to AmeriCold Logistics;

OTHER REAL ESTATE INVESTMENTS:

(v) 33.1% of the outstanding common stock of Alexander's, Inc. ("Alexander's");

(vi) the Hotel Pennsylvania in New York City consisting of a hotel portion containing 1.0 million square feet with 1,700 rooms and a commercial portion containing .4 million square feet of retail and office space;

(vii) a 21.7% interest in The Newkirk Master Limited Partnership which owns office, retail and industrial properties net leased primarily to credit rated tenants, and various debt interests in such properties;

(viii) eight dry warehouse/industrial properties in New Jersey containing approximately 2.0 million square feet; and

(ix) other investments, including interests in other real estate, marketable securities and loans and notes receivable.

-4-

OBJECTIVES AND STRATEGY

The Company's business objective is to maximize shareholder value. The Company intends to achieve its business objective by continuing to pursue its investment philosophy and executing its operating strategies through:

- Maintaining a superior team of operating and investment professionals and an entrepreneurial spirit;
- Investing in properties in select markets, such as New York City and Washington, D.C., where the Company believes there is high likelihood of capital appreciation;
- Acquiring quality properties at a discount to replacement cost and where there is a significant potential for higher rents;
- Investing in retail properties in select under-stored locations such as the New York City metropolitan area;
- Investing in fully integrated operating companies that have a significant real estate component with qualified, experienced operating management and strong growth potential which can benefit from the Company's access to efficient capital;
- Developing/redeveloping the Company's existing properties to increase returns and maximize value; and
- On occasion, providing specialty financing to real estate companies.

The Company expects to finance its growth, acquisitions and investments using internally generated funds, proceeds from possible asset sales and by accessing the public and private capital markets.

2002 ACQUISITIONS

CHARLES E. SMITH COMMERCIAL REALTY L.P.

On January 1, 2002, the Company completed the combination of Charles E. Smith Commercial Realty L.P. ("CESCR") with Vornado. Prior to the combination, Vornado owned a 34% interest in CESCR. The consideration for the remaining 66% of CESCR was approximately \$1,600,000,000, consisting of 15.6 million newly issued Vornado Operating Partnership units and approximately \$1 billion of debt (66% of CESCR's total debt). The purchase price paid by the Company was determined based on the weighted average closing price of the equity issued to CESCR unitholders for the period beginning two business days before and two business days after the date the acquisition was agreed to and announced on October 19, 2001. The Company also capitalized as part of the basis of the assets acquired approximately \$32,000,000 for third party acquisition related costs, including advisory, legal and other professional fees that were contemplated at the time of the acquisition. The operations of CESCR are consolidated into the accounts of the Company beginning January 1, 2002. Prior to this date the Company accounted for its 34% interest on the equity method. See page 82 for unaudited pro forma financial information for the year ended December 31, 2001.

CRYSTAL GATEWAY ONE

On July 1, 2002, the Company acquired a 360,000 square foot office building from a limited partnership, which was approximately 50% owned by Mr. Robert H. Smith and Mr. Robert P. Kogod, trustees of the Company, and members of their families, in exchange for approximately 325,700 newly issued Vornado Operating Partnership units (valued at \$13,679,000) and the assumption of \$58,500,000 of debt. The building is located in the Crystal City complex in Arlington, Virginia where the Company already owns 24 office buildings containing over 6.9 million square feet, which it acquired on January 1, 2002, in connection with the Company's acquisition of CESCR. The operations of Crystal Gateway One are consolidated into the accounts of the Company from the date of acquisition.

-5-

LAS CATALINAS MALL

On September 23, 2002, the Company increased its interest in the Las Catalinas Mall located in Caguas, Puerto Rico (San Juan area) to 100% by acquiring the 50% of the mall and 25% of the Kmart anchor store it did not already own. The purchase price was \$48,000,000, including \$32,000,000 of indebtedness. The Las Catalinas Mall, which opened in 1997, contains 492,000 square feet, including a 123,000 square foot Kmart and a 138,000 square foot Sears owned by the tenant. Prior to September 23, 2002, the Company accounted for its investment on the equity method. Subsequent to this date the operations of Las Catalinas are consolidated into the accounts of the Company.

MONMOUTH MALL

On October 10, 2002, a joint venture in which the Company has a 50% interest acquired the Monmouth Mall, an enclosed super regional shopping center located in Eatontown, New Jersey containing approximately 1.5 million square feet, including four department stores, three of which aggregating 731,000 square feet are owned by the tenants. The purchase price was approximately \$164,700,000, including transaction costs of \$4,400,000. The Company made a \$7,000,000 common equity investment in the venture and provided it with \$23,500,000 of preferred equity yielding 14%. The venture financed the purchase of the Mall with \$135,000,000 of floating rate debt at LIBOR plus 2.05%, with a LIBOR floor of 2.50% on \$35,000,000, a three year term and two one-year extension options. The Company accounts for its investment on the equity method as the Company does not have unilateral control over the joint venture.

Further details of the Company's acquisition activities are disclosed in Part II. Management's Discussion and Analysis of Financial Condition and Results of Operations.

In addition to the projects noted above, the Company is in the process of redeveloping fifteen of its shopping centers, seven of which include locations previously leased to Bradlees. The total cost of this redevelopment program, which includes the demolition of existing buildings, site work and tenant improvements, is estimated to be approximately \$40 million. The Company is also in the pre-development phase of a number of projects including: (i) retail space in the Penn Plaza area and at 715 Lexington Avenue, (ii) repositioning of the Hotel Pennsylvania and (iii) expansions of the Green Acres and Monmouth malls.

There can be no assurance that the above projects will be commenced or will be successful.

The capital requirements of Alexander's and Temperature Controlled Logistics are described in Item 2: Properties.

The Company and Vornado Operating are parties to certain agreements described below.

AGREEMENT WITH VORNADO OPERATING

The Company and Vornado Operating are parties to an Agreement pursuant to which, among other things, (i) the Company will under certain circumstances offer Vornado Operating an opportunity to become the lessee of certain real property owned now or in the future by the Company (under mutually satisfactory lease terms) and (ii) Vornado Operating will not make any real estate investment or other REIT-Qualified investment unless it first offers the Company the opportunity to make such investment and the Company has rejected that opportunity.

Under the Agreement, the Company provides Vornado Operating with certain administrative, corporate, accounting, financial, insurance, legal, tax, data processing, human resources and operational services. For these services, Vornado Operating compensates the Company in an amount determined in good faith by the Company as the amount an unaffiliated third party would charge Vornado Operating for comparable services and reimburses the Company for certain costs incurred and paid to third parties on behalf of Vornado Operating. Pursuant to the Agreement, compensation for such services was approximately \$330,000, \$371,000, and \$330,000 for the years ended December 31, 2002, 2001, and 2000.

Vornado Operating and the Company each have the right to terminate the Agreement if the other party is in material default of the Agreement or upon 90 days written notice to the other party at any time after December 31, 2003. In addition, the Company has the right to terminate the Agreement upon a change in control of Vornado Operating.

VORNADO OPERATING'S MANAGEMENT

Messrs. Roth, Fascitelli, West and Wight are directors of Vornado Operating. Mr. Roth is also Chairman of the Board and Chief Executive Officer of Vornado Operating, Mr. Fascitelli is also President of Vornado Operating, and certain other members of the Company's senior management hold corresponding positions with Vornado Operating.

TEMPERATURE CONTROLLED LOGISTICS BUSINESS

On March 11, 1999, the Vornado Crescent Portland Partnership in which the Company has a 60% general partnership interest and Crescent Real Estate Equities has a 40% general partnership interest, sold all of the non-real estate assets of Temperature Controlled Logistics encompassing the operations of the temperature controlled business to a new partnership ("AmeriCold Logistics") owned 60% by Vornado Operating Company and 40% by Crescent Operating Inc. AmeriCold Logistics leases the underlying temperature controlled warehouses used in this business from the Vornado Crescent Portland Partnership ("the Landlord") which continues to own the real estate through its ownership of AmeriCold Realty Trust. The leases, as amended, generally have a 15 year term with two-five year renewal options and provide for the payment of fixed base rent and percentage rent based on revenue AmeriCold Logistics receives from its customers. The contractual rent for 2002 was \$150,000,000. The Landlord's share of annual maintenance capital expenditures is \$9,500,000. In accordance with the leases, AmeriCold Logistics deferred payment of \$32,248,000 of 2002 rent due to the Landlord, of which the Company's share was \$19,349,000. Based on the joint venture's policy of recognizing rental income when earned and collection is assured or cash is received, the joint venture did not recognize this rent in the year ended December 31, 2002. At December 31, 2002, the Company's share of the joint venture's total deferred rent receivable from the tenant is \$24,350,000. On December 31, 2001, the Landlord released the tenant from its obligation to pay \$39,812,000 of rent deferred in 2001 and 2000, of which the Company's share was \$23,887,000. This amount equaled the rent which was not recognized as income by the joint venture and accordingly had no profit and loss effect to the Company.

-8-

REVOLVING CREDIT AGREEMENT

Vornado Operating was granted a \$75,000,000 unsecured revolving credit facility from the Company which expires on December 31, 2004. Borrowings under the revolving credit facility bear interest at LIBOR plus 3%. The Company receives a commitment fee equal to 1% per annum on the average daily unused portion of the facility. No amortization is required to be paid under the revolving credit facility during its term. The revolving credit facility prohibits Vornado Operating from incurring indebtedness to third parties (other than certain purchase money debt and certain other exceptions) and prohibits Vornado Operating from paying dividends. As of December 31, 2002, \$21,989,000 was outstanding under the revolving credit facility after the repayment of \$9,500,000 by Vornado Operating, primarily from its share of the proceeds from the sale of AmeriCold's quarries to a new partnership owned 44% by the Company and 56% by Crescent Real Estate Equities.

Vornado Operating has disclosed that in the aggregate its investments do not, and for the foreseeable future are not expected to, generate sufficient cash flow to pay all of its debts and expenses. Further, Vornado Operating states that its only investee, AmeriCold Logistics ("Tenant"), anticipates that its Landlord, a partnership 60% owned by the Company and 40% owned by Crescent Real Estate Equities, will need to restructure the leases between the Landlord and the Tenant to provide additional cash flow to the Tenant (the Landlord has previously restructured the leases to provide additional cash flow to the Tenant). Management anticipates a further lease restructuring and the sale and/or financing of assets by AmeriCold Logistics, and accordingly, Vornado Operating is expected to have a source to repay the debt under this facility, which may be extended. Since January 1, 2002, the Company has not recognized interest income on the debt under this facility.

The Company does not have direct or indirect control over its unconsolidated partially-owned entities as the Company's joint venture partners have shared Board/Management representation and authority, substantive participating rights on all significant business decisions, including acquisitions and dispositions of any real property assets, financing, operating and capital budgets and the hiring of a Chief Executive Officer and therefore does not consolidate their operations and financial position and applies the equity method of accounting in accordance with generally accepted accounting principles. The Company includes its share of partially-owned entities debt in reporting its exposure to a change in interest rates under Item 7A "Quantitative and Qualitative Disclosures about Market Risk" and in its ratio of debt-to-enterprise value as disclosed on page 101. See Note 4 - "Investments in Partially-Owned Entities" to the consolidated financial statements in this annual report on Form 10-K for details by investment.

See notes on following page.

(1) MONMOUTH MALL JOINT VENTURE
On October 10, 2002, a joint venture in which the Company has a 50% interest acquired the Monmouth Mall, an enclosed super regional shopping center located in Eatontown, New Jersey containing approximately 1.5 million square feet, including four department stores, three of which aggregating 731,000 square feet are owned by the tenants. The purchase price was approximately \$164,700, including transaction costs of \$4,400. The Company made a \$7,000 common equity investment in the venture and provided it with \$23,500 of preferred equity yielding 14%. The venture financed the purchase of the Mall with \$135,000 of floating rate debt at LIBOR plus 2.05%, with a LIBOR floor of 2.50% on \$35,000, a three year term and two one-year extension options.

(2) STARWOOD CERUZZI JOINT VENTURE

The Starwood Ceruzzi Joint Venture was formed in 2000 by the Company, the 80% non-managing partner, and Starwood Ceruzzi, the 20% managing partner (which has equal Board and Management representation), to acquire fee and leasehold interests in properties formerly occupied by Hechinger Inc., a home improvement retailer which was liquidated. In the first quarter of 2000, the joint venture acquired two fee interests containing 210,000 square feet and four leasehold interests containing 400,000 square feet in properties located in Pennsylvania, Virginia, Maryland and Ohio. Of the two fee interests acquired, one of the fee interests was sold in March 2001 for \$8,000, resulting in a gain of \$1,744 (of which the Company's share was \$1,395) and the other fee interest is available for sale or lease. One of the leasehold interests was net leased to Home Depot in 2002. Two of the other three properties were leased in 2002 to a supermarket tenant that has since filed for bankruptcy protection and rejected the leases. As such, the other three leasehold interests are currently vacant. The venture has no debt.

(3) PRIME GROUP REALTY, L.P.

On April 30, 2002, the Company and Cadim, inc. ("Cadim") acquired 7,944,893 Prime Group Realty L.P. partnership units at a foreclosure auction. The price paid for the units by application of a portion of Primestone's indebtedness to the Company and Cadim was \$8.35 per unit, the April 30, 2002 closing price of shares of Prime Group Realty Trust ("PGE") on the New York Stock Exchange. On June 28, 2002, pursuant to the terms of the participation agreement, the Company transferred 3,972,447 of the partnership units to Cadim.

In the second quarter of 2002, in accordance with foreclosure accounting, the Company recorded a loss on the Primestone foreclosure of \$17,671 calculated based on (i) the acquisition price of the units and (ii) its valuation of the amounts realizable under the guarantees by affiliates of Primestone, as compared with the net carrying amount of the investment at April 30, 2002. In the third quarter of 2002, the Company recorded a \$2,229 write-down on its investment based on costs expended to realize the value of the guarantees. Further, in the fourth quarter of 2002, the Company recorded a \$15,857 write-down of its investment consisting of (i) \$14,857 to adjust the carrying amount of the Prime Group units to \$4.61 per unit, the closing price of PGE shares on December 31, 2002 on the New York Stock Exchange and (ii) \$1,000 for estimated costs to realize the value of the guarantees. The Company considered the decline in the value of the units which are convertible into stock to be other than temporary as of December 31, 2002, based on the fact that the market value of the stock has been less than its cost for more than six months, the severity of the decline, market trends, the financial condition and near-term prospects of Prime Group and other relevant factors.

At December 31, 2002, the Company's carrying amount of the investment was \$23,408, of which \$18,313 represents the carrying amount of the 3,972,447 partnership units owned by the Company (\$4.61 per unit), \$6,100 represents the amount expected to be realized under the guarantees, partially offset by \$1,005 representing the Company's share of Prime Group Realty's net loss through September 30, 2002 (see Note 4. Investments in and Advances to Partially-Owned Entities to the consolidated financial statements in this Form 10-K). Prior to April 30, 2002, this investment was in the form of a loan and was included in Notes and Mortgage Loans Receivable on the balance sheet.

At February 3, 2003, the closing price of PGE shares on the New York Stock Exchange was \$5.30 per share. The ultimate realization of the Company's investment will depend upon the future performance of the Chicago real estate market and the performance of PGE, as well as the ultimate realizable value of the net assets supporting the guarantees and the Company's ability to collect under the guarantees. In addition, the Company will continue to monitor this investment to determine whether additional write-downs are required based on (i) declines in value of the shares of PGE (for which the partnership units are exchangeable) which are "other than temporary" as used in accounting literature and (ii) the amount expected to be realized under the guarantees.

(4) THE PALISADES JOINT VENTURE

The Palisades Joint Venture was formed in 1999 to develop an 855,000 square foot high-rise residential tower in Fort Lee, New Jersey, containing 538 apartments. The joint venture agreement provides for the Company to contribute 95% of the equity and receive 75% of the net profit after a 10% preferred return. The development of the Palisades residential complex was substantially complete as of March 1, 2002. Accordingly, the Company placed the property into service on March 1, 2002 and discontinued the capitalization of interest and other property specific costs. As of December 31, 2002, the property, which is now in the lease-up phase, is 55% occupied (298 of the 538 total apartments have been leased).

(5) STUDENT HOUSING

In January 2000, the Company and its joint venture partner acquired a 252-unit student housing complex in Gainesville, Florida, for

approximately \$27,000. The Company has a 90% interest in the joint venture.

(6) CAPITAL TRUST PREFERRED SECURITIES

At December 31, 2002, the Company owns \$30,000 of 8.25% step-up convertible junior subordinated debentures which are convertible into shares of Class A common stock of Capital Trust (NYSE:CT) at a conversion price of \$7.00 per share. The securities are redeemable by Capital Trust, in whole or in part, on or after September 30, 2004. Mr. Roth, the Chairman and Chief Executive Officer of Vornado Realty Trust, is a member of the Board of Directors of Capital Trust, nominated by the Company.

(7) DEARBORN CENTER

The Company's investment of \$23,392 represents a 38.5% interest in \$60,758 funded of a \$65,000 mezzanine loan to an entity whose sole asset is Dearborn Center, a 1.5 million square foot high-rise office tower under construction in Chicago. The entity is owned by Prime Group Realty L.P. and another investor. The Company is a member of a loan syndicate led by a money center bank. The proceeds of the loan are being used to finance the construction, and are subordinate to a \$225,000 first mortgage. The loan is due January 21, 2004, three years from the date of the initial draw, and provides for a 1 year extension at the borrower's option (assuming net operating income at a specified level and a cash reserve sufficient to fund interest for the extension period). The loan bears interest at 12% per annum plus additional interest ranging from a minimum of 9.5% to a maximum of 11.5%.

(8) CAPI

In March 1999, in connection with the Company's acquisition of land under certain of the CESCRO office properties from CAPI, the Company made a \$41,200 recourse loan to CAPI, which matures in June 2004. Interest on the loan was 8.5% at December 31, 2002. The loan is secured by approximately 1,100,000 of the Company's Series E-1 convertible preferred units issued to CAPI. Each Series E-1 convertible preferred unit is convertible into 1.1364 shares of the Company's common shares.

FINANCING ACTIVITIES

On June 24, 2002, the Company completed an offering of \$500,000,000 aggregate principal amount of 5.625% senior unsecured notes due June 15, 2007. Interest on the notes is payable semi-annually on June 15th and December 15th, commencing December 15, 2002. The net proceeds of approximately \$496,300,000, were used to repay the mortgages on 350 North Orleans, Two Park Avenue, the Merchandise Mart and Seven Skyline. On June 27, 2002, the Company entered into interest rate swaps that effectively converted the interest rate on the \$500,000,000 senior unsecured notes due 2007 from a fixed rate of 5.625% to a floating rate of LIBOR plus .7725%, based upon the trailing 3 month LIBOR rate (2.15% at December 31, 2002).

On February 25, 2002, the Company sold 884,543 shares to a closed-end fund and 514,200 shares to a unit investment trust based on the closing price of \$42.96 on the NYSE. The net proceeds to the Company were approximately \$57,042,000.

Further details of the Company's financing activities are disclosed in Management's Discussion and Analysis of Financial Condition and Results of Operations in Part II of this annual report on Form 10-K.

At December 31, 2002, the ratio of debt-to-enterprise value (market equity value plus debt less cash) was 45% based on debt of \$4.966 billion, including the Company's proportionate share of debt of partially-owned non-consolidated entities. In the future, in connection with the Company's strategy for growth, this percentage may change. The Company's policy concerning the incurrence of debt may be reviewed and modified from time to time without the vote of shareholders.

The Company may seek to obtain funds through equity offerings, debt financings or asset sales, although there is no express policy with respect thereto. The Company may offer its shares or Operating Partnership units in exchange for property and may repurchase or otherwise re-acquire its shares or any other securities in the future.

(1) Adjusted EBITDA represents EBITDA adjusted for gains or losses on sales of depreciable real estate, the effect of straight-lining of rent escalations, the amortization of below market leases net of above market leases and minority interest. Management considers Adjusted EBITDA a supplemental measure for making decisions and assessing the performance of its segments. Adjusted EBITDA is presented as a measure of "operating performance" which enables the reader to identify trends from period to period and may be used to compare "same store" operating performance to other companies, as well as providing a measure for determining funds available to service debt. Adjusted EBITDA may not be comparable to similarly titled measures employed by other companies.

(2) Other includes the Temperature Controlled Logistics segment which has cold storage warehouses in 32 states. See page 44 for details.

ALEXANDER'S

The Company owns 33.1% of the outstanding shares of common stock of Alexander's. See "Interstate Properties" below for a description of Interstate's ownership of the Company and Alexander's.

Alexander's has 6 properties (see Item 2. Properties--Alexander's).

At December 31, 2002, the Company had loans receivable from Alexander's of \$119,000,000, including \$24,000,000 drawn under the \$50,000,000 line of credit the Company granted to Alexander's on August 1, 2000. The maturity date of the loan and the line of credit is the earlier of January 3, 2006 or the date the Alexander's Lexington Avenue construction loan is repaid. The interest rate on the loan and line of credit, which resets quarterly using the same spread to treasuries as presently exists with a 3% floor for treasuries, is 12.48% at December 31, 2002. The Company believes that although Alexander's has disclosed that it does not have positive cash flow sufficient to repay this loan to the Company currently, Alexander's will be able to repay the loan upon the successful development and permanent financing of its Lexington Avenue development project or through asset sales.

The Company manages, develops and leases the Alexander's properties under a management and development agreement and a leasing agreement pursuant to which the Company receives annual fees from Alexander's. Further, the Company has agreed to guarantee, among other things, the lien free, timely completion of the construction of Alexander's Lexington Avenue development project and funding of project costs in excess of a stated budget, if not funded by Alexander's. These agreements are described in Note 4 to the Company's consolidated financial statements. See Item 2 - "Properties" for a description of Alexander's properties and development and redevelopment projects.

Messrs. Roth, Fascitelli, Mandelbaum, West and Wight, directors of the Company, are also directors of Alexander's. Mr. Roth is also Chief Executive Officer of Alexander's and Mr. Fascitelli is also President of Alexander's. Joseph Macnow, Executive Vice President - Finance and Administration and Chief Financial Officer of the Company, is also Executive Vice President - Finance and

Alexander's common stock is listed on the New York Stock Exchange under the symbol "ALX".

-12-

INTERSTATE PROPERTIES

As of December 31, 2002, Interstate Properties and its partners owned approximately 12.9% of the common shares of beneficial interest of the Company, 27.5% of Alexander's common stock and beneficial ownership of 7.9% of Vornado Operating (17.0% assuming redemption of 447,017 units of Vornado Operating that are redeemable for cash, or at Vornado Operating's election, common stock of Vornado Operating). Interstate Properties is a general partnership in which Steven Roth, David Mandelbaum and Russell B. Wight, Jr. are the partners. Mr. Roth is the Chairman of the Board and Chief Executive Officer of the Company, the Managing General Partner of Interstate Properties, and the Chief Executive Officer and a director of both Alexander's and Vornado Operating. Mr. Wight is a trustee of the Company and is also a director of both Alexander's and Vornado Operating. Mr. Mandelbaum is a trustee of the Company and is also a director of Alexander's.

COMPETITION

The Company's business segments - Office, Retail, Merchandise Mart Properties, Temperature Controlled Logistics, and Other -- operate in highly competitive environments. The Company has a large concentration of properties in the New York City metropolitan area and in the Washington, D.C. and Northern Virginia area. The Company competes with a large number of real estate property owners and developers. Principal factors of competition are rent charged, attractiveness of location and quality and breadth of services provided. The Company's success depends upon, among other factors, trends of the national and local economies, financial condition and operating results of current and prospective tenants and customers, availability and cost of capital, construction and renovation costs, taxes, governmental regulations, legislation and population trends.

TENANTS WHICH ACCOUNTED FOR OVER 10% OF REVENUES

The U.S. Government provides a significant proportion of the Company's revenues. In 2002, the U.S. Government accounted for 16.8% of the Office segment's revenues, and 11.4% of the Company's total revenues. The loss of this tenant would have a material adverse effect on the Office segment and the Company's finances as a whole.

ENVIRONMENTAL REGULATIONS

The Company's operations and properties are subject to various federal, state and local laws and regulations concerning the protection of the environment including air and water quality, hazardous or toxic substances and health and safety. Under certain of these environmental laws a current or previous owner or operator of real estate may be required to investigate and clean up hazardous or toxic substances released at a property. The owner or operator may also be held liable to a governmental entity or to third parties for property damage or personal injuries and for investigation and clean-up costs incurred by those parties because of the contamination. These laws often impose liability without regard to whether the owner or operator knew of the release of the substances or caused the release. The presence of contamination or the failure to remediate contamination may impair the Company's ability to sell or lease real estate or to borrow using the real estate as collateral. Other laws and regulations govern indoor and outdoor air quality including those that can require the abatement or removal of asbestos-containing materials in the event of damage, demolition, renovation or remodeling and also govern emissions of and exposure to asbestos fibers in the air. The maintenance and removal of lead paint and certain electrical equipment containing polychlorinated biphenyls (PCBs) and underground storage tanks are also regulated by federal and state laws. The Company could incur fines for environmental compliance and be held liable for the costs of remedial action with respect to the foregoing regulated substances or tanks or related claims arising out of environmental contamination or exposure at or from the Company's properties.

Each of the Company's properties has been subjected to varying degrees of environmental assessment at various times. The environmental assessments did not reveal any material environmental condition. However, identification of new compliance concerns or undiscovered areas of contamination, changes in the extent or known scope of contamination, discovery of additional sites, human exposure to the contamination or changes in cleanup or compliance requirements could result in significant costs to the Company.

-13-

INSURANCE

The Company carries comprehensive liability and all risk property insurance

(fire, flood, extended coverage and rental loss insurance) with respect to its assets. The Company's all risk insurance policies in effect before September 11, 2001 did not expressly exclude coverage for hostile acts, except for acts of war. Since September 11, 2001, insurance companies have for the most part excluded terrorist acts from coverage in all risk policies. The Company has generally been unable to obtain all risk insurance which includes coverage for terrorist acts for policies it has renewed since September 11, 2001, for each of its businesses. In 2002, the Company obtained \$200,000,000 of separate aggregate coverage for terrorist acts for each of its New York City Office, Washington, D.C. Office, Retail and Merchandise Mart businesses and \$60,000,000 for its Temperature Controlled Logistics business. Therefore, the Company is at risk for financial loss in excess of these limits for terrorist acts (as defined), which loss could be material.

The Company's debt instruments, consisting of mortgage loans secured by its properties (which are generally non-recourse to the Company), its senior unsecured notes due 2007 and its revolving credit agreement, contain customary covenants requiring the Company to maintain insurance. There can be no assurance that the lenders under these instruments will not take the position that an exclusion from all risk insurance coverage for losses due to terrorist acts is a breach of these debt instruments that allows the lenders to declare an event of default and accelerate repayment of debt. In the second quarter of 2002, the Company received correspondence from four lenders regarding terrorism insurance coverage, which the Company has responded to. In these letters the lenders took the position that under the agreements governing the loans provided by these lenders the Company was required to maintain terrorism insurance on the properties securing the various loans. The aggregate amount of borrowings under these loans as of December 31, 2002 was approximately \$770.4 million, and there was no additional borrowing capacity. Subsequently, the Company obtained an aggregate of \$360 million of separate coverage for "terrorist acts". To date, one of the lenders has acknowledged to the Company that it will not raise any further questions based on the Company's terrorism insurance coverage in place, and the other three lenders have not raised any further questions regarding the Company's insurance coverage. If lenders insist on greater coverage for these risks, it could adversely affect the Company's ability to finance and/or refinance its properties and to expand its portfolio.

On November 26, 2002, the Terrorism Risk Insurance Act of 2002 was signed into law. Under this new legislation, through 2004 (with a possible extension through 2005), regulated insurers must offer coverage in their commercial property and casualty policies (including existing policies) for losses resulting from defined "acts of terrorism". As a result of the legislation, in February 2003 the Company obtained \$300 million of per occurrence coverage for terrorist acts for its New York City Office, Washington, D.C. Office and Merchandise Mart businesses, of which \$240 million is for Certified Acts, as defined in the legislation. The Company maintains \$200 million and \$60 million of separate aggregate coverage that it had in 2002 for each of its Retail and Temperature Controlled Logistics businesses (which has been renewed as of January 1, 2003). The Company's current Retail property insurance carrier has advised the Company that there will be an additional premium of approximately \$11,000 per month through the end of the policy term (June 30, 2003), for "Acts of Terrorism" coverage, as defined in the new legislation and that the situation may change upon renewal.

CERTAIN ACTIVITIES

Acquisitions and investments are not required to be based on specific allocation by type of property. The Company has historically held its properties for long-term investment; however, it is possible that properties in the portfolio may be sold in whole or in part, as circumstances warrant, from time to time. Further, the Company has not adopted a policy that limits the amount or percentage of assets which would be invested in a specific property. While the Company may seek the vote of its shareholders in connection with any particular material transaction, generally the Company's activities are reviewed and may be modified from time to time by its Board of Trustees without the vote of shareholders.

EMPLOYEES

As of December 31, 2002, the Company had approximately 1,422 employees consisting of 276 in the Office Properties segment (including 193 as a result of the CESCO acquisition), 58 in the Retail Properties segment, 476 in the Merchandise Mart Properties segment, 417 at the Hotel Pennsylvania and 195 corporate staff. This does not include employees of partially-owned entities.

SEGMENT DATA

The Company operates in four business segments: Office Properties, Retail Properties, Merchandise Mart Properties and Temperature Controlled Logistics. The Company engages in no foreign operations. Information related to the Company's business segments for the years 2002, 2001 and 2000 is set forth in Note 17 to the Company's consolidated financial statements in this annual report on Form 10-K.

INTERNET ACCESS

Copies of the Company's Annual Report on Form 10-K, Quarterly Reports on Form 10-Q, Current Reports on Form 8-K, and amendments to those reports, as well as Reports on Forms 3, 4 and 5 regarding Officers, Trustees or 10% Beneficial Owners of the Company, filed or furnished pursuant to Section 13(a), 15(d) or 16(a) of the Securities Exchange Act of 1934 are available free of charge through the Company's website (www.vno.com) as soon as reasonably practicable after the Company electronically files the material with, or furnishes it to, the Securities and Exchange Commission.

CERTAIN FACTORS THAT MAY ADVERSELY AFFECT THE COMPANY'S BUSINESS AND OPERATIONS

Set forth below are certain factors that may adversely affect the Company's business and operations.

REAL ESTATE INVESTMENTS' VALUE AND INCOME FLUCTUATE DUE TO VARIOUS FACTORS.

THE VALUE OF REAL ESTATE FLUCTUATES DEPENDING ON CONDITIONS IN THE GENERAL ECONOMY AND THE REAL ESTATE BUSINESS. THESE CONDITIONS MAY ALSO LIMIT THE COMPANY'S REVENUES AND AVAILABLE CASH.

The factors that affect the value of the Company's real estate include, among other things, national, regional and local economic conditions; consequences of any armed conflict involving, or terrorist attack against, the United States; the Company's ability to secure adequate insurance; local conditions such as an oversupply of space or a reduction in demand for real estate in the area; competition from other available space; whether tenants consider a property attractive; the financial condition of the Company's tenants, including the extent of tenant bankruptcies or defaults; whether the Company is able to pass some or all of any increased operating costs it experiences through to tenants; how well the Company manages its properties; increased interest rates; increases in real estate taxes and other expenses; decreases in market rental rates; the timing and costs associated with property improvements and rentals; changes in taxation or zoning laws; government regulations; availability of financing on acceptable terms or at all; potential liability under environmental or other laws or regulations; and general competitive factors.

The rents the Company receives and the occupancy levels at its properties may decline as a result of adverse changes in any of these factors. If the Company's rental revenues decline, it generally would expect to have less cash available to distribute to its shareholders. In addition, some of the Company's major expenses, including mortgage payments, real estate taxes and maintenance costs, generally do not decline when the related rents decline. If rents decline while costs remain the same, the Company's income and funds available for distribution to its shareholders would decline.

THE COMPANY DEPENDS ON LEASING SPACE TO TENANTS ON ECONOMICALLY FAVORABLE TERMS AND COLLECTING RENT FROM ITS TENANTS, WHO MAY NOT BE ABLE TO PAY.

The Company's financial results depend on leasing space in its properties to tenants on economically favorable terms. In addition, because substantially all of the Company's income comes from rentals of real property, its income and funds available for distribution to its shareholders will decrease if a significant number of its tenants cannot pay their rent. If a tenant does not pay its rent, the Company might not be able to enforce its rights as landlord without delays and might incur substantial legal costs. For information regarding the bankruptcy of the Company's tenants, see "--Bankruptcy of tenants may decrease the Company's revenues and available cash" below.

-15-

BANKRUPTCY OF TENANTS MAY DECREASE THE COMPANY'S REVENUES AND AVAILABLE CASH.

A number of companies, including some of the Company's tenants, have declared bankruptcy in recent years, and other tenants may declare bankruptcy or become insolvent in the future. If a major tenant declares bankruptcy or becomes insolvent, the rental property where it leases space may have lower revenues and operational difficulties, and, in the case of the Company's shopping centers, the Company may have difficulty leasing the remainder of the affected property. The Company's leases generally do not contain restrictions designed to ensure the creditworthiness of its tenants. As a result, the bankruptcy or insolvency of a major tenant could result in a lower level of funds from operations available for distribution to the Company's shareholders.

U.S. Airways Group Inc. leases 296,000 square feet from the Company for its headquarters in Washington, D.C. U.S. Airways has been adversely affected by the downturn in air travel as a result of the terrorist attacks and economic decline. On August 11, 2002, US Airways filed for protection under Chapter 11 of the U.S. Bankruptcy Code. Effective January 1, 2003, the Company agreed to amend its lease with US Airways at Crystal City to (i) reduce the tenant's space by 90,732 square feet to 205,600 square feet (ii)

reduce the annual escalated rent from \$36.00 to \$29.75 per square foot with 2.5% annual base rent escalations, (iii) provide the tenant with up to \$1,200,000 of tenant allowances and (iv) loan the tenant up to \$1,000,000 at 9% per annum for additional tenant improvements which is to be repaid over the lease term. This lease modification is subject to a confirmed plan of reorganization by the Bankruptcy Court.

In February 2003, KoninKlijke Ahold NV, parent of Stop & Shop, announced that it overstated its 2002 and 2001 earnings by at least \$500 million and is under investigation by the U.S. Justice Department and Securities and Exchange Commission. See Item 2. Properties - Retail Segment - Former Bradlees Leases for information about former Bradlees leases guaranteed by Stop & Shop. The Company cannot predict what effect, if any, this situation may have on Stop & Shop's ability to satisfy its obligation under the Bradlees guarantees and rent for existing Stop & Shop leases aggregating approximately \$10.5 million per annum.

The risk that some of the Company's tenants may declare bankruptcy is higher because of the September 11, 2001 terrorist attacks and the resulting decline in the economy.

SOME OF THE COMPANY'S POTENTIAL LOSSES MAY NOT BE COVERED BY INSURANCE.

For a discussion of risks related to the Company's insurance coverage, see "Item 1. Business - Insurance."

THE COMPANY MAY ACQUIRE OR DEVELOP NEW PROPERTIES, AND THIS MAY CREATE RISKS.

The Company may acquire or develop properties or acquire other real estate companies when it believes that an acquisition or development is consistent with its business strategies. The Company may not, however, succeed in consummating desired acquisitions or in completing developments on time or within its budget. The Company also might not succeed in leasing newly developed or acquired properties at rents sufficient to cover their costs of acquisition or development and operations.

The Company has experienced rapid growth in recent years, increasing its total assets from approximately \$565,000,000 at December 31, 1996 to approximately \$9 billion at December 31, 2002. This growth included the acquisition of Charles E. Smith Commercial Realty L.P. on January 1, 2002, which increased the Company's total assets as of that date by \$2,506,000,000, of which \$1,758,000,000 (66%) is attributable to the acquisition of assets and \$748,000,000 (34%) is attributable to Charles E. Smith Commercial Realty L.P. becoming a wholly owned subsidiary of the Operating Partnership and therefore being consolidated rather than accounted for under the equity method. The Company may not be able to maintain a similar rate of growth in the future or manage its past and any future growth effectively. The Company's failure to do so may have a material adverse effect on its financial condition and results of operations. Difficulties in integrating acquisitions may prove costly or time-consuming and could divert management's attention.

THE COMPANY MAY NOT BE PERMITTED TO DISPOSE OF CERTAIN PROPERTIES OR PAY DOWN THE DEBT ASSOCIATED WITH THOSE PROPERTIES WHEN IT MIGHT OTHERWISE DESIRE TO DO SO WITHOUT INCURRING ADDITIONAL COSTS.

As part of an acquisition of a property, the Company may agree with the seller that it will not dispose of the acquired properties or reduce the mortgage indebtedness on them for significant periods of time unless it pays certain of the resulting tax costs of the seller. These agreements could result in the Company holding on to properties that it would otherwise sell and not paying down or refinancing indebtedness that it would otherwise pay down or refinance.

-16-

IT MAY BE DIFFICULT TO BUY AND SELL REAL ESTATE QUICKLY, AND TRANSFER RESTRICTIONS APPLY TO SOME OF THE COMPANY'S MORTGAGED PROPERTIES.

Equity real estate investments are relatively difficult to buy and sell quickly. The Company therefore has limited ability to vary its portfolio promptly in response to changes in economic or other conditions. Some of the Company's properties are mortgaged to secure payment of indebtedness. If the Company is unable to meet its mortgage payments, the lender could foreclose on the properties and the Company could incur a loss. In addition, if the Company wishes to dispose of one or more of the mortgaged properties, it might not be able to obtain release of the lien on the mortgaged property. If a lender forecloses on a mortgaged property or if a mortgage lien prevents the Company from selling a property, its funds available for distribution to its shareholders could decline. For information relating to the mortgages on the Company's properties, see "Management's Discussion and Analysis of Financial Condition and Results of Operations -- Liquidity and Capital Resources" and the notes to the Company's consolidated financial statements in this annual report on Form 10-K.

A SIGNIFICANT PROPORTION OF THE COMPANY'S PROPERTIES ARE IN THE NEW YORK CITY/NEW JERSEY AND WASHINGTON, D.C. METROPOLITAN AREAS AND ARE AFFECTED BY THE

ECONOMIC CYCLES AND RISKS INHERENT TO THOSE REGIONS.

During 2002, 71% of the Company's Adjusted EBITDA came from properties located in New Jersey and the New York City and Washington, D.C. metropolitan areas. The Company may continue to concentrate a significant portion of its future acquisitions in New Jersey and the New York City and Washington, D.C. metropolitan areas. Like other real estate markets, the real estate markets in these areas have experienced economic downturns in the past, and the Company cannot predict how the current economic conditions will impact these markets in both the short and long term. Further declines in the economy or a decline in the real estate markets in these areas could hurt the Company's financial performance and the value of its properties. The factors affecting economic conditions in these regions include: business layoffs or downsizing; industry slowdowns; relocations of businesses; changing demographics; increased telecommuting and use of alternative work places; financial performance and productivity of the publishing, advertising, financial, technology, retail, insurance and real estate industries; infrastructure quality; and any oversupply of or reduced demand for real estate.

It is impossible for the Company to assess the future effects of the current uncertain trends in the economic and investment climates of the New York City/New Jersey and Washington, D.C. regions, and more generally of the United States, on the real estate markets in these areas. If these conditions persist, they may adversely affect the Company's businesses and future profitability.

ON JANUARY 1, 2002, THE COMPANY COMPLETED THE ACQUISITION OF THE 66% INTEREST IN CHARLES E. SMITH COMMERCIAL REALTY L.P. THAT IT DID NOT PREVIOUSLY OWN. THE TERMS OF THE MERGER RESTRICT THE COMPANY'S ABILITY TO SELL OR OTHERWISE DISPOSE OF, OR TO FINANCE OR REFINANCE, THE PROPERTIES FORMERLY OWNED BY CHARLES E. SMITH COMMERCIAL REALTY L.P., WHICH COULD RESULT IN THE COMPANY'S INABILITY TO SELL THESE PROPERTIES AT AN OPPORTUNE TIME AND INCREASED COSTS TO THE COMPANY.

The Company has agreed to restrictions on its ability to sell, finance, refinance and, in some instances, pay down existing financing on the Charles E. Smith Commercial Realty L.P. properties for a period of up to 20 years, under a tax reporting and protection agreement that the Company entered into at the closing of the merger. This agreement prohibits the Company from taking these actions unless the Operating Partnership also pays the contributing partners based on their tax liabilities as a result of the sale. These arrangements may significantly reduce the Company's ability to sell, finance or repay indebtedness secured by the subject properties or assets.

In addition, subject to limited exceptions, the Company is restricted from selling or otherwise transferring or disposing of certain properties located in the Crystal City area of Arlington, Virginia or an interest in its division that manages the majority of its office properties in the Washington, D.C. metropolitan area, which we refer to as the "Smith Division," for a period of 12 years with respect to certain properties located in the Crystal City area of Arlington, Virginia or six years with respect to an interest in the Smith Division. These restrictions, which currently cover approximately 13.0 million square feet of space, could result in the Company's inability to sell these properties or an interest in the Smith Division at an opportune time and increased costs to the Company.

THE COMPANY MAY INCUR COSTS TO COMPLY WITH ENVIRONMENTAL LAWS.

For a discussion of risks related to the Company's compliance with environmental laws, see "Item 1. Business - Environmental Regulations."

-17-

REAL ESTATE IS A COMPETITIVE BUSINESS.

For a discussion of risks related to competition in the real estate business, see "Item 1. Business - Competition."

THE TERRORIST ATTACKS OF SEPTEMBER 11, 2001 IN NEW YORK CITY AND THE WASHINGTON, D.C. AREA MAY ADVERSELY AFFECT THE VALUE OF THE COMPANY'S PROPERTIES AND ITS ABILITY TO GENERATE CASH FLOW.

THERE MAY BE A DECREASE IN DEMAND FOR SPACE IN LARGE METROPOLITAN AREAS THAT ARE CONSIDERED AT RISK FOR FUTURE TERRORIST ATTACKS, AND THIS DECREASE MAY REDUCE THE COMPANY'S REVENUES FROM PROPERTY RENTALS.

The Company has significant investments in large metropolitan areas, including the New York/New Jersey, Washington, D.C. and Chicago metropolitan areas. In the aftermath of the terrorist attacks, tenants in these areas may choose to relocate their business to less populated, lower-profile areas of the United States that are not as likely to be targets of future terrorist activity. This in turn would trigger a decrease in the demand for space in these areas, which could increase vacancies in the Company's properties and force it to lease its properties on less favorable terms. As a result, the value of the Company's properties and the level of its revenues could decline materially.

THE COMPANY'S INVESTMENT IN HOTEL PENNSYLVANIA IS DEPENDENT ON THE TRAVEL INDUSTRY, AND THAT INVESTMENT HAS BEEN AND MAY CONTINUE TO BE IMPACTED SEVERELY

The Company's investment in Hotel Pennsylvania is directly dependent on the travel industry generally and the number of visitors to New York City in particular. Since September 11, 2001, there has been a substantial decline in travel and tourism generally, and in particular New York City. Accordingly, there has been a significant reduction in occupancy at Hotel Pennsylvania. As a result, revenues generated by this investment have been impacted severely by that decline, and the Company expects this impact on revenues to continue.

ALL OF THE COMPANY'S TEMPERATURE CONTROLLED LOGISTICS WAREHOUSES ARE LEASED TO ONE TENANT, AND THAT TENANT IS EXPERIENCING OPERATING DIFFICULTIES.

The Operating Partnership owns a 60% general partnership interest in a partnership, which we refer to as the "Vornado Crescent Portland Partnership," that owns 88 cold storage warehouses nationwide with an aggregate of approximately 441.5 million cubic feet of refrigerated, frozen and dry storage space. The Vornado Crescent Portland Partnership sold all of the non-real estate assets encompassing the operations of the temperature controlled business to a new partnership named AmeriCold Logistics, owned 60% by Vornado Operating Company, which we refer to as "Vornado Operating," and 40% by Crescent Operating Inc. AmeriCold Logistics leases the underlying temperature controlled warehouses used in this business from the Vornado Crescent Portland Partnership, which continues to own the real estate. During 2002, AmeriCold Logistics generated approximately 8% of the Company's Adjusted EBITDA. The leases, as amended, generally have a 15 year term with two-five year renewal options and provide for the payment of fixed base rent and percentage rent based on revenue AmeriCold Logistics receives from its customers. The contractual rent for 2002 was \$150,000,000. The Landlord's share of annual maintenance capital expenditures is \$9,500,000. In accordance with the leases, AmeriCold Logistics deferred payment of \$32,248,000 of 2002 rent due to the Landlord, of which the Company's share was \$19,349,000. Based on the joint venture's policy of recognizing rental income when earned and collection is assured or cash is received, the joint venture did not recognize this rent in the year ended December 31, 2002. At December 31, 2002, the Company's share of the joint venture's total deferred rent receivable from the tenant is \$24,350,000. On December 31, 2001, the Landlord released the tenant from its obligation to pay \$39,812,000 of rent deferred in 2001 and 2000, of which the Company's share was \$23,887,000. This amount equaled the rent which was not recognized as income by the joint venture and accordingly had no profit and loss effect to the Company.

-18-

To the extent that the operations of AmeriCold Logistics may affect its ability to pay rent, including percentage rent due under the leases, the Company indirectly bears the risks associated with AmeriCold Logistics' cold storage business. The cold storage business is extremely competitive. Factors affecting AmeriCold Logistics' ability to compete include, among others, (a) warehouse locations, (b) customer mix and (c) availability, quality and price of additional services.

THE COMPANY MAY NOT BE ABLE TO OBTAIN CAPITAL TO MAKE INVESTMENTS.

The Company depends primarily on external financing to fund the growth of its business. This is because one of the requirements of the Internal Revenue Code of 1986, as amended, for a REIT is that it distributes 90% of its net taxable income, excluding net capital gains, to its shareholders. The Company's access to debt or equity financing depends on banks' willingness to lend and on conditions in the capital markets. The Company and other companies in the real estate industry have experienced limited availability of bank loans and capital markets financing from time to time. Although the Company believes that it will be able to finance any investments it may wish to make in the foreseeable future, financing other than what it already has available might not be available on acceptable terms.

For information about the Company's available sources of funds, see "Management's Discussion and Analysis of Financial Condition and Results of Operations -- Liquidity and Capital Resources" and the notes to the consolidated financial statements in this annual report on Form 10-K.

THE COMPANY'S OWNERSHIP STRUCTURE AND RELATED-PARTY TRANSACTIONS MAY GIVE RISE TO CONFLICTS OF INTEREST.

STEVEN ROTH AND INTERSTATE PROPERTIES MAY EXERCISE SUBSTANTIAL INFLUENCE OVER THE COMPANY. THEY AND SOME OF THE COMPANY'S OTHER TRUSTEES AND OFFICERS HAVE INTERESTS OR POSITIONS IN OTHER ENTITIES THAT MAY COMPETE WITH THE COMPANY.

As of December 31, 2002, Interstate Properties, a New Jersey general partnership, and its partners owned approximately 12.9% of the common shares of the Company and approximately 27.5% of the common stock of Alexander's, Inc. and beneficially owned approximately 7.9% of the common stock of Vornado Operating (approximately 17.0% assuming redemption of 447,017 units of Vornado Operating L.P., the operating subsidiary of Vornado Operating, that are beneficially owned by Interstate Properties and redeemable for common stock of Vornado Operating). Steven Roth, David Mandelbaum and Russell B. Wight, Jr. are the three partners of Interstate Properties. Mr. Roth is the Chairman of the Board and Chief

Executive Officer of the Company, the managing general partner of Interstate Properties, the Chief Executive Officer and a director of Alexander's and the Chairman of the Board and Chief Executive Officer of Vornado Operating. Mr. Wight is a trustee of the Company and is also a director of both Alexander's and Vornado Operating. Mr. Mandelbaum is a trustee of the Company and is also a director of Alexander's.

As of December 31, 2002, the Company owned 33.1% of the outstanding common stock of Alexander's. Alexander's is a REIT engaged in leasing, managing, developing and redeveloping properties, focusing primarily on the locations where its department stores operated before they ceased operations in 1992. Alexander's has six properties, which are located in the New York City metropolitan area. Mr. Roth and Michael D. Fascitelli, the President and a trustee of the Company, are directors of Alexander's. Messrs. Mandelbaum, Richard R. West and Wight are trustees of the Company and are also directors of Alexander's.

Because of these overlapping interests, Mr. Roth and Interstate Properties may have substantial influence over the Company, Alexander's and Vornado Operating and on the outcome of any matters submitted to the Company's, Alexander's or Vornado Operating's shareholders for approval. In addition, certain decisions concerning the Company's operations or financial structure may present conflicts of interest among Messrs. Roth, Mandelbaum and Wight and Interstate Properties and the Company's other shareholders. In addition, Mr. Roth and Interstate Properties may in the future engage in a wide variety of activities in the real estate business which may result in conflicts of interest with respect to matters affecting the Company, Alexander's or Vornado Operating, such as which of these entities or persons, if any, may take advantage of potential business opportunities, the business focus of these entities, the types of properties and geographic locations in which these entities make investments, potential competition between business activities conducted, or sought to be conducted, by the Company, Interstate Properties, Alexander's and Vornado Operating, competition for properties and tenants, possible corporate transactions such as acquisitions and other strategic decisions affecting the future of these entities.

-19-

The Company currently manages and leases the real estate assets of Interstate Properties under a management agreement for which the Company receives an annual fee equal to 4% of base rent and percentage rent and certain other commissions. The management agreement has a term of one year and is automatically renewable unless terminated by either of the parties on 60 days' notice at the end of the term. The Company earned \$1,655,000 and \$1,450,000 of management fees under the management agreement for the years ended December 31, 2001 and 2002. Because the Company and Interstate Properties are controlled by the same persons, as described above, the terms of the management agreement and any future agreements between the Company and Interstate Properties may not be comparable to those the Company could have negotiated with an unaffiliated third party.

THE COMPANY ENGAGES IN TRANSACTIONS WITH VORNADO OPERATING ON TERMS THAT MAY OR MAY NOT BE COMPARABLE TO THOSE IT COULD NEGOTIATE WITH UNAFFILIATED THIRD PARTIES.

In October 1998, Vornado Operating was spun off from the Company in order to own assets that the Company could not itself own and conduct activities that the Company could not itself conduct. In addition to being trustees of the Company, Messrs. Roth, Fascitelli, West and Wight are directors of Vornado Operating. Mr. Roth is also Chairman of the Board and Chief Executive Officer of Vornado Operating, Mr. Fascitelli is also President of Vornado Operating, and certain other members of the Company's senior management hold corresponding positions with Vornado Operating.

The Operating Partnership entered into a \$75,000,000 unsecured revolving credit facility with Vornado Operating that expires on December 31, 2004. Borrowings under the revolving credit agreement bear interest at LIBOR plus 3%. The Operating Partnership receives an annual commitment fee equal to 1% on the average daily unused portion of the facility. Vornado Operating is not required to pay any amortization under the revolving credit agreement during its term. The revolving credit agreement prohibits Vornado Operating from incurring indebtedness to third parties, other than certain purchase money debt and certain other exceptions, and prohibits Vornado Operating from paying dividends. As of December 31, 2002, \$21,989,000 was outstanding under the revolving credit agreement.

The Operating Partnership and Vornado Operating are parties to an agreement under which, among other things, (a) the Operating Partnership will offer Vornado Operating, under certain circumstances, an opportunity to become the lessee of certain real property owned now or in the future by the Operating Partnership under mutually satisfactory lease terms and (b) Vornado Operating will not make any real estate investment or other investments known as REIT-qualified investments unless it first offers the Operating Partnership the opportunity to make the investment and the Operating Partnership has rejected that opportunity. Under this agreement, the Operating Partnership provides Vornado Operating with administrative, corporate, accounting, financial,

insurance, legal, tax, data processing, human resources and operational services. For these services, Vornado Operating compensates the Operating Partnership in an amount determined in good faith by the Operating Partnership as the amount an unaffiliated third party would charge Vornado Operating for comparable services and reimburses the Operating Partnership for certain costs incurred and paid to third parties on behalf of Vornado Operating. Under this agreement, compensation for these services was approximately \$330,000, \$371,000 and \$330,000 for the years ended December 31, 2000, 2001 and 2002. Vornado Operating and the Operating Partnership each have the right to terminate this agreement if the other party is in material default of the agreement or upon 90 days' written notice to the other party at any time after December 31, 2003. In addition, the Operating Partnership has the right to terminate this agreement upon a change in control of Vornado Operating.

Vornado Operating's restated certificate of incorporation specifies that one of its corporate purposes is to perform this agreement and, for so long as the agreement remains in effect, prohibits Vornado Operating from making any real estate investment or other REIT-qualified investment without first offering the opportunity to the Operating Partnership in the manner specified in this agreement.

-20-

The Company and Vornado Operating may enter into additional transactions in the future. Because the Company and Vornado Operating share common senior management and because a majority of the Company's trustees also constitute the majority of the directors of Vornado Operating, the terms of the foregoing agreements and any future agreements between the Company and Vornado Operating may not be comparable to those the Company could have negotiated with an unaffiliated third party.

THERE MAY BE CONFLICTS OF INTEREST BETWEEN THE COMPANY AND ALEXANDER'S.

As of December 31, 2002, the Company owned 33.1% of the outstanding common stock of Alexander's. Alexander's is a REIT engaged in leasing, managing, developing and redeveloping properties, focusing primarily on the locations where its department stores operated before they ceased operations in 1992. Alexander's has six properties. Interstate Properties, which is further described above, owned an additional 27.5% of the outstanding common stock of Alexander's as of December 31, 2002. Mr. Roth, Chairman of the Board and Chief Executive Officer of the Company, is Chief Executive Officer and a director of Alexander's, and Mr. Fascitelli, President and a trustee of the Company, is President and a director of Alexander's. Messrs. Mandelbaum, West and Wight, trustees of the Company, are also directors of Alexander's. Alexander's common stock is listed on the New York Stock Exchange under the symbol "ALX."

At December 31, 2002, the Operating Partnership had loans receivable from Alexander's of \$119,000,000 at an interest rate of 12.48%. These loans mature on the earlier of January 3, 2006 or the date that Alexander's Lexington Avenue construction loan is repaid in full. The Operating Partnership manages, develops and leases the Alexander's properties under management and development agreements and leasing agreements under which the Operating Partnership receives annual fees from Alexander's. These agreements have a one-year term expiring in March of each year, except that the Lexington Avenue management and development agreements have a term lasting until substantial completion of development of the Lexington Avenue property, and are all automatically renewable. Because the Company and Alexander's share common senior management and because a majority of the trustees of the Company also constitute the majority of the directors of Alexander's, the terms of the foregoing agreements and any future agreements between the Company and Alexander's may not be comparable to those the Company could have negotiated with an unaffiliated third party.

For a description of Interstate Properties' ownership of the Company, Vornado Operating and Alexander's, see "--Steven Roth and Interstate Properties may exercise substantial influence over the Company. They and some of the Company's other trustees and officers have interests or positions in other entities that may compete with the Company" above.

ARCHSTONE-SMITH TRUST PROVIDES SERVICES TO THE COMPANY UNDER AGREEMENTS THAT WERE NOT NEGOTIATED AT ARM'S LENGTH.

The Company has agreements with Archstone-Smith Trust under which the Company leases office space to Archstone-Smith Trust and shares the cost of certain office-related services with it that were not negotiated at arm's length. These agreements were entered into by Charles E. Smith Commercial Realty in 1997, before the Company's January 1, 2002 acquisition of Charles E. Smith Commercial Realty, at a time when Mr. Smith and Mr. Kogod were in control of both Charles E. Smith Commercial and the Charles E. Smith Residential Division of Archstone-Smith. Mr. Smith and Mr. Kogod, who became members of the Company's board of trustees on January 1, 2002, are also trustees and shareholders of Archstone-Smith Trust.

THE COMPANY'S ORGANIZATIONAL AND FINANCIAL STRUCTURE GIVES RISE TO OPERATIONAL AND FINANCIAL RISKS.

THE COMPANY DEPENDS ON ITS DIRECT AND INDIRECT SUBSIDIARIES' DIVIDENDS AND DISTRIBUTIONS, AND THESE SUBSIDIARIES' CREDITORS AND PREFERRED SECURITY HOLDERS

ARE ENTITLED TO PAYMENT OF AMOUNTS PAYABLE TO THEM BY THE SUBSIDIARIES BEFORE THE SUBSIDIARIES MAY PAY ANY DIVIDENDS OR DISTRIBUTIONS TO THE COMPANY.

Substantially all of the Company's assets consist of its partnership interests in the Operating Partnership. The Operating Partnership holds substantially all of its properties and assets through subsidiaries. The Operating Partnership therefore depends for substantially all of its cash flow on cash distributions to it by its subsidiaries, and the Company in turn depends for substantially all of its cash flow on cash distributions to it by the Operating Partnership. The creditors of each of the Company's direct and indirect subsidiaries are entitled to payment of that subsidiary's obligations to them, when due and payable, before distributions may be made by that subsidiary to its equity holders. Thus, the Operating Partnership's ability to

-21-

make distributions to holders of units depends on its subsidiaries' ability first to satisfy their obligations to their creditors and then to make distributions to the Operating Partnership. Likewise, the Company's ability to pay dividends to holders of common and preferred shares depends on the Operating Partnership's ability first to satisfy its obligations to its creditors and make distributions payable to holders of preferred units and then to make distributions to the Company.

Furthermore, the holders of preferred units of the Operating Partnership are entitled to receive preferred distributions before payment of distributions to holders of common units of the Operating Partnership, including the Company. Thus, the Company's ability to pay dividends to holders of its common shares depends on the Operating Partnership's ability first to satisfy its obligations to its creditors and make distributions payable to holders of preferred units and then to make distributions to the Company. There are currently 17 series of preferred units of the Operating Partnership not held by the Company that have preference over its common shares. The total liquidation value of these 17 series of preferred units is approximately \$1,494,061,000.

In addition, the Company may participate in any distribution of the assets of any of its direct or indirect subsidiaries upon the liquidation, reorganization or insolvency of the subsidiary, only after the claims of the creditors, including trade creditors, and preferred security holders, if any, of the subsidiary are satisfied.

THE COMPANY HAS INDEBTEDNESS, AND THIS INDEBTEDNESS MAY INCREASE.

As of December 31, 2002, the Company had approximately \$4.966 billion in total debt outstanding. The Company's ratio of total debt to total enterprise value was 45%. When we say "enterprise value" in the preceding sentence, we mean market equity value of the Company plus debt less cash. In the future, the Company may incur additional debt, and thus increase its ratio of total debt to total enterprise value, to finance acquisitions or property developments.

LOSS OF THE COMPANY'S KEY PERSONNEL COULD HARM ITS OPERATIONS.

The Company is dependent on the efforts of Steven Roth, the Chairman of the Board of Trustees and Chief Executive Officer of the Company, and Michael D. Fascitelli, the President of the Company. While the Company believes that it could find replacements for these key personnel, the loss of their services could harm its operations.

THE COMPANY MIGHT FAIL TO QUALIFY OR REMAIN QUALIFIED AS A REIT.

Although the Company believes that it will remain organized and will continue to operate so as to qualify as a REIT for federal income tax purposes, it might fail to remain qualified in this way. Qualification as a REIT for federal income tax purposes is governed by highly technical and complex provisions of the Internal Revenue Code for which there are only limited judicial or administrative interpretations. The Company's qualification as a REIT also depends on various facts and circumstances that are not entirely within its control. In addition, legislation, new regulations, administrative interpretations or court decisions might significantly change the tax laws with respect to the requirements for qualification as a REIT or the federal income tax consequences of qualification as a REIT.

If, with respect to any taxable year, the Company fails to maintain its qualification as a REIT, it could not deduct distributions to shareholders in computing its taxable income and would have to pay federal income tax on its taxable income at regular corporate rates. The federal income tax payable would include any applicable alternative minimum tax. If the Company had to pay federal income tax, the amount of money available to distribute to shareholders would be reduced for the year or years involved, and the Company would no longer be required to distribute money to shareholders. In addition, the Company would also be disqualified from treatment as a REIT for the four taxable years following the year during which qualification was lost, unless it was entitled to relief under the relevant statutory provisions. Although the Company currently intends to operate in a manner designed to allow it to qualify as a REIT, future economic, market, legal, tax or other considerations may cause it to revoke the REIT election.

Generally, for the Company to maintain its qualification as a REIT under the Internal Revenue Code, not more than 50% in value of the outstanding shares of beneficial interest of the Company may be owned, directly or indirectly, by five or fewer individuals at any time during the last half of the Company's taxable year. The Internal Revenue Code defines "individuals" for purposes of the requirement described in the preceding sentence to include some types of entities. Under the

-22-

Company's Amended and Restated Declaration of Trust, as amended, no person may own more than 6.7% of the outstanding common shares or 9.9% of the outstanding preferred shares, with some exceptions for persons who held common shares in excess of the 6.7% limit before the Company adopted the limit and other persons approved by the Company's Board of Trustees. These restrictions on transferability and ownership may delay, deter or prevent a change in control of the Company or other transaction that might involve a premium price or otherwise be in the best interest of the shareholders. We refer to the Company's Amended and Restated Declaration of Trust, as amended, as the "declaration of trust."

The Company's Board of Trustees is divided into three classes of trustees. Trustees of each class are chosen for three-year staggered terms. Staggered terms of trustees may reduce the possibility of a tender offer or an attempt to change control of the Company, even though a tender offer or change in control might be in the best interest of the Company's shareholders.

The Company's declaration of trust authorizes the Board of Trustees to, cause the Company to issue additional authorized but unissued common shares or preferred shares; classify or reclassify, in one or more series, any unissued preferred shares; set the preferences, rights and other terms of any classified or reclassified shares that the Company issues; and increase, without shareholder approval, the number of shares of beneficial interest that the Company may issue.

The Board of Trustees could establish a series of preferred shares whose terms could delay, deter or prevent a change in control of the Company or other transaction that might involve a premium price or otherwise be in the best interest of the Company's shareholders, although the Board of Trustees does not now intend to establish a series of preferred shares of this kind. The Company's declaration of trust and bylaws contain other provisions that may delay, deter or prevent a change in control of the Company or other transaction that might involve a premium price or otherwise be in the best interest of the shareholders.

Under the Maryland General Corporation Law, as amended, which we refer to as the "MGCL," as applicable to real estate investment trusts, certain "business combinations," including certain mergers, consolidations, share exchanges and asset transfers and certain issuances and reclassifications of equity securities, between a Maryland real estate investment trust and any person who beneficially owns ten percent or more of the voting power of the trust's shares or an affiliate or an associate, as defined in the MGCL, of the trust who, at any time within the two-year period before the date in question, was the beneficial owner of ten percent or more of the voting power of the then outstanding voting shares of beneficial interest of the trust, which we refer to as an "interested shareholder," or an affiliate of the interested shareholder are prohibited for five years after the most recent date on which the interested shareholder becomes an interested shareholder. After that five-year period, any business combination of these kinds must be recommended by the board of trustees of the trust and approved by the affirmative vote of at least (a) 80% of the votes entitled to be cast by holders of outstanding shares of beneficial interest of the trust and (b) two-thirds of the votes entitled to be cast by holders of voting shares of the trust other than shares held by the interested shareholder with whom, or with whose affiliate, the business combination is to be effected, unless, among other conditions, the trust's common shareholders receive a minimum price, as defined in the MGCL, for their shares and the consideration is received in cash or in the same form as previously paid by the interested shareholder for its common shares. The provisions of the MGCL do not apply, however, to business combinations that are approved or exempted by the board of trustees of the trust before the interested shareholder becomes an interested shareholder, and a person is not an interested shareholder if the board of trustees approved in advance the transaction by which the person otherwise would have become an interested shareholder. In approving a transaction, the board may provide that its approval is subject to compliance, at or after the time of approval, with any terms and conditions determined by the board. The Company's board has adopted a resolution exempting any business combination between any trustee or officer of the Company, or their affiliates, and the Company. As a result, the trustees and officers of the Company and their affiliates may be able to enter into business combinations with the Company which may not be in the best interest of shareholders. With respect to business combinations with other persons, the business combination provisions of the MGCL may have the effect of delaying, deferring or preventing a change in control of the Company or other transaction that might involve a premium price or otherwise be in the best interest of the shareholders. The business combination statute may discourage others from trying to acquire control of the Company and increase

the difficulty of consummating any offer.

-23-

THE NUMBER OF SHARES OF THE COMPANY AND THE MARKET FOR THOSE SHARES GIVE RISE TO VARIOUS RISKS.

THE COMPANY HAS MANY SHARES AVAILABLE FOR FUTURE SALE, WHICH COULD HURT THE MARKET PRICE OF ITS SHARES.

As of February 3, 2003, 31,876,821 Company common shares were reserved for issuance upon redemption of Operating Partnership units. Some of these shares may be sold in the public market after registration under the Securities Act under registration rights agreements between the Company and some holders of units of the Operating Partnership. These shares may also be sold in the public market under Rule 144 under the Securities Act or other available exemptions from registration. In addition, the Company has reserved a number of common shares for issuance under its employee benefit plans, and these common shares will be available for sale from time to time. The Company has awarded shares of restricted stock and granted options to purchase additional common shares to some of its executive officers and employees. The Company cannot predict the effect that future sales of its common shares, or the perception that sales of common shares could occur, will have on the market prices for its common shares.

CHANGES IN MARKET CONDITIONS COULD HURT THE MARKET PRICE OF THE COMPANY'S SHARES.

The value of the Company's shares depends on various market conditions, which may change from time to time. Among the market conditions that may affect the value of the Company's shares are the following: the extent of institutional investor interest in the Company; the reputation of REITs generally and the attractiveness of their equity securities in comparison to other equity securities, including securities issued by other real estate companies, and fixed income securities (including in connection with any possible change in the taxation of dividends, as discussed below); the Company's financial condition and performance; and general financial market conditions.

In particular, the President of the United States has proposed several changes to the taxation of dividends, including an exclusion of certain dividends from taxable income. While numerous changes to the proposal, including its withdrawal, may occur before the proposal is enacted into law, it is likely that most, if not all, dividends paid by REITs will not qualify for the proposed exclusion and therefore will continue to be treated as taxable income. This may adversely affect equity securities of REITs as compared to equity securities of other issuers.

In addition, the stock market in recent years has experienced extreme price and volume fluctuations that have often been unrelated or disproportionate to the operating performance of companies.

INCREASED MARKET INTEREST RATES MAY HURT THE VALUE OF THE COMPANY'S SHARES.

The Company believes that investors consider the distribution rate on REIT shares, expressed as a percentage of the price of the shares, relative to market interest rates as an important factor in deciding whether to buy or sell the shares. If market interest rates go up, prospective purchasers of REIT shares may expect a higher distribution rate. Higher interest rates would not, however, result in more funds for the Company to distribute and, in fact, would likely increase its borrowing costs and might decrease its funds available for distribution. Thus, higher market interest rates could cause the market price of the Company's shares to decline.

ITEM 2. PROPERTIES

The Company currently owns, directly or indirectly, Office properties, Retail properties, Merchandise Mart properties and Temperature Controlled Logistics refrigerated warehouses. The Company also owns or has investments in Alexander's, Hotel Pennsylvania, The Newkirk Master Limited Partnership, and dry warehouses and industrial buildings.

OFFICE SEGMENT

The Company currently owns all or a portion of 74 office properties containing approximately 27.7 million square feet. Of these properties, 21 contain 14.3 million square feet and are located in the New York City metropolitan area (primarily Manhattan) (the "New York City Office Properties") and 53 contain 13.4 million square feet and are located in the Washington, D.C. and Northern Virginia area (the "CESCR Office Properties"). Prior to January 1, 2002, the Company owned a 34% interest in CESCR. On January 1, 2002, the Company acquired the remaining 66% interest.

The following data on pages 25 to 28 covers the New York City Office Properties. The CESCR Office Properties are described on pages 29 to 32.

NEW YORK CITY OFFICE PROPERTIES:

The New York City Office Properties contain: (i) 13,164,000 square feet of office space, (ii) 805,000 square feet of retail space and (iii) 332,000 square feet of garage space (6 garages).

The following table sets forth the percentage of the New York City Office Properties 2002 revenue by tenants' industry:

The Company's New York City Office property lease terms generally range from five to seven years for smaller tenant spaces to as long as 20 years for major tenants. Leases typically provide for step-ups in rent periodically over the term of the lease and pass through to tenants the tenant's share of increases in real estate taxes and operating expenses over a base year. Electricity is provided to tenants on a submetered basis or included in rent based on surveys and adjusted for subsequent utility rate increases. Leases also typically provide for tenant improvement allowances for all or a portion of the tenant's initial construction costs of its premises.

No tenant in the New York City office segment accounted for more than 10% of the Company's total revenue. Below is a listing of tenants which accounted for 2% or more of the New York City Office Properties revenues in 2002:

Tenant	Square Feet Leased	2002 Revenues	Percentage of New York City Office Properties Revenues	Percentage of Total Revenues
VNU Inc.....	515,000	\$ 18,750,000	3.4%	1.3%
The McGraw-Hill Companies, Inc.....	518,000	18,714,000	3.3%	1.3%
Sterling Winthrop, Inc.....	429,000	18,453,000	3.3%	1.3%
Madison Square Garden L.P./Rainbow Media Holdings, Inc.....	283,000	14,442,000	2.6%	1.0%

The following tables set forth lease expirations for the office and retail portions of the New York City Office Properties as of December 31, 2002, for each of the next 10 years assuming that none of the tenants exercise their renewal options.

CHARLES E. SMITH COMMERCIAL REALTY ("CESCR") OFFICE PROPERTIES:

CESCR owns 53 office buildings in the Washington D.C. and Northern Virginia area containing 13.4 million square feet. As of December 31, 2002, 45 percent of CESCR's property portfolio is leased to various agencies of the U.S. government (General Services Administration "GSA").

CESCR office leases are typically for three to five year terms, and may provide for extension options at either pre-negotiated or market rates. Most leases provide for annual rental escalations throughout the lease term, plus recovery of increases in real estate taxes and certain property operating expenses. Annual rental escalations are typically based upon either fixed percentage increases or the consumer price index. Leases also typically provide for tenant improvement allowances for all or a portion of the tenant's initial construction costs of its premises.

The following table sets forth the percentage of CESCR's Office properties 2002 revenue by tenants' industry:

Industry -----	Percentage -----
United States Government ("GSA").....	39%

US Airways, Inc (1).....	296,000	10,721,000	2.5%	.7%

(1) On August 11, 2002, US Airways filed for protection under Chapter 11 of the U.S. Bankruptcy Code. Effective January 1, 2003, the Company agreed to amend its lease with US Airways at Crystal City to (i) reduce the tenant's space by 90,732 square feet to 205,600 square feet (ii) reduce the annual escalated rent from \$36.00 to \$29.75 per square foot with 2.5% annual base rent escalations, (iii) provide the tenant with up to \$1,200,000 of tenant allowances and (iv) loan the tenant up to \$1,000,000 at 9% per annum for additional tenant improvements which is to be repaid over the lease term. This lease modification is subject to a confirmed plan of reorganization by the Bankruptcy Court.

(1) Of the square feet expiring in 2003, 626,000 square feet has been renewed or is currently in negotiations to be renewed.

Included in the above table are U.S. Patent and Trademark Office leases expiring from 2003 through 2006 as follows: 139,000 square feet in 2003, 1,179,000 square feet in 2004, 513,000 square feet in 2005 and 107,000 square feet in 2006. The U.S. Patent and Trademark Office is scheduled to relocate its offices beginning in the second half of 2004. The Company expects that all leases expiring prior to March 2004 will be extended or renewed to 2004 or 2005.

The following table sets forth the occupancy rate and the average annual

RETAIL SEGMENT

The Company owns 62 retail properties of which 51 are strip shopping centers primarily located in the Northeast and Mid-Atlantic states, two are regional malls located in San Juan, Puerto Rico, two are super-regional malls located in Nassau County, Long Island, New York and in Monmouth County, New Jersey and seven are retail sites located in Manhattan. The Company's strip shopping centers and malls are generally located on major regional highways in mature, densely populated areas. The Company believes these properties attract consumers from a regional, rather than a neighborhood market place because of their location on regional highways.

The Company's strip shopping centers which contain an aggregate of 9.3 million square feet, are substantially (over 80%) leased to large stores (over 20,000 square feet). Tenants include destination retailers such as discount department stores, supermarkets, home improvement stores, discount apparel stores, membership warehouse clubs and "category killers." Category killers are large stores which offer a complete selection of a category of items (e.g., toys, office supplies, etc.) at low prices, often in a warehouse format. Tenants typically offer basic consumer necessities such as food, health and beauty aids, moderately priced clothing, building materials and home improvement supplies, and compete primarily on the basis of price.

The Company's two regional malls are the Montehiedra Mall which contains 554,000 square feet and is anchored by Home Depot, Kmart and Marshalls and the Las Catalinas Mall which contains 354,000 square feet and is anchored by Kmart and Sears, which owns its store. On September 23, 2002, the Company increased its interest in the Las Catalinas Mall to 100% by acquiring the 50% of the mall and the 25% of Kmart's anchor store it did not already own.

The Green Acres Mall is a 1.6 million square foot super-regional mall located in Long Island, New York. The Green Acres Mall is anchored by four major department stores: three of which, Sears, Roebuck and Co., J.C. Penney Company, Inc. and Federated Department Stores, Inc. ("Federated") doing business as Macy's, are operating and the fourth, also leased to Federated (previously occupied by Stern's), is currently dark, however, Federated continues to pay the rent. The complex also includes The Plaza at Green Acres, a 188,000 square foot strip shopping center which is anchored by National Wholesale Liquidators. The Company has entered into a lease with Wal-Mart for the other anchor store at the Plaza, which is subject to governmental approvals.

The Monmouth Mall, located in Eatontown, New Jersey was acquired on October 10, 2002, by a joint venture in which the Company has a 50% interest. The mall is a super regional mall containing 1.5 million square feet and anchored by four department store tenants (Macy's, Lord & Taylor, J.C. Penney's and Boscovs), three of which own 731,000 square feet of the 1.5 million square feet.

The following table sets forth the percentage of the Retail Portfolio 2002 rentals by type of retailer:

Industry -----	Percentage -----

The Manhattan retail sites include six operating properties containing 127,000 square feet, including 43,000 square feet of new retail space at 435 Seventh Avenue leased to Hennes & Mauritz. The seventh property, 4 Union Square South, is currently under development.

-33-

The following tables set forth the occupancy rate and the average annual base rent per square foot for the retail properties at the end of each of the past five years.

STRIP SHOPPING CENTERS:

As of December 31, -----	Rentable Square Feet -----	Occupancy Rate -----	Average Annual Base Rent Per Square Foot -----
2002.....	9,295,000	85.7%	\$ 11.11
2001.....	9,008,000	89.0%	10.60
2000.....	9,000,000	91.1%	10.72
1999.....	8,212,000	91.0%	10.20
1998.....	8,332,000	91.1%	9.87

REGIONAL AND SUPER REGIONAL MALLS:

As of December 31, -----	Rentable Square Feet -----	Occupancy Rate -----	Average Annual Base Rent Per Square Foot -----	
			Mall Tenants	Total
2002.....	2,875,000	95.4%	\$ 27.79	\$ 17.15
2001.....	2,293,000	98.7%	34.04	16.02
2000.....	2,293,000	95.5%	32.05	14.84
1999.....	2,293,000	95.5%	31.66	14.50
1998.....	2,293,000	95.2%	29.40	13.90

The aggregate occupancy rate for the 12.5 million square feet of retail properties at December 31, 2002 is 88.3%. The occupancy rate includes leases for 490,000 square feet at five locations (4%) which have not commenced at December 31, 2002. Three of these locations aggregating 268,000 square feet are ground leased to Lowe's which plans to demolish the existing buildings and construct its own stores at the sites and two locations containing 223,000 square feet are leased to Wal-Mart, which plans to demolish an existing building and construct its own store at one of the sites and occupy the existing store at the other site. All of these redevelopment projects are subject to governmental approvals and in some cases, the relocation of existing tenants.

The Company's shopping center lease terms range from 5 years or less in some instances for smaller tenant spaces to as long as 25 years for major tenants. Leases generally provide for additional rents based on a percentage of tenants' sales and pass through to tenants of the tenants' share of all common

area charges (including roof and structure in strip shopping centers, unless it is the tenant's direct responsibility), real estate taxes and insurance costs and certain capital expenditures. Percentage rent accounted for less than 1% of total shopping center revenues in 2002. None of the tenants in the Retail Segment accounted for more than 10% of the Company's total revenues.

Below is a listing of tenants which accounted for 2% or more of the Retail property revenues in 2002:

Tenant	Square Feet Leased	2002 Revenues	Percentage of Retail Properties Revenues	Percentage of Total Revenues

FORMER BRADLEES LOCATIONS:

The Company previously leased 18 locations to Bradlees which closed all of its stores in February 2001. The leases for four former Bradlees locations were assigned by Bradlees to other retailers. The Company has re-leased nine of the other former Bradlees locations; three to Kohl's, two each to Lowe's and Haynes Furniture, and one each to Home Depot and Wal-Mart. Lowe's and Wal-Mart will demolish the existing properties and construct their own stores, subject to the receipt of various governmental approvals and the relocation of existing tenants. Of the remaining five locations which are currently vacant, two of the leases are guaranteed and the rent is being paid by Stop & Shop, a wholly-owned subsidiary of Koninklijke Ahold NV (formerly Royal Ahold NV), an international food retailer. Stop & Shop remains contingently liable for rent at a number of the former Bradlees locations for the term of the Bradlees leases.

Property rentals for the year ended December 31, 2002, include \$5,000,000 of additional rent which, effective December 31, 2002, was re-allocated to the former Bradlees locations in Marlton, Turnersville, Bensalem and Broomall and is payable by Stop & Shop, pursuant to the Master Agreement and Guaranty dated May 1, 1992. This amount is in addition to all other rent guaranteed at the former Bradlees locations. On January 8, 2003, Stop & Shop filed a complaint with the United States District Court claiming the Company has no right to reallocate and therefore continue to collect the \$5,000,000 of annual rent from Stop & Shop because of the expiration of the East Brunswick, Jersey City, Middletown, Union and Woodbridge leases to which the \$5,000,000 of additional rent was previously allocated. The additional rent provision of the guaranty expires at the earliest in 2012. The Company intends to vigorously contest Stop & Shop's position.

In February 2003, Koninklijke Ahold NV, parent of Stop & Shop, announced that it overstated its 2002 and 2001 earnings by at least \$500 million and is under investigation by the U.S. Justice Department and Securities and Exchange Commission. The Company cannot predict what effect, if any, this situation may have on Stop & Shop's ability to satisfy its obligation under the Bradlees guarantees and rent for existing Stop & Shop leases aggregating approximately \$10.5 million per annum.

The following table sets forth as of December 31, 2002 lease expirations for each of the next 10 years assuming that none of the tenants exercise their renewal options.

The average lease term ranges from three to five years for smaller tenants to as long as 15 years for large tenants. Leases typically provide for step-ups in rent periodically over the term of the lease and pass through to tenants the tenants' share of increases in real estate taxes and operating expenses for a building over a base year. Electricity is provided to tenants on a submetered basis or included in rent and adjusted for subsequent utility rate increases. Leases also typically provide for tenant improvement allowances for all or a portion of the tenant's initial construction of its premises. None of the tenants in the Merchandise Mart Properties segment accounted for more than 10% of the Company's total revenue. Below is a listing of the Merchandise Mart Properties office tenants which accounted for 2% or more of the Merchandise Mart Properties' revenues in 2002:

Tenant	Square Feet Leased	2002 Revenues	Percentage of Segment Revenues	Percentage of Total Company Revenues
General Services Administration...	307,000	\$ 10,247,000	4.8%	.7%

Chicago Transit Authority.....	251,000	4,247,000	2.0%	.3%

On December 30, 2002, the Company entered into a lease modification agreement with Bankers Life and Casualty ("Bankers") to (i) extend the term for 107,000 square feet from November 30, 2008 (the date it was scheduled to expire) to November 30, 2018, (ii) maintain 70,000 square feet through November 30, 2008, (iii) surrender 83,000 square feet on March 1, 2003, (which the Company has re-leased to RBC Mortgage Company for a 15-year term) and (iv) vacate the remaining 43,000 square feet. Bankers is not part of the bankruptcy filing of its parent company, Conseco.

On November 25, 2002, the Chicago Transit Authority notified the Company that it is exercising its right to terminate its lease as of November 30, 2004, which was scheduled to expire on November 30, 2007. In connection with the termination, the Company received a payment of \$794,000 in November 2002 and will receive an additional \$750,000 in 2004.

The following table sets forth the occupancy rate and the average escalated rent per square foot for the Merchandise Mart Properties' office space at the end of each of the past five years.

SHOWROOM SPACE

The showrooms provide manufacturers and wholesalers with permanent and temporary space in which to display products for buyers, specifiers and end users. The showrooms are also used for hosting trade shows for the contract furniture, casual furniture, gifts, carpet, residential furnishings, building products, crafts, apparel and design industries. Merchandise Mart Properties own and operate five of the leading furniture and gifts trade shows including the contract furniture industry's largest annual trade show, NeoCon, which attracts over 50,000 attendees each June and is hosted at the Merchandise Mart building in Chicago. The Market Square Complex co-hosts the home furniture industry's semi-annual (April and October) market weeks which occupy over 11,500,000 square feet in the High Point, North Carolina region.

TEMPERATURE CONTROLLED LOGISTICS SEGMENT

The Company has a 60% interest in Vornado Crescent Portland Partnership ("the Landlord") that owns 88 cold storage warehouses, through a wholly-owned subsidiary (AmeriCold Realty Trust), with an aggregate of approximately 441.5 million cubic feet. AmeriCold Logistics leases all of the partnerships' facilities. The Temperature Controlled Logistics segment is headquartered in Atlanta, Georgia.

AmeriCold Logistics provides the food industry with refrigerated warehousing and transportation management services. Refrigerated warehouses are comprised of production, distribution and public facilities. Production facilities typically serve one or a small number of customers, generally food processors which are located nearby. These customers store large quantities of processed or partially processed products in the facilities until they are shipped to the next stage of production or distribution. Distribution facilities primarily warehouse a wide variety of customers' finished products until future shipment to end-users. Each distribution facility generally services the surrounding regional market. Public facilities generally serve the needs of local and regional customers under short-term agreements. Food manufacturers and processors use these facilities to store capacity overflow from their production facilities or warehouses. AmeriCold Logistics' transportation management services include freight routing, dispatching, freight rate negotiation, backhaul coordination, freight bill auditing, network flow management, order consolidation and distribution channel assessment. AmeriCold Logistics' temperature controlled logistics expertise and access to both frozen food warehouses and distribution channels enable its customers to respond quickly and efficiently to time-sensitive orders from distributors and retailers.

AmeriCold Logistics' customers consist primarily of national, regional and local frozen food manufacturers, distributors, retailers and food service organizations. A breakdown of AmeriCold Logistics' largest customers during 2002 include:

	% of 2002 Revenue
H.J. Heinz & Co.....	16%

 - (4) Ground leased to IKEA.

The development plans at Lexington Avenue consist of an approximately 1.3 million square foot multi-use building. The building will contain approximately 154,000 net rentable square feet of retail (45,000 square feet of which has been leased to Hennes & Mauritz), approximately 878,000 net rentable square feet of office (695,000 square of which has been leased to Bloomberg L.P.) and 248,000 square feet of residential condominium units (through a taxable REIT subsidiary). Construction is expected to be completed in 2004. On July 3, 2002 Alexander's finalized a \$490,000,000 loan with HVB Real Estate Capital (Hypo Vereinsbank) to finance the construction of the Lexington Avenue property (the "Construction Loan"). The estimated construction costs in excess of the construction loan of approximately \$140,000,000 will be provided by Alexander's. The Construction Loan has an interest rate of LIBOR plus 2.5% (currently 3.94%) and a term of forty-two months subject to two one-year extensions. Alexander's received an initial funding of \$55,500,000 under the Construction Loan of which \$25,000,000 was used to repay the Alexander's term loan to a bank in the amount of \$10,000,000 and a secured note in the amount of \$15,000,000. Of the total construction budget of approximately \$630,000,000, \$162,000,000 has been spent to date and an additional \$184,000,000 has been committed. Pursuant to the Construction Loan, the Company has agreed to guarantee among other things, the lien free, timely completion of the construction of the project and funding of project costs in excess of a stated loan budget, if not funded by Alexander's (the "Completion Guarantee"). The \$6,300,000 estimated fee payable by Alexander's to the Company for the Completion Guarantee is 1% of construction costs (as defined). In addition, if the Company should advance any funds under the Completion Guarantee in excess of the \$26,000,000 currently available under the secured line of credit, interest on those advances is at 15% per annum.

On August 30, 2002, Alexander's sold its Third Avenue property located in the Bronx, New York. The 173,000 square foot property was sold for \$15,000,000 resulting in a gain of \$10,366,000, of which the Company's share was \$3,524,000.

THE NEWKIRK MASTER LIMITED PARTNERSHIP

In 1998, the Company and affiliates of Apollo Real Estate Investment Fund III, L.P. ("Apollo") formed a joint venture to acquire general and limited partnership interests in the Newkirk real estate partnerships. Since its formation, the joint venture has acquired equity interests in 91 partnerships which own approximately 19.6 million square feet of real estate and first and second mortgages secured by a portion of these properties. The Company owned a 30% interest in the joint venture with the balance owned by Apollo. On January 1, 2002, the Newkirk partnerships were merged into The Newkirk Master Limited Partnership (the "MLP") to create a vehicle to enable the partners to have

greater access to capital and future investment opportunities. In connection with the merger, the Company received limited partner interests in the MLP equal to an approximate 21.1% interest and Apollo received limited partner interests in the MLP equal to an approximate 54.5% interest. At December 31, 2002, the Company has a 21.7% interest in the MLP and Apollo has a 55.9% interest. Further, the joint venture is the general partner of the MLP.

Simultaneously, the MLP completed a \$225,000,000 secured financing collateralized by its interests in the entities that own the properties, subject to the existing first and certain second mortgages on those properties. The loan bears interest at LIBOR plus 5.5% with a LIBOR floor of 3% (8.5% at December 31, 2002) and matures on January 31, 2005, with two one-year extension options. As a result of the financing, on February 6, 2002 the MLP repaid approximately \$28,200,000 of existing joint venture debt and distributed approximately \$37,000,000 to the Company.

The Company's equity investment in the joint venture at December 31, 2002 was comprised of:

Investments in limited partnerships...	\$ 134,200,000
Mortgages and loans receivable.....	39,511,000
Other.....	8,754,000

	\$ 182,465,000
	=====

The Company's share of the joint venture debt was approximately \$312,679,000 at December 31, 2002.

The following table sets forth a summary of the real estate owned by the MLP:

	Number of Properties	Square Feet
	-----	-----
Office.....	35	8,075,000
Retail.....	169	6,447,000
Other.....	34	5,082,000
	-----	-----
	238	19,604,000
	=====	=====

As of December 31, 2002, the occupancy rate of the properties is 99.9%.

-48-

The primary lease terms range from 20 to 25 years from their original commencement dates with rents, typically above market, which fully amortize the first mortgage debt on the properties. In addition, tenants generally have multiple renewal options, with rents, on average, below market.

Below is a listing of tenants which accounted for 2% or more of the MLP's revenues in 2002:

 (1) On February 12, 2002, Kaiser Aluminum, which leases an office building located in Oakland, California, filed for protection under Chapter 11 of the U.S. Bankruptcy Code. To date, this lease has not been assumed or rejected.

The following table sets forth lease expirations for each of the next 10

years, as of December 21, 2002, assuming that none of the tenants exercise their renewal options.

HOTEL PENNSYLVANIA

The Hotel Pennsylvania is located in New York City on Seventh Avenue opposite Madison Square Garden and consists of a hotel portion containing 1,000,000 square feet of hotel space with 1,700 rooms and a commercial portion containing 400,000 square feet of retail and office space.

The Hotel is dependent on tourism and was severely impacted by the events of September 11, 2001, accelerating a trend which began in the first quarter of 2001. The following table presents rental information for the Hotel:

	Year Ended December 31,			
	2002	2001	2000	1999
	-----	-----	-----	-----
Average occupancy rate.....	65%	63%	76%	80%
Average daily rate.....	\$ 89	\$ 110	\$ 114	\$ 105
Revenue per available room....	\$ 58	\$ 70	\$ 87	\$ 84

As of December 31, 2002, the property's retail and office space was 47% and 53% occupied compared to 56% and 61% as of December 2001. 25 tenants occupy the retail and office space. Annual rent per square foot of retail and office space in 2002 was \$40 and \$12 compared to \$50 and \$21 in 2001 and \$45 and \$17 in 2000.

DRY WAREHOUSE/INDUSTRIAL PROPERTIES

The Company's dry warehouse/industrial properties consist of eight buildings in New Jersey containing approximately 2.0 million square feet. The average term of a tenant's lease is three to five years.

The following table sets forth the occupancy rate and average annual rent per square foot at the end of each of the past four years.

	As of December 31,	Occupancy Rate	Average Annual Rent Per Square Foot
	-----	-----	-----
2002.....		95%	\$ 3.81
2001.....		100%	3.67
2000.....		90%	3.52
1999.....		92%	3.37

In November 2002, the Company entered into an agreement to ground lease its

East Brunswick industrial property to Lowe's. Lowe's will demolish the existing warehouse containing 326,000 square feet and construct its own retail store. This lease is subject to various governmental approvals.

ITEM 3. LEGAL PROCEEDINGS

The Company is from time to time involved in legal actions arising in the ordinary course of its business. In the opinion of management, after consultation with legal counsel, the outcome of such matters, including in respect of the matter referred to below, is not expected to have a material adverse effect on the Company's financial position or results of operation.

Primestone

As previously disclosed, Primestone filed an amended counterclaim against the Company in Delaware Chancery Court on July 31, 2002, alleging, among other things, that Vornado's April 30, 2002 foreclosure on the collateral pledged by Primestone did not comply with the Uniform Commercial Code. On December 19, 2002, the Delaware Chancery Court dismissed all of Primestone's counterclaims. On January 17, 2003, Primestone filed a notice of appeal. In its brief filed on February 14, 2003, Primestone asked the Delaware Supreme Court to reverse the Delaware Chancery court's decision that (1) Vornado's foreclosure auction was held in a commercially reasonable manner, and (2) Vornado did not tortiously interfere with Primestone business relations. This litigation is continuing.

Primestone and several affiliates commenced an action against the Company on May 3, 2002 in New York Supreme Court, alleging substantially the same causes of action as in its amended counterclaim in the Delaware Chancery Court. On June 10, 2002, Vornado moved to dismiss this action. This litigation is continuing.

On May 9, 2002, five affiliates of Primestone asserted counterclaims in an action which the Company had commenced against them on March 28, 2002 in New York Supreme Court. The counterclaims are virtually identical to the claims asserted in the May 3, 2002 action. On May 29, 2002, Vornado filed an answer denying the essential allegations of the counterclaims. This litigation is continuing.

Stop & Shop

On January 8, 2003, Stop & Shop filed a complaint with the United States District Court claiming the Company has no right to reallocate and therefore continue to collect the \$5,000,000 of annual rent from Stop & Shop pursuant to the Master Agreement and Guaranty, because of the expiration of the East Brunswick, Jersey City, Middletown, Union and Woodbridge leases to which the \$5,000,000 of additional rent was previously allocated. The additional rent provision of the guaranty expires at the earliest in 2012. The Company intends to vigorously contest Stop & Shop's position.

4th.....	39.21	34.41	.68	41.65	37.60	.97*

* Comprised of a regular quarterly dividend of \$.66 per share and a special dividend of \$.31 declared on December 18, 2001, which was necessary to avoid the Company incurring an excise tax on distributions of less than 85% of taxable income in the current year.

On March 3, 2003, there were 1,750 holders of record of the Company's common shares.

At December 31, 2002, the Company had a capital loss carryover of approximately \$73,000,000. The capital loss carryover is available to offset future capital gains that would otherwise be required to be distributed as dividends to shareholders.

RECENT SALES OF UNREGISTERED SECURITIES

During 2002, 2001 and 2000 the Company issued 176,848, 6,002 and 2,357 common shares, respectively, upon the redemption of Class A units of the Operating Partnership held by persons who received units in private placements in earlier periods in exchange for their interests in limited partnerships that owned real estate. The common shares were issued without registration under the Securities Act of 1933 in reliance on Section 4(2) of that Act.

-
- (1) Funds from operations does not represent cash generated from operating activities in accordance with accounting principles generally accepted in the United States of America and is not necessarily indicative of cash available to fund cash needs which is disclosed in the Consolidated Statements of Cash Flows for the applicable periods. There are no material legal or functional restrictions on the use of funds from operations. Funds from operations should not be considered as an alternative to net income as an indicator of the Company's operating performance or as an alternative to cash flows as a measure of liquidity. Management considers funds from operations a supplemental measure of operating performance and along with cash flow from operating activities, financing activities and investing activities, it provides investors with an indication of the ability of the Company to incur and service debt, to make capital expenditures and to fund other cash needs. Funds from operations may not be comparable to similarly titled measures reported by other REITs since a number of REITs, including the Company, calculate funds from operations in a manner different from that used by the National Association of Real Estate Investment Trusts ("NAREIT"). Funds from operations, as defined by NAREIT, represents net income applicable to common shares before depreciation and amortization, extraordinary items and gains or losses on sales of real estate. Funds from operations as disclosed above has been modified from this definition to adjust primarily for (i) the effect of straight-lining of property rentals for rent escalations and leasing fee income and (ii) the exclusion of income arising from the amortization of below market leases net of above market leases.
- (2) Operating results for the year ended December 31, 2002, reflect the Company's January 1, 2002 acquisition of the remaining 66% of Charles E. Smith Commercial Realty L.P. ("CESCR") and the resulting consolidation of CESCR's operations. See Supplemental Information, page 82 for condensed Pro Forma Operating Results for the year ended December 31, 2001 giving effect to the CESCR acquisition as if it had occurred on January 1, 2001.
- (3) Funds from operations as previously reported for the year ended December 31, 2001 and 2000 have been revised to include income from the early extinguishment of debt of \$1,170 in 2001 and expense from the early extinguishment of debt of \$1,125 in 2000 because such items are no longer treated as extraordinary items in accordance with Generally Accepted Accounting Principles.

OVERVIEW

Management's Discussion and Analysis of Financial Condition and Results of Operations includes a discussion of the Company's consolidated financial statements for the years ended December 31, 2002, 2001 and 2000.

Operating results for the year ended December 31, 2002, reflect the Company's January 1, 2002 acquisition of the remaining 66% of Charles E. Smith Commercial Realty L.P. ("CESCR") and the resulting consolidation of CESCR's operations. See Supplemental Information, page 82, for Condensed Pro Forma Operating Results for the year ended December 31, 2001 giving effect to the CESCR acquisition as if it had occurred on January 1, 2001.

CRITICAL ACCOUNTING POLICIES

In preparing the consolidated financial statements management has made estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from those estimates. Set forth below is a summary of the accounting policies that management believes are critical to the preparation of the consolidated financial statements. The summary should be read in conjunction with the more complete discussion of the Company's accounting policies included in Note 2 to the consolidated financial statements in this annual report on Form 10-K.

REAL ESTATE

Real estate is carried at cost, net of accumulated depreciation and amortization. As of December 31, 2002, the Company's carrying amount of its real estate, net of accumulated depreciation is \$6.8 billion. Maintenance and repairs are charged to operations as incurred. Depreciation requires an estimate by management of the useful life of each property as well as an allocation of the costs associated with a property to its various components. If the Company does not allocate these costs appropriately or incorrectly estimates the useful lives of its real estate, depreciation expense may be misstated.

Upon acquisitions of real estate, the Company assesses the fair value of acquired assets (including land, buildings, tenant improvements and acquired above and below market leases and the origination cost of acquired in-place leases in accordance with SFAS No. 141) and acquired liabilities, and allocate purchase price based on these assessments. The Company assesses fair value based on estimated cash flow projections that utilize appropriate discount and capitalization rates and available market information. Estimates of future cash flows are based on a number of factors including the historical operating results, known trends, and market/economic conditions that may affect the property. The Company's properties are reviewed for impairment if events or circumstances change indicating that the carrying amount of the assets may not be recoverable. If the Company incorrectly estimates the values at acquisition or the undiscounted cash flows, initial allocations of purchase price and future impairment charges may be different. The impact of the Company's estimates in connection with acquisitions and future impairment analysis could be material to the Company's financial statements.

NOTES AND MORTGAGE LOANS RECEIVABLE

The Company evaluates the collectibility of both interest and principal of each of its notes and mortgage loans receivable (\$86.6 million as of December 31, 2002) if circumstances warrant to determine whether it is impaired. If the Company fails to identify that the investee or borrower are unable to perform,

the Company's bad debt expense may be different.

PARTIALLY-OWNED ENTITIES

The Company accounts for its investments in partially-owned entities (\$997.7 million as of December 31, 2002) under the equity method when the Company's ownership interest is more than 20% but less than 50% and the Company does not exercise direct or indirect control. When partially-owned investments are in partnership form, the 20% threshold may be reduced. Factors that the Company considers in determining whether or not it exercises control include substantive participating rights of partners on significant business decisions, including dispositions and acquisitions of assets, financing and operating and capital budgets, board and management representation and authority and other contractual rights of its partners. To the extent that the Company is deemed to control these entities, these entities would have to be consolidated and therefore impact the balance sheet, operations and related ratios. On a periodic basis the Company evaluates whether there are any indicators that the value of the Company's investments in partially-owned entities are impaired. An investment is impaired if management's estimate of the value of the investment is less than the carrying amount. The ultimate realization of the Company's investment in partially-owned entities is dependent on a number of factors including the performance of the investee and market conditions. If the Company determines that a decline in the value of its investee is other than temporary, then an impairment charge would be recorded.

ALLOWANCE FOR DOUBTFUL ACCOUNTS

The Company periodically evaluates the collectibility of amounts due from tenants and maintains an allowance for doubtful accounts for estimated losses resulting from the inability of tenants to make required payments under the lease agreement. The Company also maintains an allowance for receivables arising from the straight-lining of rents. This receivable arises from earnings recognized in excess of amounts currently due under the lease agreements. Management exercises judgment in establishing these allowances and considers payment history and current credit status in developing these estimates. If estimates differ from actual results this would impact reported results.

REVENUE RECOGNITION

The Company has the following revenue sources and revenue recognition policies:

- Base Rents -- income arising from tenant leases. These rents are recognized over the non-cancelable term of the related leases on a straight-line basis which includes the effects of rent steps and free rent abatements under the leases.
- Percentage Rents -- income arising from retail tenant leases which are contingent upon the sales of the tenant exceeding a defined threshold. These rents are recognized in accordance with SAB 101, which states that this income is to be recognized only after the contingency has been removed (i.e. sales thresholds have been achieved).
- Hotel Revenues -- income arising from the operation of the Hotel Pennsylvania which consists of rooms revenue, food and beverage revenue, and banquet revenue. Income is recognized when rooms are occupied. Food and beverage and banquet revenue are recognized when the services have been rendered.
- Trade Show Revenues -- income arising from the operation of trade shows, including rentals of booths. This revenue is recognized in accordance with the booth rental contracts when the trade shows have occurred.
- Expense Reimbursement Income -- income arising from tenant leases which provide for the recovery of all or a portion of the operating expenses and real estate taxes of the respective property. This income is accrued in the same periods as the expenses are incurred.

Before the Company recognizes revenue, it assesses among other things, its collectibility. If the Company incorrectly determines the collectibility of its revenue, its net income and assets could be overstated.

INCOME TAXES

The Company operates in a manner intended to enable it to continue to qualify as a Real Estate Investment Trust ("REIT") under Sections 856-860 of the Internal Revenue Code of 1986, as amended. Under those sections, a REIT which distributes at least 90% of its REIT taxable income as a dividend to its shareholders each year and which meets certain other conditions will not be taxed on that portion of its taxable income which is distributed to its shareholders. The Company intends to distribute to its shareholders 100% of its taxable income. Therefore, no provision for Federal income taxes is required. If the Company fails to distribute the required amount of income to its shareholders, it would fail to qualify as a REIT and substantial adverse tax consequences may result.

Below is a summary of Net income and Adjusted EBITDA(1) by segment for the years ended December 31, 2002, 2001 and 2000. Prior to 2001, income from the Company's preferred stock affiliates ("PSAs") was included in income from partially-owned entities. On January 1, 2001, the Company acquired the common stock of its PSAs and converted these entities to taxable REIT subsidiaries. Accordingly, the Hotel portion of the Hotel Pennsylvania and the management companies (which provide services to the Company's business segments and operate the Trade Show business of the Merchandise Mart division) have been consolidated effective January 1, 2001. Amounts for the year ended December 31, 2000 have been reclassified to give effect to the consolidation of these entities, as if consolidated as of January 1, 2000 (see page 64 for the details of the reclassifications by line item). In addition, the Company has revised Adjusted EBITDA as previously reported for the year ended December 31, 2001 and 2000 to include income from the early extinguishment of debt of \$1,170,000 in 2001 and expense from the early extinguishment of debt of \$1,125,000 in 2000 because such items are no longer treated as extraordinary items in accordance with Generally Accepted Accounting Principles.

Prior to 2001, income from the Company's investments in preferred stock affiliates ("PSAs") was included in income from partially-owned entities. On January 1, 2001, the Company acquired the common stock of its PSAs and converted these entities to taxable REIT subsidiaries. Accordingly, the operations of the Hotel portion of the Hotel Pennsylvania and the operations of the management companies (which provide services to the Company's business segments and operate the Trade Show business of the Merchandise Mart division) have been consolidated effective January 1, 2001. Amounts for the year ended December 31, 2000 have been reclassified to give effect to the consolidation of these entities, as of January 1, 2000. The effect of these reclassifications in 2000 was as follows:

(i)	reduction in equity in income of partially-owned entities	\$ (8,599,000)
(ii)	increase in rental revenues	64,501,000
(iii)	increase in other income	8,325,000

(v)	increase in depreciation and amortization	(6,906,000)
(vi)	increase in general and administrative expenses	(6,984,000)
(vii)	increase in interest and debt expense	(9,104,000)
(viii)	net impact	\$ --

These reclassifications had no effect on reported Net Income or Adjusted EBITDA for the year ended December 31, 2000 and no impact to any other year.

NOTES:

(1) Adjusted EBITDA represents income before interest, taxes, depreciation and amortization, extraordinary or non-recurring items, gains or losses on sales of depreciable real estate, the effect of straight-lining of rent escalations, amortization of acquired below market leases net of above market leases and minority interest. Management considers Adjusted EBITDA a supplemental measure for making decisions and assessing the performance of its segments. Adjusted EBITDA should not be considered a substitute for net income or a substitute for cash flow as a measure of liquidity. Adjusted EBITDA is presented as a measure of "operating performance" which enables the reader to identify trends from period to period and may be used to compare "same store" operating performance to other companies, as well as providing a measure for determining funds available to service debt. Adjusted EBITDA may not be comparable to similarly titled measures employed by other companies. In addition, the Company has revised Adjusted EBITDA as previously reported for the year ended December 31, 2001 and 2000 to include income from the early extinguishment of debt of \$1,170 in 2001 and expense from the early extinguishment of debt of \$1,125 in 2000 because

such items are no longer treated as Extraordinary Items in accordance with Generally Accepted Accounting Principles.

(2) Adjusted EBITDA - Other is comprised of:

- (1) Results primarily from (i) a \$9,725 increase in insurance, security and real estate taxes, largely reimbursed by tenants, and (ii) \$2,639 for an allowance for straight-line rent receivables.
 - (2) Results primarily from (i) increases in insurance costs which are reimbursed by tenants, (ii) a \$402 payment of Puerto Rico taxes related to the prior year, (iii) \$2,280 in bad debt allowances for accounts receivable and receivables arising from the straight-lining of rents in 2002 and (iv) lease termination fees and real estate tax refunds netted against expenses in 2001, which aggregated \$1,500.
 - (3) Results primarily from the rescheduling of two trade shows from the fourth quarter in which they were previously held to the first quarter of 2003.
 - (4) Reflects (i) increased insurance costs of \$1,366, (ii) a charge of \$312 from the settlement of a 1998 utility assessment, and (iii) an increase in real estate taxes of \$1,725.
 - (5) Reflects a charge of \$954 in connection with the termination of a contract and the write-off of related deferred costs.
 - (6) Reflects a charge in 2002 of \$6,874 for the write-off of pre-development costs at the 20 Times Square project and a charge in 2001 of \$5,223 in connection with the World Trade Center acquisition not consummated.

INCOME APPLICABLE TO ALEXANDER'S

Income applicable to Alexander's (loan interest income, management, leasing, development and commitment fees, and equity in income) was \$29,653,000 in the year ended December 31, 2002, compared to \$25,718,000 in the year ended December 31, 2001, an increase of \$3,935,000. This increase resulted from (i) \$6,915,000 of development and commitment fees in connection with Alexander's Lexington Avenue development project, (ii) the Company's \$3,524,000 share of Alexander's gain on sale of its Third Avenue property, partially offset by (iii) the Company's \$6,298,000 share of Alexander's gain on the sale of its Fordham Road property in the prior year.

INCOME FROM PARTIALLY-OWNED ENTITIES

In accordance with accounting principles generally accepted in the United States of America, the Company reflects the income it receives from (i) entities it owns less than 50% of and (ii) entities it owns more than 50% of, but which have a partner who has shared board and management representation and authority and substantive participating rights on all significant business decisions, on the equity method of accounting resulting in such income appearing on one line in the Company's consolidated statements of income. Below is the detail of

income from partially-owned entities by investment as well as the increase (decrease) in income from partially-owned entities for the year ended December 31, 2002 as compared to the prior year:

-
- On January 1, 2002, the Company acquired the remaining 66% of CESCO it did not previously own. Accordingly, CESCO is consolidated as of January 1, 2002.
 - On September 20, 2002, the Company acquired the remaining 50% of the Mall and 25% of the Kmart anchor store that it did not previously own. Accordingly, Las Catalinas is consolidated for the period from September 20, 2002 to December 31, 2002.
 - On October 10, 2002, a joint venture, in which the Company has a 50% interest, acquired the Monmouth Mall.
 - Vornado's interest in the equity in net income of the Monmouth Mall includes a preferred return of \$748 for the year ended December 31, 2002.
 - The prior year includes \$1,394 for the Company's share of a gain on sale of a property.
 - The year ended December 31, 2002 excludes 570 Lexington Avenue which was sold in May 2001.
 - The prior year includes \$2,000 for the Company's share of equity in loss of its Russian Tea Room ("RTR") investment. In the third quarter of 2001, the Company wrote-off its entire net investment in RTR based on the operating losses and an assessment of the value of the real estate.

INTEREST AND OTHER INVESTMENT INCOME

Interest and other investment income (interest income on mortgage loans receivable, other interest income and dividend income) was \$31,685,000 for the year ended December 31, 2002, compared to \$54,385,000 in the year ended December 31, 2001, a decrease of \$22,700,000. This decrease resulted primarily from a decrease of (i) \$12,347,000 due to the non-recognition of income on the mortgage loan to Primestone, which was foreclosed on April 30, 2002, (ii) \$4,626,000 due to a lower yield on the investment of the proceeds received from the May 2002 repayment of the Company's loan to NorthStar Partnership L.P. (22% yield in 2001) and (iii) \$2,269,000 due to the non-recognition of income on the loan to Vornado Operating.

INTEREST AND DEBT EXPENSE

Interest and debt expense was \$239,525,000 for the year ended December 31, 2002, compared to \$173,076,000 in the year ended December 31, 2001, an increase of \$66,449,000. This increase was comprised of (i) \$100,013,000 from the acquisition of the remaining 66% of CESCO and the resulting consolidation of its operations, partially offset by (ii) a \$32,035,000 savings from a 202 basis point reduction in weighted average interest rates of the Company's variable rate debt and (iii) lower average outstanding debt balances.

NET (LOSS) GAIN ON DISPOSITION OF WHOLLY-OWNED AND PARTIALLY-OWNED ASSETS OTHER THAN DEPRECIABLE REAL ESTATE

GAIN ON TRANSFER OF MORTGAGES

In the year ended December 31, 2002, the Company recorded a net gain of \$2,096,000 resulting from payments to the Company by third parties that assumed certain of the Company's mortgages. Under these transactions the Company paid to the third parties that assumed the Company's obligations the outstanding amounts due under the mortgages and the third parties paid the Company for the benefit of assuming the mortgages. The Company has been released by the creditors underlying these loans.

GAIN ON SALE OF KINZIE PARK CONDOMINIUM UNITS

The Company recognized a gain of \$2,156,000 during 2002, from the sale of residential condominiums in Chicago, Illinois.

NET GAIN ON SALE OF AIR RIGHTS

The Company recognized a net gain of \$1,688,000 in the year ended December 31, 2002. See Note 3 to the consolidated financial statements in this annual report on form 10-K for further details.

-69-

PRIMESTONE FORECLOSURE AND IMPAIRMENT LOSSES

On September 28, 2000, the Company made a \$62,000,000 loan to Primestone Investment Partners, L.P. ("Primestone"). The Company received a 1% up-front fee and was entitled to receive certain other fees aggregating approximately 3% upon repayment of the loan. The loan bore interest at 16% per annum. Primestone defaulted on the repayment of this loan on October 25, 2001. The loan was subordinate to \$37,957,000 of other debt of the borrower that liened the Company's collateral. On October 31, 2001, the Company purchased the other debt for its face amount. The loans were secured by 7,944,893 partnership units in Prime Group Realty, L.P., the operating partnership of Prime Group Realty Trust (NYSE:PGE) and the partnership units are exchangeable for the same number of common shares of PGE. The loans are also guaranteed by affiliates of Primestone.

On November 19, 2001, the Company sold, pursuant to a participation agreement with a subsidiary of Cadim inc., a Canadian pension fund, a 50% participation in both loans at par for approximately \$50,000,000 reducing the Company's net investment in the loans at December 31, 2001 to \$56,768,000 including unpaid interest and fees of \$6,790,000. The participation did not meet the criteria for "sale accounting" under SFAS 140 because Cadim was not free to pledge or exchange the assets. Accordingly, the Company was required to account for this transaction as a borrowing secured by the loan, rather than as a sale of the loan by classifying the participation as an "Other Liability" and continuing to report the outstanding loan balance at 100% in "Notes and Mortgage Loans Receivable" on the balance sheet. Under the terms of the participation agreement, cash payments received shall be applied (i) first, to the reimbursement of reimbursable out-of-pocket costs and expenses incurred in connection with the servicing, administration or enforcement of the loans after November 19, 2001, and then to interest and fees owed to the Company through November 19, 2001, (ii) second, to the Company and Cadim, pro rata in proportion to the amount of interest and fees owed following November 19, 2001 and (iii) third, 50% to the Company and 50% to Cadim as recovery of principal.

On April 30, 2002, the Company and Cadim acquired the 7,944,893 partnership units at a foreclosure auction. The price paid for the units by application of a portion of Primestone's indebtedness to the Company and Cadim was \$8.35 per unit, the April 30, 2002 closing price of shares of PGE on the New York Stock Exchange. On June 28, 2002, pursuant to the terms of the participation agreement, the Company transferred 3,972,447 of the partnership units to Cadim.

In the second quarter, in accordance with foreclosure accounting, the Company recorded a loss on the Primestone foreclosure of \$17,671,000 calculated based on (i) the acquisition price of the units and (ii) its valuation of the amounts realizable under the guarantees by affiliates of Primestone, as compared with the net carrying amount of the investment at April 30, 2002. In the third quarter of 2002, the Company recorded a \$2,229,000 write-down on its investment based on costs expended to realize the value of the guarantees. Further, in the fourth quarter of 2002, the Company recorded a \$15,857,000 write-down of its investment in Prime Group consisting of (i) \$14,857,000 to adjust the carrying amount of the Prime Group units to \$4.61 per unit, the closing price of PGE shares on the New York Stock Exchange at December 31, 2002 and (ii) \$1,000,000 for estimated costs to realize the value of the guarantees. The Company considered the decline in the value of the units which are

convertible into stock to be other than temporary as of December 31, 2002, based on the fact that the market value of the stock has been less than its cost for more than six months, the severity of the decline, market trends, the financial condition and near-term prospects of Prime Group and other relevant factors.

At December 31, 2002, the Company's carrying amount of the investment was \$23,908,000, of which \$18,313,000 represents the carrying amount of the 3,972,447 partnership units owned by the Company (\$4.61 per unit), \$6,100,000 represents the amount expected to be realized under the guarantees, partially offset by \$1,005,000 representing the Company's share of Prime Group Realty's net loss through September 30, 2002 (see Note 4. Investments in and Advances to Partially-Owned Entities).

At February 3, 2003, the closing price of PGE shares on the New York Stock Exchange was \$5.30 per share. The ultimate realization of the Company's investment will depend upon the future performance of the Chicago real estate market and the performance of PGE, as well as the ultimate realizable value of the net assets supporting the guarantees and the Company's ability to collect under the guarantees. In addition, the Company will continue to monitor this investment to determine whether additional write-downs are required based on (i) declines in value of the shares of PGE (for which the partnership units are exchangeable) which are "other than temporary" as used in accounting literature and (ii) the amount expected to be realized under the guarantees.

CUMULATIVE EFFECT OF CHANGE IN ACCOUNTING PRINCIPLE

Upon the adoption of SFAS No. 142 - Goodwill and Other Intangible Assets, on January 1, 2002, the Company wrote-off all of the goodwill associated with the Hotel Pennsylvania and the Temperature Controlled Logistics businesses aggregating \$30,129,000. This write-off was reflected as a cumulative effect of a change in accounting principle in 2002.

MINORITY INTEREST

Minority interest was \$140,584,000 for the year ended December 31, 2002 compared to \$112,363,000 for the prior year, an increase of \$28,221,000. This increase is primarily due to operating partnership units issued in connection with acquisitions.

ADJUSTED EBITDA

Below are the details of the changes by segment in Adjusted EBITDA.

(\$in thousands)	Total	Office	Retail	Merchandise Mart	Temperature Controlled Logistics	Other

(1) Represents operations which were owned for the same period in each year and excludes non-recurring income and expenses.

(2) Adjusted EBITDA and the same store percentage increase was \$303,368 and 5.0% for the New York City office portfolio and \$269,957 and 4.1% for the CESCO portfolio.

(3) Primarily due to lower occupancy and increases in allowances for bad debt expense as a result of the K-Mart and other bankruptcies and the expiration of the Stop & Shop guarantees of several former Bradlees locations. Average occupancy for the year ended December 31, 2002 was 88.3% (84.0% excluding leases which have not commenced as described in the following sentences) as compared to 92% at December 31, 2001. The 88.3% occupancy rate includes leases for 490,000 square feet at five locations which have not commenced as of December 31, 2002. Three of these locations aggregating 268,000 square feet are ground leased to Lowe's which plans to demolish the existing buildings and construct its own stores at the sites and two locations containing 223,000 square feet are leased to Wal-Mart, which plans to demolish an existing building and construct its own store at one of the sites and occupy the existing store at the other site. All of these redevelopment projects are subject to governmental approvals and in some cases, the relocation of existing tenants.

- (4) Primarily due to the Company's share of losses from the Starwood Ceruzzi venture in 2002 of \$1,416 (before depreciation) from properties placed in service, as compared to a gain of \$1,394 from the sale of one of the venture's assets in 2001. Adjusted EBITDA aggregating \$2,600 from the acquisitions in the fourth quarter of 2002 of a 50% interest in the Monmouth Mall and the remaining 50% interest in the Las Catalinas Mall the Company did not previously own, was offset by lease termination fees and other refunds in the fourth quarter of 2001.
- (5) The net of a \$1,685 or 1.5% same store increase in the core portfolio and a \$3,300 or a 66% decline at the LA Mart as a result of rent reductions and increased marketing expenditures.
- (6) The Company reflects its 60% share of Vornado Crescent Portland Partnership's ("the Landlord") rental income it receives from AmeriCold Logistics, its tenant, which leases the underlying temperature controlled warehouses used in its business. The Company's joint venture does not recognize rental income unless earned and collection is assured or cash is received. The Company did not recognize its \$19,349 share of the rent the joint venture was due for the year ended December 31, 2002. The tenant has advised the Landlord that (i) its revenue for the year ended December 31, 2002 from the warehouses it leases from the Landlord, is lower than last year by .1%, and (ii) its gross profit before rent at these warehouses for the corresponding period decreased by \$614 (a .001% decrease). The decrease in revenue is primarily attributable to a reduction in customer inventory turns, a rate reduction with a significant customer and temporary plant shut-downs. The decrease in gross profit is primarily attributable to higher insurance and workers' compensation. In addition, the tenant's cash requirements for capital expenditures, debt service and a non-recurring pension funding were \$8,293 higher in the current year than in the prior year, which impacted the ability of the tenant to pay rent.
- (7) The decrease in same store operations was primarily due to (i) a \$14,973 reduction in investment income and (ii) a \$9,342 reduction in operating results at the Hotel Pennsylvania, partially offset by (iii) additional development and commitment fees from Alexander's and (iv) income from the Newkirk MLP. The reduction in investment income is primarily due to the reinvestment of the proceeds received from the repayment of the Company's \$75,000 loan to NorthStar Partnership LP. in May 2002 at lower yields (1.5% vs. 22%) and not recognizing income on the Company's foreclosed loan to Primestone and outstanding loan to Vornado Operating. The Hotel Pennsylvania's operating results reflect a reduction in average occupancy and REVPAR to 65% and \$58 for the year ended December 31, 2002, compared to 63% and \$70 for the year ended December 31, 2001.
- (8) Reflects net non-recurring items included in Adjusted EBITDA (see page 65 footnote 2 for details)

- (1) Results primarily from the 14th Street and Union Square property being taken out of service for redevelopment on February 9, 2001 and the sale of the Company's Texas properties on March 2, 2000.
- (2) Results primarily from the termination of the Sports Authority lease at the Hotel Pennsylvania in January 2001.
- (3) Average occupancy and REVPAR for the Hotel Pennsylvania were 63% and \$70 for the year ended December 31, 2001 and 76% and \$87 for the year ended December 31, 2000.
- (4) Reflects a decrease of \$2,514 in property rentals arising from the straight-lining of rent escalations.

See Supplemental Information on page 81 for details of leasing activity.

EXPENSES

The Company's expenses were \$600,626,000 in the year ended December 31, 2001, compared to \$551,101,000 in the prior year, an increase of \$49,525,000. This increase by segment resulted from:

INCOME APPLICABLE TO ALEXANDER'S

Income applicable to Alexander's (loan interest income, management, leasing and development fees, and equity in income) was \$25,718,000 in the year ended December 31, 2001, compared to \$17,363,000 in the prior year, an increase of \$8,355,000. This increase resulted primarily from the Company's share of Alexander's gain on sale of its Fordham Road property on January 12, 2001.

INCOME FROM PARTIALLY-OWNED ENTITIES

In accordance with generally accepted accounting principles, the Company

reflects the income it receives from (i) entities it owns less than 50% of and (ii) entities it owns more than 50% of, but which have a partner who has shared board and management representation and authority and substantive participating rights on all significant business decisions, on the equity method of accounting resulting in such income appearing on one line in the Company's consolidated statements of income. Below is the detail of income from partially-owned entities by investment as well as the increase (decrease) in income from partially-owned entities for the year ended December 31, 2001 as compared to the prior year:

INTEREST AND OTHER INVESTMENT INCOME

Interest and other investment income (interest income on mortgage loans receivable, other interest income, dividend income and net gains on marketable securities) was \$54,385,000 for the year ended December 31, 2001, compared to \$33,798,000 in the prior year, an increase of \$20,587,000. This increase resulted primarily from the acquisition of NorthStar subordinated unsecured debt (22% effective rate) on September 19, 2000 and a loan to Primestone Investment Partners, L.P. on September 28, 2000 (20% effective rate).

On September 28, 2000, the Company made a \$62,000,000 loan to Primestone Investment Partners, L.P. The Company received a 1% upfront fee and is entitled to receive certain other fees aggregating approximately 3% upon repayment of the loan. The loan bears interest at 16% per annum. Primestone Investment Partners, L.P. defaulted on the repayment of this loan on October 25, 2001. The Company's loan was subordinate to \$37,957,000 of other debt of the borrower that liened the Company's collateral. On October 31, 2001, the Company purchased the other debt for its face amount. The loans are secured by 7,944,893 partnership units in Prime Group Realty, L.P., the operating partnership of Prime Group Realty Trust (NYSE:PGE), which units are exchangeable for the same number of shares of PGE. The loans are also guaranteed by affiliates of the borrower. The Company has commenced foreclosure proceedings with respect to the collateral.

On November 19, 2001 the Company sold, pursuant to a participation agreement with a subsidiary of Cadim inc., a Canadian pension fund, a 50% participation in both loans at par for approximately \$50,000,000 reducing the Company's net investment in the loans at December 31, 2001 to \$56,768,000 including unpaid interest and fees of \$6,790,000. Under the terms of the participation agreement, cash payments received shall be applied (i) first, to the reimbursement of reimbursable out-of-pocket costs and expenses incurred in connection with the servicing, administration or enforcement of the loans after November 19, 2001, (ii) second, to the Company and Cadim pro rata in proportion to the amount of interest and fees owed to them (all of such fees and interest accrued through November 19, 2001 are for the account of Vornado and all of such fees and interest accrued after November 19, 2001 accrue on a 50/50 basis to the Company and Cadim) and (iii) third, 50% to the Company and 50% to Cadim. The Company has agreed that in the event the Company acquires the collateral in a foreclosure proceeding it will, upon the request of Cadim, deliver 50% of such collateral to Cadim.

For financial reporting at December 31, 2002, purposes, the gross amount of the loan, \$106,768,000, is included in "Notes and mortgage loans receivable" and Cadim's 50% participation, \$50,000,000, is reflected in "Other liabilities". The Company did not recognize income on these loans for the period from November 19, 2001 through December 31, 2001, and will not recognize income until such time that cash is received or foreclosure proceedings have been consummated.

Included in interest and other investment income for the year ended December 31, 2001, is \$2,422,000 of interest income from the \$31,424,000 note receivable the Company has from Vornado Operating. Vornado Operating has only one significant asset, its investment in AmeriCold Logistics and does not generate positive cash flow sufficient to cover all of its expenses. Accordingly, commencing January 1, 2002, the Company will no longer recognize the interest income due on the \$31,424,000 loan until Vornado Operating is cash flow positive in an amount sufficient to fund the interest due to the Company.

INTEREST AND DEBT EXPENSE

Interest and debt expense was \$173,076,000 for the year ended December 31, 2001, compared to \$180,505,000 in the prior year, a decrease of \$7,429,000. This decrease resulted primarily from a \$36,270,000 savings from a 289 basis point reduction in weighted average interest rate on variable rate debt partially offset by interest on higher average outstanding loan balances. Interest and debt expense includes amortization of debt issuance costs of \$8,458,000 and \$8,423,000 for the years ended December 31, 2001 and 2000.

=====

WRITE-OFF INVESTMENTS IN TECHNOLOGY COMPANIES

In the first quarter of 2001, the Company recorded a charge of \$4,723,000 resulting from the write-off of an equity investment in a technology company. In the second quarter of 2001, the Company recorded an additional charge of \$13,561,000 resulting from the write-off of all of its remaining equity investments in technology companies due to both the deterioration of the financial condition of these companies and the lack of acceptance by the market of certain of their products and services. In the fourth quarter of 2001, the Company recorded \$1,481,000 of income resulting from the reversal of a deferred rent liability relating to the termination of an agreement permitting one of the technology companies access to its properties.

AFTER-TAX NET GAIN ON SALE OF PARK LAUREL CONDOMINIUM UNITS

In the third and fourth quarters of 2001, the Park Laurel Joint Venture (69% interest owned by the Company) completed the sale of 52 condominium units of the total 53 units and received proceeds of \$139,548,000. The Company's share of the after tax net gain was \$15,657,000 and is after a charge of \$3,953,000 (net of tax benefit of \$1,826,000) for awards accrued under the venture's incentive compensation plan.

WRITE-OFF OF NET INVESTMENT IN RTR

In the third quarter of 2001, the Company wrote-off its entire net investment of \$7,374,000 in RTR based on the operating losses and an assessment of the value of the real estate.

GAINS ON SALE OF REAL ESTATE

In September 1998, Atlantic City condemned the Company's property. In the third quarter of 1998, the Company recorded a gain of \$1,694,000, which reflected the condemnation award of \$3,100,000, net of the carrying value of the property of \$1,406,000. The Company appealed the amount and on June 27, 2001, was awarded an additional \$3,050,000, which has been recorded as a gain in the quarter ended June 30, 2001.

On August 6, 2001, the Company sold its leasehold interest in 550/600 Mamaroneck Avenue for \$22,500,000, which approximated its net book value.

On May 17, 2001, the Company sold its 50% interest in 570 Lexington Avenue for \$60,000,000, resulting in a gain of \$12,445,000.

During 2000, the Company sold (i) its three shopping centers located

in Texas for \$25,750,000, resulting in a gain of \$2,560,000 and (ii) its Westport, Connecticut office property for \$24,000,000, resulting in a gain of \$8,405,000.

OTHER

The Company recorded the cumulative effect of a change in accounting principle of \$4,110,000 in the first quarter of 2001. The Company had previously marked-to-market changes in the value of stock purchase warrants through accumulated other comprehensive loss. Under SFAS No. 133, Accounting for Derivative Instruments and Hedging Activities, as amended, those changes are recognized through earnings, and accordingly, the Company has reclassified \$4,110,000 from accumulated other comprehensive loss to the consolidated statement of income as of January 1, 2001. Future changes in value of such securities will be recorded through earnings.

Minority interest was \$112,363,000 for the year ended December 31, 2001, compared to \$102,374,000 for the prior year, an increase of \$9,989,000. This increase is primarily due to an increase in perpetual preferred units distributions for units issued in 2000 and 2001.

(2) Adjusted EBITDA and the same store percentage increase was \$295,222 and 13.7% for the New York City office portfolio and \$84,943 and 3.6% for the CESC portfolio.

(3) The tenant has reported that (i) its revenue for the year ended December 31, 2001 from the warehouses it leases from the Landlord, is lower than last year by 4.2% and (ii) its gross profit before rent at these warehouses for the corresponding period is lower than last year by \$26,764 (a 14.4% decline). This decrease is attributable to a reduction in total customer inventory stored at the warehouses and customer inventory turns.

Based on the Landlord's policy of recognizing rental income when earned and collection is assured or cash is received, the Company did not recognize \$15,281 and \$8,606 of the rent it was due in the years ended December 31, 2001 and 2000. On December 31, 2001 the Landlord released the tenant from its obligation to pay \$39,812 of deferred rent of which the Company's share was \$23,887. This amount equals the rent which was not recognized as income by the Company and accordingly had no profit and loss effect to the Company.

(4) Included in "Other" is \$2,422 of interest income from the \$31,424 note receivable the Company has from Vornado Operating. Vornado Operating has only one significant asset, its investment in AmeriCold Logistics and does not generate positive cash flow sufficient to cover all of its expenses. Accordingly, commencing January 1, 2002, the Company no longer recognizes interest income due on the \$31,424 loan until Vornado Operating is cash flow positive in an amount sufficient to fund the interest due to the Company.

(1) Adjusted EBITDA represents EBITDA adjusted for gains or losses on sales of depreciable real estate, the effect of straight-lining of rent escalations, amortization of acquired below market leases net of above market leases and minority interest. Management considers Adjusted EBITDA a supplemental measure for making decisions and assessing the performance of its segments. Adjusted EBITDA is presented as a measure of "operating performance" which enables the reader to identify trends from period to period and may be used to compare "same store" operating performance to other companies, as well as providing a measure for determining funds available to service debt. Adjusted EBITDA may not be comparable to similarly titled measures employed by other companies.

(2) Adjusted EBITDA - Other is comprised of:

- Represents operations, which were owned for the same period in each year.
 - Adjusted EBITDA and same store percentage increase was \$75,303 and 3.8% for the New York City office portfolio and \$69,396 and 3.6% for the CESCO portfolio.
 - Primarily due to lower occupancy and increases in allowances for bad debt expense as a result of the K-Mart and other bankruptcies and the expiration of the Stop & Shop guarantees of several former Bradlees locations. Average occupancy for the quarter ended December 31, 2002 was 86%, (82% excluding leases which have not commenced) as compared to 92% at December 31, 2001.
 - Primarily due to Adjusted EBITDA aggregating \$2,600 from the acquisitions in the fourth quarter of 2002 of a 50% interest in the Monmouth Mall and the remaining 50% interest in the Las Catalinas Mall the Company did not previously own, offset by lease termination fees and other refunds in the fourth quarter of 2001.
 - Primarily due to rescheduling of two trade shows from the fourth quarter of 2002 to the first quarter of 2003.
 - Primarily due to the reinvestment of the proceeds received from the repayment of the Company's \$75,000 loan to NorthStar Partnership L.P. in May 2002 at lower yields and from not recognizing income on the Company's foreclosed loan to Primestone and loan to Vornado Operating.
 - Reflects net non-recurring items included in Adjusted EBITDA.

In comparing the financial results of the Company's segments on a quarterly basis, the following should be noted:

- The third quarter financial results of the Office and Merchandise Mart segments have historically been impacted by higher net utility costs than in each other quarter of the year;
- The fourth quarter financial results of the Retail segment have historically been higher than the first three quarters due to the recognition of percentage rental income in that quarter; and
- The second and fourth quarter financial results of the Merchandise Mart segment have historically been higher than the first and third quarters due to major trade shows occurring in those quarters.

- (1) Most leases include periodic step-ups in rent, which are not reflected in the initial rent per square foot leased.
- (2) Ground leases.

In addition to the above, 48,000 square feet of retail space included in the NYC office properties was leased at an initial rent of \$112.01 per square foot for the year ended December 31, 2002. Further, the Company leased 140,000 square feet of garage space at a weighted average initial rent per square foot of \$19.02.

RELATED PARTIES

LOAN AND COMPENSATION AGREEMENTS

At December 31, 2002, the loan due from Mr. Roth, in accordance with his employment arrangement, was \$13,122,500 (\$4,704,500 of which is shown as a reduction in shareholders' equity). The loan bears interest at 4.49 % per annum (based on the applicable Federal rate) and matures in January 2006. The Company also provided Mr. Roth with the right to draw up to \$15,000,000 of additional loans on a revolving basis. Each additional loan will bear interest, payable quarterly, at the applicable Federal rate on the date the loan is made and will mature on the sixth anniversary of the loan.

On May 29, 2002, Mr. Roth replaced common shares of the Company securing the Company's outstanding loan to Mr. Roth with options to purchase common shares of the Company with a value of not less than two times the loan amount. As a result of the decline in the value of the options, Mr. Roth supplemented the collateral with cash and marketable securities.

At December 31, 2002, loans due from Mr. Fascitelli, in accordance with his employment agreement, aggregated \$8,600,000. The loans, which were scheduled to mature in 2003, have been extended to 2006 in connection with the extension of Mr. Fascitelli's employment agreement (discussed below) and bear interest, payable quarterly at a weighted average interest rate of 3.97% (based on the applicable Federal rate).

Pursuant to his 1996 employment agreement, Mr. Fascitelli became entitled to a deferred payment consisting of \$5 million in cash and a convertible obligation payable November 30, 2001, at the Company's option, in either 919,540 Company common shares or the cash equivalent of their appreciated value, so long as such appreciated value is not less than \$20 million. The Company delivered 919,540 shares to a rabbi trust upon execution of the 1996 employment agreement. The Company accounted for the stock compensation as a variable arrangement in accordance with Plan B of EITF No. 97-14 "Accounting for Deferred Compensation

Arrangements Where Amounts Earned Are Held in a Rabbi Trust and Invested" as the agreement permitted settlement in either cash or common shares. Following the guidance in EITF 97-14, the Company recorded changes in fair value of its compensation obligation with a corresponding increase in the liability "Officer's Deferred Compensation". Effective as of June 7, 2001, the payment date was deferred until November 30, 2004. Effective as of December 14, 2001, the payment to Mr. Fascitelli was converted into an obligation to deliver a fixed number of shares (919,540 shares), establishing a measurement date for the Company's stock compensation obligation, accordingly the Company ceased accounting for the Rabbi Trust under Plan B of the EITF and began Plan A accounting. Under Plan A, the accumulated liability representing the value of the shares on December 14, 2001, was reclassified as a component of Shareholders' Equity as "Deferred compensation shares earned but not yet delivered." In addition, future changes in the value of the shares are no longer recognized as additional compensation expense. The fair value of this obligation was \$34,207,000 at December 31, 2002. The Company has reflected this liability as Deferred Compensation Shares Not Yet Delivered in the Shareholders' Equity section of the balance sheet. For the years ended December 31, 2001 and 2000, the Company recognized approximately \$4,744,000 and \$3,733,000 of compensation expense of which \$2,612,000 and \$1,968,000 represented the appreciation in value of the shares in each period and \$2,132,000 and \$1,765,000 represented dividends paid on the shares.

Effective January 1, 2002, the Company extended its employment agreement with Mr. Fascitelli for a five-year period through December 31, 2006. Pursuant to the extended employment agreement, Mr. Fascitelli is entitled to receive a deferred payment on December 31, 2006 of 626,566 Vornado common shares which are valued for compensation purposes at \$27,500,000 (the value of the shares on March 8, 2002, the date the extended employment agreement was executed). The shares are held in a rabbi trust for the benefit of Mr. Fascitelli and vested 100% on December 31, 2002. The extended employment agreement does not permit diversification, allows settlement of the deferred compensation obligation by delivery of these shares only, and permits the deferred delivery of these shares. The value of these shares was amortized ratably over the one year vesting period as compensation expense.

Pursuant to the Company's annual compensation review in February 2002 with Joseph Macnow, the Company's Chief Financial Officer, the Compensation Committee approved a \$2,000,000 loan to Mr. Macnow, bearing interest at the applicable federal rate of 4.65% per annum and due January 1, 2006. The loan, which was funded on July 23, 2002, was made in conjunction with Mr. Macnow's June 2002 exercise of options to purchase 225,000 shares of the Company's common stock. The loan is collateralized by assets with a value of not less than two times the loan amount. As a result of the decline in the value of the options, Mr. Macnow supplemented the collateral with cash and marketable securities.

One other executive officer of the Company has a loan outstanding pursuant to an employment agreement totaling \$1,500,000 at December 31, 2002. The loan matures in April 2005 and bears interest at the applicable Federal rate provided (4.5% at December 31, 2002).

TRANSACTIONS WITH AFFILIATES AND OFFICERS AND TRUSTEES OF THE COMPANY

Alexander's

The Company owns 33.1% of Alexander's. Mr. Roth and Mr. Fascitelli are Officers and Directors of Alexander's, the Company provides various services to Alexander's in accordance with management, development and leasing agreements and the Company has made loans to Alexander's aggregating \$119,000,000 at December 31, 2002. These agreements and the loans are described in Note 4 to the Company's consolidated financial statements - Investments in Partially-Owned Entities in this annual report on form 10-K.

The Company constructed a \$16.3 million community facility and low-income residential housing development (the "30th Street Venture"), in order to receive 163,728 square feet of transferable development rights, generally referred to as "air rights". The Company donated the building to a charitable organization. The Company sold 106,796 square feet of these air rights to third parties at an average price of \$120 per square foot. An additional 28,821 square feet of air rights was sold to Alexander's at a price of \$120 per square foot for use at Alexander's 59th Street development project (the "59th Street Project"). In each case, the Company received cash in exchange for air rights. The Company identified third party buyers for the remaining 28,111 square feet of air rights related to the 30th Street Venture. These third party buyers wanted to use the air rights for the development of two projects located in the general area of 86th Street which was not within the required geographical radius of the construction site nor in the same Community Board as the low-income housing and community facility project. The 30th Street Venture asked Alexander's to sell 28,111 square feet of the air rights it already owned to the third party buyers (who could use them) and the 30th Street Venture would replace them with 28,111 square feet of air rights. In October 2002, the Company sold 28,111 square feet of air rights to Alexander's for an aggregate sales price of \$3,059,000 (an average of \$109 per square foot). Alexander's then sold an equal amount of air rights

to the third party buyers for an aggregate sales price of \$3,339,000 (an average of \$119 per square foot).

Interstate Properties

The Company manages and leases the real estate assets of Interstate Properties pursuant to a management agreement for which the Company receives an annual fee equal to 4% of base rent and percentage rent and certain other commissions. The management agreement has a term of one year and is automatically renewable unless terminated by either of the parties on sixty days' notice at the end of the term. Although the management agreement was not negotiated at arms length, the Company believes based upon comparable fees charged by other real estate companies that its terms are fair to the Company. For the years ended December 31, 2002, 2001 and 2000, \$1,450,000, \$1,655,000, and \$1,418,000 of management fees were earned by the Company pursuant to the management agreement.

Building Maintenance Service Company ("BMS")

On January 1, 2003, the Company acquired BMS, a company which provides cleaning and related services primarily to the Company's Manhattan office properties, for \$13,000,000 in cash from the estate of Bernard Mendik and certain other individuals including Mr. Greenbaum, one of the Company's executive officers. The Company paid BMS \$53,024,000, \$51,280,000, and \$47,493,000 for the years ended December 31, 2002, 2001 and 2000 for services rendered at the Company's Manhattan office properties. Although the terms and conditions of the contracts pursuant to which these services were provided were not negotiated at arms length, the Company believes based upon comparable amounts charged to other real estate companies that the terms and conditions of the contracts were fair to the Company.

Vornado Operating Company and AmeriCold Logistics

In October 1998, Vornado Operating was spun off from the Company in order to own assets that the Company could not itself own and conduct activities that the Company could not itself conduct. The Company granted Vornado Operating a \$75,000,000 unsecured revolving credit facility which expires on December 31, 2004. Borrowings under the revolving credit facility bear interest at LIBOR plus 3%. The Company receives a commitment fee equal to 1% per annum on the average daily unused portion of the facility. No amortization is required to be paid under the revolving credit facility during its term. The revolving credit facility prohibits Vornado Operating from incurring indebtedness to third parties (other than certain purchase money debt and certain other exceptions) and prohibits Vornado Operating from paying dividends. As of December 31, 2002, \$21,989,000 was outstanding under the revolving credit facility.

-84-

Vornado Operating has disclosed that in the aggregate its investments do not, and for the foreseeable future are not expected to, generate sufficient cash flow to pay all of its debts and expenses. Further, Vornado Operating states that its only investee, AmeriCold Logistics ("Tenant"), anticipates that its Landlord, a partnership 60% owned by the Company and 40% owned by Crescent Real Estate Equities, will need to restructure the leases between the Landlord and the Tenant to provide additional cash flow to the Tenant (the Landlord has previously restructured the leases to provide additional cash flow to the Tenant). Management anticipates a further lease restructuring and the sale and/or financing of assets by AmeriCold Logistics, and accordingly, Vornado Operating is expected to have a source to repay the debt under this facility, which may be extended. Since January 1, 2002, the Company has not recognized interest income on the debt under this facility.

On December 31, 2002, the Company and Crescent Real Estate Equities formed a joint venture to acquire the Carthage, Missouri and Kansas City, Kansas quarries from AmeriCold Logistics, the Company's tenant at the cold storage warehouses (Temperature Controlled Logistics), for \$20,000,000 in cash (appraised value). The Company contributed cash of \$8,800,000 to the joint venture representing its 44% interest. AmeriCold Logistics used the proceeds from the sale to repay a portion of a loan to Vornado Operating. Vornado Operating then repaid \$9,500,000 of the amount outstanding under the Company's revolving credit facility. On December 31, 2002, the joint venture purchased \$5,720,000 of trade receivables from AmeriCold at a 2% discount, of which the Company's share was \$2,464,000.

Other

The Company owns preferred securities in Capital Trust, Inc. ("Capital Trust") totaling \$29,212,000 at December 31, 2002. Mr. Roth, the Chairman and Chief Executive Officer of Vornado Realty Trust, is a member of the Board of Directors of Capital Trust nominated by the Company.

On May 17, 2001, the Company sold its 50% interest in 570 Lexington Avenue to the other venture partner, an entity controlled by the late Bernard Mendik, a former trustee and executive officer of the Company, for \$60,000,000, resulting in a gain to the Company of \$12,445,000. The sale was initiated by the Company's partner and was based on a competitive bidding process handled by an independent broker. The Company believes that the terms of the sale was at arm's length and

were fair to the Company.

During 2002 and 2001, the Company paid approximately \$147,000 and \$136,000 for legal services to a firm in which one of the Company's trustees is a member.

On January 1, 2001, the Company acquired the common stock of various preferred stock affiliates which was owned by Officers and Trustees of the Company and converted the affiliates to taxable REIT subsidiaries. The total acquisition price was \$5,155,000. The purchase price, which was the estimated fair value, was determined by both independent appraisal and by reference to the individuals' pro rata share of the earnings of the preferred stock affiliates during the three-year period that these investments were held.

Capital expenditures are categorized as follows:

Recurring -- capital improvements expended to maintain a property's competitive position within the market and tenant improvements and leasing commissions for costs to re-lease expiring leases or renew or extend existing leases.

Non-recurring -- capital improvements completed in the year of acquisition and the following two years which were planned at the time of acquisition and tenant improvements and leasing commissions for space which was vacant at the time of acquisition of a property.

Development and redevelopment expenditures include all hard and soft costs associated with the development or redevelopment of a property, including tenant improvements, leasing commissions and capitalized interest and operating costs until the property is substantially complete and ready for its intended use.

ACQUISITIONS

Acquisitions of individual properties are recorded as acquisitions of real estate assets. Acquisitions of businesses are accounted for under the purchase method of accounting. The purchase price for property acquisitions and businesses acquired is allocated to acquired assets and assumed liabilities using their relative fair values as of the acquisition date based on valuations and other studies. Initial valuations are subject to change until such information is finalized no later than 12 months from the acquisition date.

CHARLES E. SMITH COMMERCIAL REALTY L.P.

On January 1, 2002, the Company completed the combination of Charles E. Smith Commercial Realty L.P. ("CESCR") with Vornado. Prior to the combination, Vornado owned a 34% interest in CESCR. The consideration for the remaining 66% of CESCR was approximately \$1,600,000,000, consisting of 15.6 million newly issued Vornado Operating Partnership units and approximately \$1 billion of debt (66% of CESCR's total debt). The purchase price paid by the Company was determined based on the weighted average closing price of the equity issued to CESCR unitholders for the period beginning two business days before and ending two business days after the date the acquisition was agreed to and announced on October 19, 2001. The Company also capitalized as part of the basis of the assets acquired approximately \$32,000,000 for third party acquisition related costs, including advisory, legal and other professional fees that were contemplated at the time of the acquisition. The operations of CESCR are consolidated into the accounts of the Company beginning January 1, 2002. Prior to this date the Company accounted for its 34% interest on the equity method. See page 84 for unaudited pro forma financial information for the year ended December 31, 2001.

CRYSTAL GATEWAY ONE

On July 1, 2002, the Company acquired a 360,000 square foot office building from a limited partnership, which is approximately 50% owned by Mr. Robert H. Smith and Mr. Robert P. Kogod and members of the Smith and Kogod families, trustees of the Company, in exchange for approximately 325,700 newly issued Vornado Operating Partnership units (valued at \$13,679,000) and the assumption of \$58,500,000 of debt. The building is located in the Crystal City complex in Arlington, Virginia where the Company already owns 24 office buildings containing over 6.9 million square feet, which it acquired on January 1, 2002, in connection with the Company's acquisition of CESCR. The operations of Crystal Gateway One are consolidated into the accounts of the Company from the date of acquisition.

BUILDING MAINTENANCE SERVICE COMPANY ("BMS")

On January 1, 2003, the Company acquired BMS, a company which provides cleaning and related services primarily to the Company's Manhattan office properties, for \$13,000,000 in cash from the estate of Bernard Mendik and certain other individuals including Mr. Greenbaum, one of the Company's executive officers.

LAS CATALINAS MALL

On September 23, 2002, the Company increased its interest in the Las Catalinas Mall located in Caguas, Puerto Rico (San Juan area) to 100% by acquiring the 50% of the mall and 25% of the Kmart anchor store it did not already own. The purchase price was \$48,000,000, including \$32,000,000 of indebtedness. The Las Catalinas Mall, which opened in 1997, contains 492,000 square feet, including a 123,000 square foot Kmart and a 138,000 square foot Sears owned by the tenant.

-87-

MONMOUTH MALL

On October 10, 2002, a joint venture in which the Company has a 50% interest, acquired the Monmouth Mall, an enclosed super regional shopping center located in Eatontown, New Jersey containing approximately 1.5 million square feet, including four department stores, three of which aggregating 731,000 square feet are owned by the tenants. The purchase price was approximately \$164,700,000, including transaction costs of \$4,400,000. The Company made a \$7,000,000 common equity investment in the venture and provided it with \$23,500,000 of preferred equity yielding 14%. The venture financed the purchase of the Mall with \$135,000,000 of floating rate debt at LIBOR plus 2.05%, with a LIBOR floor of 2.50% on \$35,000,000, a three year term and two one-year extension options. The Company's investment in the Monmouth will be accounted for under the equity method as the Company does not have unilateral control over the joint venture.

CARTHAGE, MISSOURI AND KANSAS CITY, KANSAS QUARRIES

On December 31, 2002, the Company and Crescent Real Estate Equities formed a joint venture to acquire the Carthage, Missouri and Kansas City, Kansas quarries from AmeriCold Logistics', the Company's tenant at the cold storage warehouses (Temperature Controlled Logistics) for \$20,000,000 in cash (appraised value). The Company contributed cash of \$8,800,000 to the joint venture representing its 44% interest.

The Company's future success will be affected by its ability to integrate the assets and businesses it acquires and to effectively manage those assets and businesses. The Company currently expects to continue to grow. However, its ability to do so will be dependent on a number of factors, including, among others, (a) the availability of reasonably priced assets that meet the Company's acquisition criteria and (b) the price of the Company's common shares, the rates at which the Company is able to borrow money and, more generally, the availability of financing on terms that, in the Company's view, make such acquisitions financially attractive.

Funds from operations does not represent cash generated from operating activities in accordance with accounting principles generally accepted in the United States of America and is not necessarily indicative of cash available to fund cash needs which is disclosed in the Consolidated Statements of Cash Flows for the applicable periods. There are no material legal or functional restrictions on the use of funds from operations. Funds from operations should not be considered as an alternative to net income as an indicator of the Company's operating performance or as an alternative to cash flows as a measure of liquidity. Management considers funds from operations a supplemental measure of operating performance and along with cash flow from operating activities, financing activities and investing activities, it provides investors with an indication of the ability of the Company to incur and service debt, to make capital expenditures and to fund other cash needs. Funds from operations may not be comparable to similarly titled measures reported by other REITs since a number of REITs, including the Company, calculate funds from operations in a manner different from that used by NAREIT. Funds from operations, as defined by NAREIT, represents net income applicable to common shares before depreciation and amortization, extraordinary items and gains or losses on sales of real estate. Funds from operations as disclosed above has been modified from this definition to adjust primarily for the (i) effect of straight-lining of property rentals for rent escalations and leasing fee income and (ii) the exclusion of income arising from the amortization of acquired below market leases, net of above market leases.

(1) Certain items which affect comparability included in funds from operations above are as follows:

- (1) Represents the Company's 60% share of the Vornado Crescent Portland Partnership's obligation to fund \$9,500 of capital expenditures per annum.
- (2) Primarily for the Hotel Pennsylvania.

In addition to the capital expenditures reflected above, the Company is currently engaged in certain development and redevelopment projects for which it has budgeted approximately \$230.9 million to be expended as outlined in the "Development and Redevelopment Projects" section of Item 1--Business. The \$230.9 million does not include amounts for other projects which are also included in the "Development and Redevelopment Projects" section of Item 1 -Business, as no budgets for them have been finalized. There can be no assurance that any of the above projects will be ultimately completed, completed on time or completed for the budgeted amount.

No cash requirements have been budgeted for the capital expenditures and amortization of debt of Alexander's, The Newkirk MLP, or any other entity that is partially owned by the Company. These investees are expected to fund their own cash requirements.

-
- (1) Includes \$153,659, which is offset by an equivalent amount of cash held in a restricted mortgage escrow amount.

The Company is reviewing various alternatives for the repayment or refinancing of debt coming due during 2003. The Company has \$1 billion available under its revolving credit facility which matures in July 2003 and a number of properties which are unencumbered.

The Company's credit facility contains customary conditions precedent to borrowing such as the bring down of customary representations and warranties as well as compliance with financial covenants such as minimum interest coverage and maximum debt to market capitalization. The facility provides for higher interest rates in the event of a decline in the Company's ratings below Baa3/BBB. This facility also contains customary events of default which could give rise to acceleration and include such items as failure to pay interest or

principal and breaches of financial covenants such as maintenance of minimum capitalization and minimum interest coverage.

The Company carries comprehensive liability and all risk property insurance (fire, flood, extended coverage and rental loss insurance) with respect to its assets. The Company's all risk insurance policies in effect before September 11, 2001 do not expressly exclude coverage for hostile acts, except for acts of war. Since September 11, 2001, insurance companies have for the most part excluded terrorist acts from coverage in all risk policies. The Company has generally been unable to obtain all risk insurance which includes coverage for terrorist acts for policies it has renewed since September 11, 2001, for each of its businesses. In 2002, the Company obtained \$200,000,000 of separate coverage for terrorist acts for each of its New York City Office, Washington, D.C. Office, Retail and Merchandise Mart businesses and \$60,000,000 for its Temperature Controlled Logistics business. Therefore, the Company is at risk for financial loss in excess of these limits for terrorist acts (as defined), which loss could be material.

The Company's debt instruments, consisting of mortgage loans secured by its properties (which are generally non-recourse to the Company), its senior unsecured notes due 2007 and its revolving credit agreement, contain customary covenants requiring the Company to maintain insurance. There can be no assurance that the lenders under these instruments will not take the position that an exclusion from all risk insurance coverage for losses due to terrorist acts is a breach of these debt instruments that allows the lenders to declare an event of default and accelerate repayment of debt. The Company has received correspondence from four lenders regarding terrorism insurance coverage, which the Company has responded to. In these letters the lenders took the position that under the agreements governing the loans provided by these lenders the Company was required to maintain terrorism insurance on the properties securing the various loans. The aggregate amount of borrowings under these loans as of December 31, 2002 was approximately \$770.4 million, and there was no additional borrowing capacity. Subsequently, the Company obtained an aggregate of \$360 million of separate coverage for "terrorist acts". To date, one of the lenders has acknowledged to the Company that it will not raise any further questions based on the Company's terrorism insurance coverage in place, and the other three lenders have not raised any further questions regarding the Company's insurance coverage. If lenders insist on greater coverage for these risks, it could adversely affect the Company's ability to finance and/or refinance its properties and to expand its portfolio.

-94-

On November 26, 2002, the Terrorism Risk Insurance Act of 2002 was signed into law. Under this new legislation, through 2004 (with a possible extension through 2005), regulated insurers must offer coverage in their commercial property and casualty policies (including existing policies) for losses resulting from defined "acts of terrorism". The Company cannot currently anticipate whether the scope and cost of such coverage will be commercially reasonable. As a result of the legislation, in February 2003 the Company obtained \$300 million of per occurrence coverage for terrorist acts for its New York City Office, Washington, D.C. Office and Merchandise Mart businesses, of which \$240 million is for Certified Acts, as defined in the legislation. The Company maintains \$200 million and \$60 million of separate aggregate coverage that it had in 2002 for each of its Retail and Temperature Controlled Logistics businesses (which has been renewed as of January 1, 2003). The Company's current Retail property insurance carrier has advised the Company that there will be an additional premium of approximately \$11,000 per month through the end of the policy term (June 30, 2003) for "Acts of Terrorism" coverage, as defined in the new legislation and that the situation may change upon renewal.

In addition, many of the Company's non-recourse mortgages contain debt service covenants which if not satisfied could require cash collateral. These covenants are not "ratings" related.

In conjunction with the closing of Alexander's Lexington Avenue construction loan on July 3, 2002, the Company agreed to guarantee, among other things, the lien free, timely completion of the construction of the project and funding of all project costs in excess of a stated budget, as defined in the loan agreement, if not funded by Alexander's.

CORPORATE

On June 24, 2002, the Company completed an offering of \$500,000,000 aggregate principal amount of 5.625% senior unsecured notes due June 15, 2007. Interest on the notes is payable semi-annually on June 15th and December 15th, commencing December 15, 2002. The net proceeds of approximately \$496,300,000 were used to repay the mortgages on 350 North Orleans, Two Park Avenue, the Merchandise Mart and Seven Skyline. On June 27, 2002, the Company entered into interest rate swaps that effectively converted the interest rate on the \$500,000,000 senior unsecured notes due 2007 from a fixed rate of 5.625% to a floating rate of LIBOR plus .7725%, based upon the trailing 3 month LIBOR rate (2.5% if set on December 31, 2002).

On February 25, 2002, the Company sold 884,543 common shares to a closed-end fund and 514,200 shares to a unit investment trust based on the closing price of \$42.96 on the NYSE. The net proceeds to the Company were

approximately \$57,042,000.

The Company has an effective shelf registration under which the Company can offer an aggregate of approximately \$895,479,000 of equity securities and Vornado Realty L.P. can offer an aggregate of \$500,720,000 of debt securities.

The Company anticipates that cash from continuing operations will be adequate to fund business operations and the payment of dividends and distributions on an on-going basis for more than the next twelve months; however, capital outlays for significant acquisitions will require funding from borrowings or equity offerings.

RECENTLY ISSUED ACCOUNTING STANDARDS

SFAS NO. 141 - BUSINESS COMBINATIONS

SFAS No. 141 - BUSINESS COMBINATIONS requires companies to account for the value of leases acquired and the costs of acquiring such leases separately from the value of the real estate for all acquisitions subsequent to July 1, 2001. Accordingly, the Company has evaluated the leases in place for (i) the remaining 66% of CESCR it did not previously own which it acquired on January 1, 2002, (ii) the remaining 50% of the Las Catalinas Mall it did not previously own which it acquired on September 23, 2002 and (iii) a 50% interest in the Monmouth Mall which it acquired on October 10, 2002; to determine whether they were acquired at market, above market or below market. The Company's evaluations were based on (i) the differences between contractual rentals and the estimated market rents over the applicable lease term discounted back to the date of acquisition utilizing a discount rate adjusted for the credit risk associated with the respective tenants and (ii) the estimated cost of acquiring such leases giving effect to the Company's history of providing tenant improvements and paying leasing commissions.

As a result of its evaluations, as of December 31, 2002, the Company has recorded a deferred credit of \$48,430,000 representing the value of acquired below market leases, deferred charges of \$15,976,000 for the value of acquired above market leases and \$3,621,000 for origination costs. In addition, in the year ended December 31, 2002 the Company has recognized property rentals of \$12,634,000 for the amortization of below market leases net of above market leases, and depreciation expense of \$1,214,000 for the amortization of the lease origination costs and additional building depreciation resulting from the reallocation of the purchase price of the applicable properties.

SFAS NO. 142 - GOODWILL AND OTHER INTANGIBLE ASSETS

In June 2001, the Financial Accounting Standards Board ("FASB") issued Statement of Financial Accounting Standards ("SFAS") No. 142, GOODWILL AND OTHER INTANGIBLE ASSETS (effective January 1, 2002). SFAS No. 142 specifies that goodwill and some intangible assets will no longer be amortized but instead be subject to periodic impairment testing. SFAS No. 142 provides specific guidance for impairment testing of these assets and removes them from the scope of SFAS No. 121, ACCOUNTING FOR THE IMPAIRMENT OF LONG-LIVED ASSETS. The Company's goodwill balance on December 31, 2001 of \$30,129,000 consisted of \$14,639,000 related to the Hotel Pennsylvania acquisition and \$15,490,000 related to the acquisition of the Temperature Controlled Logistics businesses.

Prior to January 1, 2002, the Company performed impairment testing in accordance with SFAS 121. The Company reviewed for impairment whenever events or changes in circumstances indicated that the carrying amount of an asset may not be recoverable. Given the decrease in the estimated market values and the deteriorating performance of Hotel Pennsylvania and Temperature Controlled Logistics, the Company performed a review for recoverability estimating the future cash flows expected to result from the use of the assets and their eventual disposition. As of December 31, 2001, the sum of the expected cash flows (undiscounted and without interest charges) exceeded the carrying amounts of goodwill, and therefore no impairments were recognized.

Upon adoption of SFAS 142 on January 1, 2002, the Company tested the goodwill for impairment at the reporting level unit utilizing the prescribed two-step method. The first step compared the fair value of the reporting unit (determined based on a discounted cash flow approach) with its carrying amount. As the carrying amount of the reporting unit exceeded its fair value, the second step of the impairment test was performed to measure the impairment loss. The second step compared the implied fair value of goodwill with the carrying amount of the goodwill. As the carrying amounts of the goodwill exceeded the fair values, on January 1, 2002 the Company wrote-off all of the goodwill of the Hotel and the Temperature Controlled Logistics business as an impairment loss totaling \$30,129,000. The write-off has been reflected as a cumulative effect of change in accounting principle on the income statement. Earnings allocable to the minority interest has been reduced by their pro-rata share of the write-off of goodwill.

Previously reported "Income before gains on sale of real estate and cumulative effect of change in accounting principle" and "Net income applicable

to common shares" for the year ended December 31, 2001 would have been approximately \$972,000 higher, or \$2.35 and \$2.48 per diluted share, if such goodwill was not amortized in the prior year.

-96-

SFAS NO. 143 - ACCOUNTING FOR ASSET RETIREMENT OBLIGATIONS AND SFAS NO. 144
- ACCOUNTING FOR THE IMPAIRMENT OR DISPOSAL OF LONG-LIVED ASSETS

In August 2001, the FASB issued SFAS No. 143, ACCOUNTING FOR ASSET RETIREMENT OBLIGATIONS (effective January 1, 2003) and SFAS No. 144, ACCOUNTING FOR THE IMPAIRMENT OR DISPOSAL OF LONG-LIVED ASSETS (effective January 1, 2002). SFAS No. 143 requires the recording of the fair value of a liability for an asset retirement obligation in the period which it is incurred. SFAS No. 144 supersedes current accounting literature and now provides for a single accounting model for long-lived assets to be disposed of by sale and requires discontinued operations presentation for disposals of a "component" of an entity. The adoption of these statements did not have a material effect on the Company's financial statements; however under SFAS No. 144, if the Company were to dispose of a material operating property, such property's results of operations will have to be separately disclosed as discontinued operations in the Company's financial statements.

SFAS NO. 145 - RESCISSION OF SFAS NO. 4, 44, AND 64, AMENDMENT OF SFAS NO. 13, AND TECHNICAL CORRECTIONS

In April 2002, the FASB issued SFAS No. 145, RESCISSION OF SFAS NO. 4, 44, AND 64, AMENDMENT OF SFAS NO. 13, AND TECHNICAL CORRECTIONS. SFAS No. 145 requires, among other things, (i) that the modification of a lease that results in a change of the classification of the lease from capital to operating under the provisions of SFAS No. 13 be accounted for as a sale-leaseback transaction and (ii) the reporting of gains or losses from the early extinguishment of debt as extraordinary items only if they met the criteria of Accounting Principles Board Opinion No. 30, REPORTING THE RESULTS OF OPERATIONS. The rescission of SFAS No. 4 is effective January 1, 2003. The amendment of SFAS No. 13 is effective for transactions occurring on or after May 15, 2002. The adoption of this statement did not have a material effect on the Company's financial statements.

SFAS NO. 146 - ACCOUNTING FOR COSTS ASSOCIATED WITH EXIT OR DISPOSAL ACTIVITIES

In July 2002, the FASB issued SFAS No. 146, ACCOUNTING FOR COSTS ASSOCIATED WITH EXIT OR DISPOSAL ACTIVITIES (effective January 1, 2003). SFAS No. 146 replaces current accounting literature and requires the recognition of costs associated with exit or disposal activities when they are incurred rather than at the date of a commitment to an exit or disposal plan. The Company does not anticipate that the adoption of this statement will have a material effect on the Company's financial statements.

SFAS NO. 148 - ACCOUNTING FOR STOCK-BASED COMPENSATION - TRANSITION AND DISCLOSURE - AN AMENDMENT OF FASB STATEMENT NO. 123

On August 7, 2002, the Company announced that beginning January 1, 2003, it will expense the cost of employee stock options in accordance with the SFAS No. 123, ACCOUNTING FOR STOCK-BASED COMPENSATION. In December 2002, the FASB issued SFAS No. 148 - ACCOUNTING FOR STOCK-BASED COMPENSATION - TRANSITION AND DISCLOSURE - AN AMENDMENT OF FASB STATEMENT NO. 123 to amend the transition and disclosure provisions of SFAS No. 123. Specifically, SFAS No. 123, as amended, would permit two additional transition methods for entities that adopt the fair value method of accounting for stock based employee compensation. The Company will adopt SFAS No. 123 prospectively by valuing and accounting for employee stock options granted in 2003 and thereafter. The Company will utilize a binomial valuation model and appropriate market assumptions to determine the value of each grant. Stock-based compensation expense will be recognized on a straight-line basis over the vesting period of the respective grants.

FASB Interpretation No. 45 - GUARANTOR'S ACCOUNTING AND DISCLOSURE REQUIREMENTS FOR GUARANTEES, INCLUDING INDIRECT GUARANTEES OF INDEBTEDNESS OF OTHERS.

In November 2002, the FASB issued Interpretation No. 45 - GUARANTOR'S ACCOUNTING AND DISCLOSURE REQUIREMENTS FOR GUARANTEES, Including Indirect Guarantees of Indebtedness of Others, which elaborates on the disclosures to be made by a guarantor in its interim and annual financial statements about its obligations under certain guarantees that it has issued. The initial recognition and measurement provisions of this Interpretation are applicable on a prospective basis to guarantees issued or modified after December 31, 2002. The Company believes that the adoption of this interpretation will not have a material effect to the Company's financial statements.

-97-

FASB Interpretation No. 46 - CONSOLIDATION OF VARIABLE INTEREST ENTITIES

In January 2003, the FASB issued Interpretation No. 46 - CONSOLIDATION OF

VARIABLE INTEREST ENTITIES, which requires the consolidation of an entity by an enterprise (i) if that enterprise, known as a "primary beneficiary", has a variable interest that will absorb a majority of the entity's expected losses if they occur, receive a majority of the entity's expected residual returns if they occur, or both and (ii) if the entity is a variable interest entity, as defined by Interpretation No. 46. An entity is a variable interest entity if (a) the total equity investment at risk in the entity is not sufficient to permit the entity to finance its activities without additional subordinated financial support from other parties or (b) the equity investors do not have the characteristics of a controlling financial interest in the entity. Interpretation No. 46 applies immediately to all variable interest entities created after January 31, 2003. For variable interest entities created by public companies before February 1, 2003, Interpretation No. 46 must be applied no later than the beginning of the first interim or annual reporting period beginning after June 15, 2003. The initial determination of whether an entity is a variable interest entity shall be made as of the date at which a primary beneficiary becomes involved with the entity and reconsidered as of the date one of three triggering events described by Interpretation No. 46 occur. The Company does not believe that the adoption of this Interpretation will have a material effect on its financial statements.

-98-

ITEM 7A. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

The Company has exposure to fluctuations in market interest rates. Market interest rates are highly sensitive to many factors, beyond the control of the Company. Various financial vehicles exist which would allow management to mitigate the impact of interest rate fluctuations on the Company's cash flows and earnings.

As of December 31, 2002 the Company has entered into an interest rate swap described in footnote 1 to the table below. Management may engage in additional hedging strategies in the future, depending on management's analysis of the interest rate environment and the costs and risks of such strategies.

The Company's exposure to a change in interest rates on its wholly-owned and partially-owned debt (all of which arises out of non-trading activity) is as follows:

(\$ in thousands, except per share amounts)

	2002			2001	
	December 31, Balance	Weighted Average Interest Rate	Effect of 1% Change In Base Rates	December 31, Balance	Weighted Average Interest Rate
Wholly-owned debt:					
Variable rate.....	\$ 1,358,126(1)	2.69%	\$ 12,045(2)	\$ 1,182,605	3.39%
Fixed rate.....	2,713,194	7.17%	--	1,294,568	7.53%
	<u>\$ 4,071,320</u>	<u>5.61%</u>	<u>12,045</u>	<u>\$ 2,477,173</u>	
Debt of partially-owned entities:					
Variable rate.....	\$ 131,100	4.54%	1,310(3)	\$ 85,516	5.63%
Fixed rate.....	917,008	8.41%	--	1,234,019	8.29%
	<u>\$ 1,048,108</u>	<u>7.92%</u>	<u>1,310</u>	<u>\$ 1,319,535</u>	
Minority interest.....			(2,805)		
Total decrease in the Company's annual net income.....			\$ 10,550		
Per share-diluted.....			\$.10		

(1) Includes \$533,600 for the Company's senior unsecured notes due 2007, as the Company entered into interest rate swap agreements that effectively converted the interest rate from a fixed rate of 5.625% to a floating rate of LIBOR plus .7725%, based upon the trailing 3 month LIBOR rate (2.18% if set on December 31, 2002). In accordance with SFAS 133, as amended, accounting for these swaps requires the Company to fair value the debt at each reporting period. At December 31, 2002, the fair value adjustment was \$34,245, and is included in the balance of the senior unsecured notes above.

(2) The effect of a 1% change in wholly-owned debt base rates shown above

excludes \$153,659 of variable rate mortgage financing, cross-collateralized by the Company's 770 Broadway and 595 Madison Avenue office properties, as the proceeds are held in a restricted mortgage escrow account which bears interest at the same rate as the loans.

- (3) The effect of a 1% change in partially-owned debt base rates shown above is calculated after including \$45,229 representing the Company's 14.9% share of Prime Group Realty L.P.'s ("PGE") outstanding variable rate debt as at September 30, 2002. PGE has not filed its annual report on Form 10-K for the year ended December 31, 2002, prior to the filing of this annual report on Form 10-K.

The fair value of the Company's debt, based on discounted cash flows at the current rate at which similar loans would be made to borrowers with similar credit ratings for the remaining term of such debt, exceeds the aggregate carrying amount by approximately \$178,566,000 at December 31, 2002.

INDEPENDENT AUDITORS' REPORT

Shareholders and Board of Trustees
Vornado Realty Trust
New York, New York

We have audited the accompanying consolidated balance sheets of Vornado Realty Trust as of December 31, 2002 and 2001, and the related consolidated statements of income, shareholders' equity and cash flows for each of the three years in the period ended December 31, 2002. Our audits also included the financial statement schedules listed in the Index at Item 15. These financial statements and financial statement schedules are the responsibility of the Company's management. Our responsibility is to express an opinion on the financial statements and financial statement schedules based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, such consolidated financial statements present fairly, in all material respects, the financial position of Vornado Realty Trust at December 31, 2002 and 2001, and the results of its operations and its cash flows for each of the three years in the period ended December 31, 2002 in conformity with accounting principles generally accepted in the United States of America. Also, in our opinion, such financial statement schedules, when considered in relation to the basic consolidated financial statements taken as a whole, present fairly in all material respects the information set forth therein.

As discussed in Note 2 to the consolidated financial statements, on January 1, 2002, the Company adopted the provisions of Statement of Financial Accounting Standards No. 142 "Goodwill and Other Intangible Assets."

VORNADO REALTY TRUST

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

1. ORGANIZATION AND BUSINESS

Vornado Realty Trust is a fully-integrated real estate investment trust ("REIT"). Vornado conducts its business through Vornado Realty L.P., ("the Operating Partnership"). Vornado is the sole general partner of, and owned approximately 79% of the common limited partnership interest in, the Operating Partnership at February 3, 2003. All references to the "Company" and "Vornado" refer to Vornado Realty Trust and its consolidated subsidiaries, including the Operating Partnership.

The Company currently owns directly or indirectly:

OFFICE PROPERTIES ("OFFICE"):

(i) all or portions of 74 office properties aggregating approximately 27.7 million square feet in the New York City metropolitan area (primarily Manhattan) and in the Washington D.C. and Northern Virginia area;

RETAIL PROPERTIES ("RETAIL"):

(ii) 62 retail properties in six states and Puerto Rico aggregating approximately 12.5 million square feet, including 1.8 million square feet built by tenants on land leased from the Company;

MERCHANDISE MART PROPERTIES:

(iii) 8.6 million square feet of showroom and office space, including the 3.4 million square foot Merchandise Mart in Chicago;

TEMPERATURE CONTROLLED LOGISTICS:

(iv) a 60% interest in the Vornado Crescent Portland Partnership that owns 88 cold storage warehouses nationwide with an aggregate of approximately 441.5 million cubic feet of refrigerated space leased to AmeriCold Logistics;

OTHER REAL ESTATE INVESTMENTS:

(v) 33.1% of the outstanding common stock of Alexander's, Inc. ("Alexander's");

(vi) the Hotel Pennsylvania in New York City consisting of a hotel portion containing 1.0 million square feet with 1,700 rooms and a commercial portion containing .4 million square feet of retail and office space;

(vii) a 21.7% interest in The Newkirk Master Limited Partnership which owns office, retail and industrial properties net leased primarily to credit rated tenants, and various debt interests in such properties;

(viii) eight dry warehouse/industrial properties in New Jersey containing approximately 2.0 million square feet; and

(ix) other investments, including interests in other real estate, marketable securities and loans and notes receivable.

VORNADO REALTY TRUST

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - (CONTINUED)

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF PRESENTATION: The accompanying consolidated financial statements include the accounts of Vornado Realty Trust and its majority-owned subsidiary, Vornado Realty L.P., as well as entities in which the Company has a 50% or greater interest, provided that the Company exercises direct or indirect control. All significant intercompany amounts have been eliminated. The Company considers the guidance in APB 18, SOP 78-9 and EITF 96-16 in determining whether it does or does not control joint ventures on a case-by-case basis, taking into account board representation, management representation and authority and the contractual and substantive participating rights of its partners/members. If the approval of all of the partners/members is contractually required with respect to major decisions, such as operating and capital budgets, the sale, exchange or other disposition of any real property assets, the hiring of a Chief Executive Officer, the commencement, compromise or settlement of any lawsuit, legal proceeding or arbitration or the placement of any new or additional financing secured by any assets of the joint venture, then the Company does not control the venture and therefore will not consolidate the entity, despite the fact that it may own 50% or more of the relevant entity. This is the case with respect to Temperature Controlled Logistics, Monmouth Mall, 400 North LaSalle, MartParc Orleans, MartParc Wells, 825 Seventh Avenue and Starwood Ceruzzi. If the Company is able to unilaterally make major decisions for the partially owned entity and owns an interest greater than 50%, the Company has control and therefore consolidates the entity. The Company accounts for investments under the equity method when the Company's ownership interest is more than 20% but less than 50% and the Company does not exercise direct or indirect control. When partially-owned investments are in partnership form, the 20% threshold may be reduced. For all other investments, the Company uses the cost method. Equity investments are recorded initially at cost and subsequently adjusted for the Company's share of the net income or loss and cash contributions and distributions to or from these entities.

Prior to January 1, 2001, the Company's equity interests in partially-owned entities also included investments in preferred stock affiliates (corporations in which the Company owned all of the preferred stock and none of the common equity). Ownership of the preferred stock entitled the Company to substantially all of the economic benefits in the preferred stock affiliates. On January 1, 2001, the Company acquired the common stock of the preferred stock affiliates, which was owned by the Officers and Trustees of the Company, and converted them to taxable REIT subsidiaries. Accordingly, the Hotel portion of the Hotel Pennsylvania and the management companies (which provide services to the Company's business segments and operate the Trade Show business of the Merchandise Mart division) have been consolidated beginning January 1, 2001.

Management has made estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from those estimates.

RECLASSIFICATIONS: Certain prior year balances have been reclassified in order to conform to current year presentation.

REAL ESTATE: Real estate is carried at cost, net of accumulated depreciation and amortization. Betterments, major renewals and certain costs directly related to the acquisition, improvement and leasing of real estate are capitalized. Maintenance and repairs are charged to operations as incurred. For

redevelopment of existing operating properties, the net book value of the existing property under redevelopment plus the cost for the construction and improvements incurred in connection with the redevelopment are capitalized to the extent the capitalized costs of the property do not exceed the estimated fair value of the redeveloped property when complete. If the cost of the redeveloped property, including the undepreciated net book value of the property carried forward, exceeds the estimated fair value of redeveloped property, the excess is charged to expense. Depreciation is provided on a straight-line basis over the assets, estimated useful lives which range from 7 to 40 years. Tenant allowances are amortized on a straight-line basis over the lives of the related leases, which approximates the useful lives of the assets. Additions to real estate include interest expense capitalized during construction of \$6,677,000, \$12,171,000, and \$12,269,000 for the years ended December 31, 2002, 2001, and 2000.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - (CONTINUED)

Upon acquisitions of real estate, the Company assesses the fair value of acquired assets (including land, buildings, tenant improvements, acquired above and below market leases and the origination cost of acquired in-place leases in accordance with SFAS No. 141) and acquired liabilities, and allocate purchase price based on these assessments. The Company assesses fair value based on estimated cash flow projections that utilize appropriate discount and capitalization rates and available market information. Estimates of future cash flows are based on a number of factors including the historical operating results, known trends, and market/economic conditions that may affect the property. The Company's properties are reviewed for impairment if events or circumstances change indicating that the carrying amount of the assets may not be recoverable. If the Company incorrectly estimates the values at acquisition or the undiscounted cash flows, initial allocations of purchase price and future impairment charges may be different.

CASH AND CASH EQUIVALENTS: Cash and cash equivalents consist of highly liquid investments purchased with original maturities of three months or less. Cash and cash equivalents does not include cash escrowed under loan agreements and cash restricted in connection with an officer's deferred compensation payable.

ALLOWANCE FOR DOUBTFUL ACCOUNTS: The Company periodically evaluates the collectibility of amounts due from tenants and maintains an allowance for doubtful accounts for estimated losses resulting from the inability of tenants to make required payments under the lease agreement. The Company also maintains an allowance for receivables arising from the straight-lining of rents. This receivable arises from earnings recognized in excess of amounts currently due under the lease agreements. Management exercises judgment in establishing these allowances and considers payment history and current credit status in developing these estimates.

MARKETABLE SECURITIES: The Company has classified debt and equity securities which it intends to hold for an indefinite period of time (including warrants to acquire equity securities) as securities available for sale; equity securities it intends to buy and sell on a short term basis as trading securities; and preferred stock investments as securities held to maturity. Unrealized gains and losses on trading securities are included in earnings. Unrealized gains and losses on securities available for sale are included as a component of shareholders' equity and other comprehensive income. Realized gains or losses on the sale of securities are recorded based on specific identification. A portion of the Company's preferred stock investments are redeemable and accounted for in accordance with EITF 99-20 "Recognition of Interest Income and Impairment on Purchased and Retained Beneficial Interests in Securitized Financial Assets." Income is recognized by applying the prospective method of adjusting the yield to maturity based on an estimate of future cash flows. If the value of the investment based on the present value of the future cash flows is less than the Company's carrying amount, the investments will be written-down to fair value through earnings. Investments in securities of non-publicly traded companies are reported at cost, as they are not considered marketable under SFAS No. 115.

At December 31, 2002 and 2001, marketable securities had an aggregate cost of \$41,665,000 and \$117,284,000 and an aggregate market value of \$42,525,000 and \$126,774,000 (of which \$0 and \$13,888,000 represents trading securities; \$2,020,000 and \$49,763,000 represents securities available for sale; and \$40,505,000 and \$63,123,000 represent securities held to maturity). Gross unrealized gains and losses were \$860,000 and \$0 at December 31, 2002, and \$14,738,000 and \$5,243,000 at December 31, 2001.

NOTES AND MORTGAGE LOANS RECEIVABLE: The Company's policy is to record mortgages and notes receivable at the stated principal amount less any discount or premiums. The Company accretes or amortizes any discounts or premiums over the life of the related loan receivable utilizing the effective interest method. The Company evaluates the collectibility of both interest and principal of each of its loans, if circumstances warrant, to determine whether it is impaired. A loan is considered to be impaired, when based on current information and events,

it is probable that the Company will be unable to collect all amounts due according to the existing contractual terms. When a loan is considered to be impaired, the amount of the loss accrual is calculated by comparing the recorded investment to the value determined by discounting the expected future cash flows at the loan's effective interest rate or, as a practical expedient, to the value of the collateral if the loan is collateral dependent. Interest on impaired loans is recognized on a cash basis.

DEFERRED CHARGES: Direct financing costs are deferred and amortized over the terms of the related agreements as a component of interest expense. Direct costs related to leasing activities are capitalized and amortized on a straight-line basis over the lives of the related leases. All other deferred charges are amortized on a straight-line basis, which approximates the effective interest rate method, in accordance with the terms of the agreements to which they relate.

FAIR VALUE OF FINANCIAL INSTRUMENTS: All financial instruments of the Company are reflected in the accompanying consolidated balance sheets at amounts which, in management's estimation, based upon an interpretation of available market information and valuation methodologies (including discounted cash flow analyses with regard to fixed rate debt) are considered appropriate. The fair value of the Company's debt is approximately \$178,566,000 in excess of the aggregate carrying amount at December 31, 2002. Such fair value estimates are not necessarily indicative of the amounts that would be realized upon disposition of the Company's financial instruments.

DERIVATIVE INSTRUMENTS AND HEDGING ACTIVITIES: Statement of Financial Accounting Standards No. 133, ACCOUNTING FOR DERIVATIVE INSTRUMENTS AND HEDGING ACTIVITIES (SFAS 133), as amended and interpreted, establishes accounting and reporting standards for derivative instruments, including certain derivative instruments embedded in other contracts, and for hedging activities. As required by SFAS 133, the Company records all derivatives on the balance sheet at fair value. The accounting for changes in the fair value of derivatives depends on the intended use of the derivative and the resulting designation. Derivatives used to hedge the exposure to changes in the fair value of an asset, liability, or firm commitment attributable to a particular risk, such as interest rate risk, are considered fair value hedges. Derivatives used to hedge the exposure to variability in expected future cash flows, or other types of forecasted transactions, are considered cash flow hedges. The cumulative effect of implementing SFAS No. 133 on January 1, 2001, was \$4,110,000.

For derivatives designated as fair value hedges, changes in the fair value of the derivative and the hedged item related to the hedged risk are recognized in earnings. For derivatives designated as cash flow hedges, the effective portion of changes in the fair value of the derivative is initially reported in other comprehensive income (outside of earnings) and subsequently reclassified to earnings when the hedged transaction affects earnings, and the ineffective portion of changes in the fair value of the derivative is recognized directly in earnings. The Company assesses the effectiveness of each hedging relationship by comparing the changes in fair value or cash flows of the derivative hedging instrument with the changes in fair value or cash flows of the designated hedged item or transaction. For derivatives not designated as hedges, changes in fair value are recognized in earnings. Additionally, the Company does not use derivatives for trading or speculative purposes and currently does not have any derivatives that are not designated as hedges.

On June 27, 2002, the Company entered into interest rate swaps that effectively converted the interest rate on the \$500,000,000 senior unsecured notes due 2007 from a fixed rate of 5.625% to a floating rate of LIBOR plus .7725%, based upon the trailing 3 month LIBOR rate (2.18% at December 31, 2002). These swaps were designated and effective as fair value hedges, with a fair value of \$34,245,000 at December 31, 2002, which is included in Other Assets on the Company's balance sheet. Accounting for these swaps also requires the Company to recognize changes in the fair value of the debt during each reporting period. At December 31, 2002, the fair value adjustment of \$34,245,000, based on the fair value of the swaps, is included in the balance of the Senior Unsecured Notes. Because the hedging relationship qualifies for the "short-cut" method, the hedge ineffectiveness on these fair value hedges was recognized during 2002.

REVENUE RECOGNITION: The Company has the following revenue sources and revenue recognition policies:

Base Rents -- income arising from tenant leases. These rents are recognized over the non-cancelable term of the related leases on a straight-line basis which includes the effects of rent steps and free rent abatements under the leases.

Percentage Rents -- income arising from retail tenant leases which are contingent upon the sales of the tenant exceeding a defined threshold. These rents are recognized in accordance with SAB 101, which states that this income is to be recognized only after the contingency has been removed (i.e. sales

thresholds have been achieved).

Hotel Revenues -- income arising from the operation of the Hotel Pennsylvania which consists of rooms revenue, food and beverage revenue, and banquet revenue. Income is recognized when rooms are occupied. Food and beverage and banquet revenue are recognized when the services have been rendered.

Trade Show Revenues -- income arising from the operation of trade shows, including rentals of booths. This revenue is recognized in accordance with the booth rental contracts when the trade shows have occurred.

Expense Reimbursement Income -- income arising from tenant leases which provide for the recovery of all or a portion of the operating expenses and real estate taxes of the respective property. This income is accrued in the same periods as the expenses are incurred. Contingent rents are not recognized until realized.

INCOME TAXES: The Company operates in a manner intended to enable it to continue to qualify as a REIT under Sections 856-860 of the Internal Revenue Code of 1986, as amended. Under those sections, a REIT which distributes at least 90% of its REIT taxable income as a dividend to its shareholders each year and which meets certain other conditions will not be taxed on that portion of its taxable income which is distributed to its shareholders. The Company will distribute to its shareholders 100% of its taxable income and therefore, no provision for Federal income taxes is required. Dividend distributions for the years ended December 31, 2002, 2001 and 2000, were characterized for Federal income tax purposes as ordinary income.

The Company owns stock in corporations that have elected to be treated for Federal income tax purposes, as taxable REIT subsidiaries ("TRS"). The value of the combined TRS stock cannot and does not exceed 20% of the value of the Company's total assets. A TRS is taxable on its net income at regular corporate tax rates. For the 2002 tax year, the total income tax is approximately \$1,430,000.

The following table reconciles net income to estimated taxable income for the year ended December 31, 2002.

Net income applicable to common shares.....	\$ 232,903,000
Depreciation and amortization.....	69,360,000
Straight-line rent adjustments.....	(30,687,000)
Book to tax differences in earnings of partially-owned entities....	(21,958,000)
Amortization of officer's deferred compensation.....	22,916,000
Primestone impairment loss	15,071,000
Stock option expense.....	(12,400,000)
Amortization of acquired below market leases, net of above market leases	10,528,000
Other.....	(15,837,000)

Estimated taxable income.....	\$ 269,896,000
	=====

The net basis of the Company's assets and liabilities for tax purposes is approximately \$2,822,000,000, lower than the amount reported for financial statement purposes.

At December 31, 2002, the Company had a capital loss carryover of approximately \$73,000,000. The capital loss carryover is available to offset future capital gains that would otherwise be required to be distributed as dividends to shareholders.

AMOUNTS PER SHARE: Basic earnings per share is computed based on weighted average shares outstanding. Diluted earnings per share considers the effect of outstanding options, warrants and convertible or redeemable securities.

STOCK BASED COMPENSATION: In 2002 and prior years, the Company accounted for stock-based compensation using the intrinsic value method. Under the intrinsic value method compensation cost is measured as the excess, if any, of the quoted market price of the Company's stock at the date of grant over the exercise price of the option granted. Compensation cost for stock options, if any, is recognized ratably over the vesting period. The Company's policy is to grant options with an exercise price equal to the quoted market price of the Company's stock on the grant date. Accordingly, no compensation cost has been recognized for the Company's stock option plans. See Note 8 - Employees' Share Option Plan for details of the Company's outstanding employee share options and the related pro forma stock-based employee compensation cost. Effective January 1, 2003, the Company adopted SFAS No. 123 "Accounting for Stock Based Compensation" as amended by SFAS No. 148 "Accounting for Stock - Based Compensation - Transition and Disclosure." The Company will adopt SFAS No. 123 prospectively by valuing and accounting for employee stock options granted in

2003 and thereafter. The Company will utilize a binomial valuation model and appropriate market assumptions to determine the value of each grant. Stock-based compensation expense will be recognized on a straight-line basis over the vesting period of the respective grants.

In addition to employee stock option grants, the Company has also granted restricted shares to certain of its employees that vest over a three to five year period. The Company records the value of each restricted share award as stock-based compensation expense based on the Company's closing stock price on the NYSE on the date of grant on a straight-line basis over the vesting period. As of December 31, 2002, the Company has 250,927 restricted shares or rights to receive restricted shares outstanding to employees of the Company, excluding 626,566 shares issued to the Company's President in connection with his employment agreement. The Company recognized \$1,868,000 of stock-based compensation expense in 2002 for the portion of these shares that vested during the year.

RECENTLY ISSUED ACCOUNTING STANDARDS

SFAS No. 141 - BUSINESS COMBINATIONS requires companies to account for the value of leases acquired and the costs of acquiring such leases separately from the value of the real estate for all acquisitions subsequent to July 1, 2001. Accordingly, the Company has evaluated the leases in place for (i) the remaining 66% of CESC it did not previously own which it acquired on January 1, 2002, (ii) the remaining 50% of the Las Catalinas Mall it did not previously own which it acquired on September 23, 2002 and (iii) a 50% interest in the Monmouth Mall which it acquired on October 10, 2002, to determine whether they were acquired at market, above market or below market. The Company's evaluations were based on (i) the differences between contractual rentals and the estimated market rents over the applicable lease term discounted back to the date of acquisition utilizing a discount rate adjusted for the credit risk associated with the respective tenants and (ii) the estimated cost of acquiring such leases giving effect to the Company's history of providing tenant improvements and paying leasing commissions.

As a result of its evaluations, as of December 31, 2002, the Company has recorded a deferred credit of \$48,430,000 representing the value of acquired below market leases, deferred charges of \$15,976,000 for the value of acquired above market leases and \$3,621,000 for origination costs, of which the tenant improvements are included in buildings and improvements. In addition, in the year ended December 31, 2002 the Company has recognized property rentals of \$12,634,000 for the amortization of below market leases net of above market leases and depreciation expense of \$11,214,000 for the amortization of the lease origination costs and additional building depreciation resulting from the reallocation of the purchase price of the applicable properties.

SFAS NO. 142 - GOODWILL AND OTHER INTANGIBLE ASSETS

In June 2001, the Financial Accounting Standards Board ("FASB") issued Statement of Financial Accounting Standard ("SFAS") No. 142, GOODWILL AND OTHER INTANGIBLE ASSETS (effective January 1, 2002). SFAS No. 142 specifies that goodwill and some intangible assets will no longer be amortized but instead be subject to periodic impairment testing. SFAS No. 142 provides specific guidance for impairment testing of these assets and removes them from the scope of SFAS No. 121, ACCOUNTING FOR THE IMPAIRMENT OF LONG-LIVED ASSETS. The Company's goodwill balance on December 31, 2001 of \$30,129,000 consisted of \$14,639,000 related to the Hotel Pennsylvania acquisition and \$15,490,000 related to the acquisition of the Temperature Controlled Logistics businesses.

Prior to January 1, 2002, the Company performed impairment testing in accordance with SFAS 121. The Company reviewed for impairment whenever events or changes in circumstances indicated that the carrying amount of an asset may not be recoverable. Given the decrease in the estimated market values and the deteriorating performance of Hotel Pennsylvania and Temperature Controlled Logistics, the Company performed a review for recoverability estimating the future cash flows expected to result from the use of the assets and their eventual disposition. As of December 31, 2001, the sum of the expected cash flows (undiscounted and without interest charges) exceeded the carrying amounts of goodwill, and therefore no impairments were recognized.

Upon adoption of SFAS 142 on January 1, 2002, the Company tested the goodwill for impairment at the reporting level unit utilizing the prescribed two-step method. The first step compared the fair value of the reporting unit (determined based on a discounted cash flow approach) with its carrying amount. As the carrying amount of the reporting unit exceeded its fair value, the second step of the impairment test was performed to measure the impairment loss. The second step compared the implied fair value of goodwill with the carrying amount of the goodwill. As the carrying amounts of the goodwill exceed the fair values, on January 1, 2002 the Company wrote-off all of the goodwill of the Hotel and the Temperature Controlled Logistics businesses as an impairment loss totaling

\$30,129,000. The write-off has been reflected as a cumulative effect of change in accounting principle on the income statement. Earnings allocable to the minority interest have been reduced by their pro-rata share of the write-off of goodwill.

Previously reported "Income before gains on sale of real estate and cumulative effect of change in accounting principle" and "Net income applicable to common shares" for the year ended December 31, 2001 would have been approximately \$972,000 higher, or \$2.35 and \$2.48 per share, if such goodwill was not amortized in the prior year.

SFAS NO. 143 - ACCOUNTING FOR ASSET RETIREMENT OBLIGATIONS AND SFAS NO. 144 - ACCOUNTING FOR THE IMPAIRMENT OR DISPOSAL OF LONG-LIVED ASSETS

In August 2001, the FASB issued SFAS No. 143, ACCOUNTING FOR ASSET RETIREMENT OBLIGATIONS (effective January 1, 2003) and SFAS No. 144, ACCOUNTING FOR THE IMPAIRMENT OR DISPOSAL OF LONG-LIVED ASSETS (effective January 1, 2002). SFAS No. 143 requires the recording of the fair value of a liability for an asset retirement obligation in the period which it is incurred. SFAS No. 144 supersedes current accounting literature and now provides for a single accounting model for long-lived assets to be disposed of by sale and requires discontinued operations presentation for disposals of a "component" of an entity. The adoption of these statements did not have a material effect on the Company's financial statements; however under SFAS No. 144, if the Company were to dispose of a material operating property, such property's results of operations will have to be separately disclosed as discontinued operations in the Company's financial statements.

SFAS NO. 145 - RESCISSION OF SFAS NO. 4, 44, AND 64, AMENDMENT OF SFAS NO. 13, AND TECHNICAL CORRECTIONS

In April 2002, the FASB issued SFAS No. 145, RESCISSION OF SFAS NO. 4, 44, AND 64, AMENDMENT OF SFAS NO. 13, AND TECHNICAL CORRECTIONS. SFAS No. 145 requires, among other things, (i) that the modification of a lease that results in a change of the classification of the lease from capital to operating under the provisions of SFAS No. 13 be accounted for as a sale-leaseback transaction and (ii) the reporting of gains or losses from the early extinguishment of debt as extraordinary items only if they met the criteria of Accounting Principles Board Opinion No. 30, REPORTING THE RESULTS OF OPERATIONS. The rescission of SFAS No. 4 is effective January 1, 2003. The amendment of SFAS No. 13 is effective for transactions occurring on or after May 15, 2002. The adoption of this statement did not have a material effect on the Company's financial statements.

SFAS NO. 146 - ACCOUNTING FOR COSTS ASSOCIATED WITH EXIT OR DISPOSAL ACTIVITIES

In July 2002, the FASB issued SFAS No. 146, ACCOUNTING FOR COSTS ASSOCIATED WITH EXIT OR DISPOSAL ACTIVITIES (effective January 1, 2003). SFAS No. 146 replaces current accounting literature and requires the recognition of costs associated with exit or disposal activities when they are incurred rather than at the date of a commitment to an exit or disposal plan. The Company does not anticipate that the adoption of this statement will have a material effect on the Company's financial statements.

SFAS NO. 148 - ACCOUNTING FOR STOCK-BASED COMPENSATION - TRANSITION AND DISCLOSURE - AN AMENDMENT OF FASB STATEMENT NO. 123

On August 7, 2002, the Company announced that beginning January 1, 2003, it will expense the cost of employee stock options in accordance with SFAS No. 123, ACCOUNTING FOR STOCK-BASED COMPENSATION. In December 2002, the FASB issued Statement No. 148 - Accounting for Stock-Based Compensation - Transition and Disclosure - An Amendment of FASB Statement No. 123 to amend the transition and disclosure provisions of SFAS No. 123. Specifically, SFAS No. 123, as amended, would permit two additional transition methods for entities that adopt the fair value method of accounting for stock based employee compensation. The Company will adopt SFAS No. 123 prospectively by valuing and accounting for employee stock options granted in 2003 and thereafter. The Company will utilize a binomial valuation model and appropriate market assumptions to determine the value of each grant. Stock-based compensation expense will be recognized on a straight-line basis over the vesting period of the respective grants.

FASB INTERPRETATION NO. 45 - GUARANTOR'S ACCOUNTING AND DISCLOSURE REQUIREMENTS FOR GUARANTEES, INCLUDING INDIRECT GUARANTEES OF INDEBTEDNESS OF OTHERS

In November 2002, the FASB issued Interpretation No. 45 - GUARANTOR'S ACCOUNTING AND DISCLOSURE REQUIREMENTS FOR GUARANTEES, INCLUDING INDIRECT GUARANTEES OF INDEBTEDNESS OF OTHERS, which elaborates on the disclosures to be made by a guarantor in its interim and annual financial statements about its

obligations under certain guarantees that it has issued. The initial recognition and measurement provisions of this Interpretation are applicable on a prospective basis to guarantees issued or modified after December 31, 2002. The Company believes that the adoption of this interpretation will not have a material effect to the financial statements.

FASB INTERPRETATION NO. 46 - CONSOLIDATION OF VARIABLE INTEREST ENTITIES

In January 2003, the FASB issued Interpretation No. 46 - CONSOLIDATION OF VARIABLE INTEREST ENTITIES, which requires the consolidation of an entity by an enterprise (i) if that enterprise, known as a "primary beneficiary", has a variable interest that will absorb a majority of the entity's expected losses if they occur, receive a majority of the entity's expected residual returns if they occur, or both and (ii) if the entity is a variable interest entity, as defined by Interpretation No. 46. An entity is a variable interest entity if (a) the total equity investment at risk in the entity is not sufficient to permit the entity to finance its activities without additional subordinated financial support from other parties or (b) the equity investors do not have the characteristics of a controlling financial interest in the entity. Interpretation No. 46 applies immediately to all variable interest entities created after January 31, 2003. For variable interest entities created by public companies before February 1, 2003, Interpretation No. 46 must be applied no later than the beginning of the first interim or annual reporting period beginning after June 15, 2003. The initial determination of whether an entity is a variable interest entity shall be made as of the date at which a primary beneficiary becomes involved with the entity and reconsidered as of the date one of three triggering events described by Interpretation No. 46 occur. The Company does not believe that the adoption of this Interpretation will have a material effect on its financial statements.

3. ACQUISITIONS AND DISPOSITIONS

The Company completed approximately \$1,834,600,000 of real estate acquisitions or investments in 2002 and \$19,200,000 in 2001. These acquisitions were consummated through subsidiaries or preferred stock affiliates of the Company. Acquisitions of business were recorded under the purchase method of accounting. Related net assets and results of operations have been included in these financial statements since their respective dates of acquisition. The pro forma effect of the individual acquisitions and in the aggregate other than Charles E. Smith Commercial Realty, were not material to the Company's historical results of operations.

Acquisitions of individual properties are recorded as acquisitions of real estate assets. Acquisitions of businesses are accounted for under the purchase method of accounting. The purchase price for property acquisitions and businesses acquired is allocated to acquired assets and assumed liabilities using their relative fair values as of the acquisition date based on valuations and other studies. Initial valuations are subject to change until such information is finalized no later than 12 months from the acquisition date.

OFFICE:

CHARLES E. SMITH COMMERCIAL REALTY INVESTMENT ("CESCR")

On January 1, 2002, the Company completed the combination of Charles E. Smith Commercial Realty L.P. ("CESCR") with Vornado. CESCR has a dominant market position in the Washington, D.C. and Northern Virginia area, owning approximately 12.4 million square feet in 53 office properties as well as a highly competent management team. In the Company's opinion, the assets were acquired at below replacement cost and with below market leases. As a result of the combination the Company will be in position to capitalize on the favorable supply/demand characteristics of the Washington, D.C. office markets. Prior to the combination, Vornado owned a 34% interest in CESCR. The consideration for the remaining 66% of CESCR was approximately \$1,600,000,000, consisting of 15.6 million newly issued Vornado Operating Partnership units and approximately \$1 billion of debt (66% of CESCR's total debt). The purchase price paid by the Company was determined based on the weighted average closing price of the equity issued to CESCR unitholders for the period beginning two business days before and ending two business days after the date the acquisition was agreed to and announced on October 19, 2001. The Company also capitalized as part of the basis of the assets acquired approximately \$32,000,000 for third party acquisition related costs, including advisory, legal and other professional fees that were contemplated

at the time of the acquisition.

The following table summarizes the estimated fair values of assets acquired and liabilities assumed at January 1, 2002, the date of acquisition.

(Amounts in thousands)

Land, buildings and improvements...	\$1,681,000
Intangible deferred charges.....	36,000

Intangible deferred credit.....	62,000
Other liabilities.....	34,000

Total Liabilities Assumed.....	1,119,000

Net Assets Acquired.....	\$ 639,000
	=====

The Company's estimate of the weighted average useful life of acquired intangibles is approximately three years. This acquisition was recorded as a business combination under the purchase method of accounting. The purchase price was allocated to acquired assets and assumed liabilities using their relative fair values as of January 1, 2002 based on valuations and other studies. The operations of CESCER are consolidated into the accounts of the Company beginning January 1, 2002. Prior to this date the Company accounted for its 34% interest on the equity method.

The unaudited pro forma information set forth below presents the condensed consolidated statements of income for the Company for the year ended December 31, 2001 as if the following transactions had occurred on January 1, 2001, (i) the acquisition of CESCER described above and (ii) the Company's November 21, 2001 sale of 9,775,000 common shares and the use of proceeds to repay indebtedness.

CRYSTAL GATEWAY ONE

On July 1, 2002, the Company acquired a 360,000 square foot office building from a limited partnership, which is approximately 50% owned by Mr. Robert H. Smith and Mr. Robert P. Kogod and members of the Smith and Kogod families, trustees of the Company, in exchange for approximately 325,700 newly issued Vornado Operating Partnership units (valued at \$13,679,000) and the assumption

of \$58,500,000 of debt. The building is located in the Crystal City complex in Arlington, Virginia where the Company already owns 24 office buildings containing over 6.9 million square feet, which it acquired on January 1, 2002, in connection with the Company's acquisition of CESCO. The operations of Crystal Gateway One are consolidated into the accounts of the Company from the date of acquisition.

BUILDING MAINTENANCE SERVICE COMPANY

On January 1, 2003, the Company acquired the Building Maintenance Service Company for \$13,000,000 in cash, which provides cleaning and related services and security services to office properties, including the Company's Manhattan office properties. This company was previously owned by the estate of Bernard Mendik and certain other individuals including Mr. Greenbaum, one of the Company's executive officers. This acquisition was recorded as a business combination under the purchase method of accounting.

RETAIL:

LAS CATALINAS MALL

On September 23, 2002, the Company increased its interest in the Las Catalinas Mall located in Caguas, Puerto Rico (San Juan area) to 100% by acquiring the 50% of the mall and 25% of the Kmart anchor store it did not already own. The purchase price was \$48,000,000, of which \$16,000,000 was paid in cash and \$32,000,000 was debt assumed. The Las Catalinas Mall, which opened in 1997, contains 492,000 square feet, including a 123,000 square foot Kmart and a 138,000 square foot Sears owned by the tenant. Prior to September 23, 2002, the Company accounted for its investment on the equity method. Subsequent to this date the operations of Las Catalinas are consolidated into the accounts of the Company.

MONMOUTH MALL

On October 10, 2002, a joint venture in which the Company has a 50% interest, acquired the Monmouth Mall, an enclosed super regional shopping center located in Eatontown, New Jersey containing approximately 1.5 million square feet, including four department stores, three of which aggregating 731,000 square feet are owned by the tenants. The purchase price was approximately \$164,700,000, including transaction costs of \$4,400,000. The Company made a \$7,000,000 cash investment in the form of common equity to the venture and provided it with cash of \$23,500,000 representing preferred equity yielding 14%. The venture financed the purchase of the Mall with \$135,000,000 of floating rate debt at LIBOR plus 2.05%, with a LIBOR floor of 2.50% on \$35,000,000, a three year term and two one-year extension options. The Company accounts for its investment on the equity method.

OTHER:

CARTHAGE, MISSOURI AND KANSAS CITY, KANSAS QUARRIES

On December 31, 2002, the Company and Crescent Real Estate Equities formed a joint venture to acquire the Carthage, Missouri and Kansas City, Kansas quarries from AmeriCold Logistics, the Company's tenant at the cold storage warehouses (Temperature Controlled Logistics) facilities for \$20,000,000 in cash (appraised value). The Company contributed cash of \$8,800,000 to the joint venture representing its 44% interest. The Company accounts for its investment in the venture on the equity method.

GAIN ON TRANSFER OF MORTGAGES

In the year ended December 31, 2002, the Company recorded a net gain of approximately \$2.1 million resulting from payments to the Company by third parties that assumed certain of the Company's mortgages. Under these transactions the Company paid to the third parties that assumed the Company's obligations the outstanding amounts due under the mortgages and the third parties paid the Company for the benefit of assuming the mortgages. The Company has been released by the creditors underlying these loans.

NET GAIN ON SALE OF AIR RIGHTS

The Company constructed a \$16.3 million community facility and low-income residential housing development (the "30th Street Venture"), in order to receive 163,728 square feet of transferable development rights, generally referred to as "air rights". The Company donated the building to a charitable organization. The Company sold 106,796 square feet of these air rights to third parties at an average price of \$120 per square foot. An additional 28,821 square feet of air rights was sold to Alexander's at a price of \$120 per square foot for use at Alexander's 59th Street development project (the "59th Street Project"). In each case, the Company received cash in exchange for air rights. The Company identified third party buyers for the remaining 28,111 square feet of air rights of the 30th Street Venture. These third party buyers wanted to use the air rights for the development of two projects located in the general area of 86th Street which was not within the required geographical radius of the construction site nor in the same Community Board as the low-income housing and community facility project. The 30th Street Venture asked Alexander's to sell 28,111 square feet of the air rights it already owned to the third party buyers (who could use them) and the 30th Street Venture would replace them with 28,111 square feet of air rights. In October 2002, the Company sold 28,111 square feet of air rights to Alexander's for an aggregate sales price of \$3,059,000 (an average of \$109 per square foot). Alexander's then sold an equal amount of air rights to the third party buyers for an aggregate sales price of \$3,339,000 (an average of \$119 per square foot).

GAIN ON SALE OF KINZIE PARK CONDOMINIUM UNITS

The Company recognized a gain of \$2,156,000 during 2002, from the sale of residential condominiums in Chicago, Illinois.

PRIMESTONE FORECLOSURE AND IMPAIRMENT LOSSES

On September 28, 2000, the Company made a \$62,000,000 loan to Primestone Investment Partners, L.P. ("Primestone"). The Company received a 1% up-front fee and was entitled to receive certain other fees aggregating approximately 3% upon repayment of the loan. The loan bore interest at 16% per annum. Primestone defaulted on the repayment of this loan on October 25, 2001. The loan was subordinate to \$37,957,000 of other debt of the borrower that liened the Company's collateral. On October 31, 2001, the Company purchased the other debt for its face amount. The loans were secured by 7,944,893 partnership units in Prime Group Realty, L.P., the operating partnership of Prime Group Realty Trust (NYSE:PGE) and the partnership units are exchangeable for the same number of common shares of PGE. The loans are also guaranteed by affiliates of Primestone.

On November 19, 2001, the Company sold, pursuant to a participation agreement with a subsidiary of Cadim inc., a Canadian pension fund, a 50% participation in both loans at par for approximately \$50,000,000 reducing the Company's net investment in the loans at December 31, 2001 to \$56,768,000 including unpaid interest and fees of \$6,790,000. The participation did not meet the criteria for "sale accounting" under SFAS 140 because Cadim was not free to pledge or exchange the assets. Accordingly, the Company was required to account

for this transaction as a borrowing secured by the loan, rather than as a sale of the loan by classifying the participation as an "Other Liability" and continuing to report the outstanding loan balance at 100% in "Notes and Mortgage Loans Receivable" on the balance sheet. Under the terms of the participation agreement, cash payments received shall be applied (i) first, to the reimbursement of reimbursable out-of-pocket costs and expenses incurred in connection with the servicing, administration or enforcement of the loans after November 19, 2001, and then to interest and fees owed to the Company through November 19, 2001, (ii) second, to the Company and Cadim, pro rata in proportion to the amount of interest and fees owed following November 19, 2001 and (iii) third, 50% to the Company and 50% to Cadim as recovery of principal.

On April 30, 2002, the Company and Cadim acquired the 7,944,893 partnership units at a foreclosure auction. The price paid for the units by application of a portion of Primestone's indebtedness to the Company and Cadim was \$8.35 per unit, the April 30, 2002 closing price of shares of PGE on the New York Stock Exchange. On June 28, 2002, pursuant to the terms of the participation agreement, the Company transferred 3,972,447 of the partnership units to Cadim.

In the second quarter, in accordance with foreclosure accounting, the Company recorded a loss on the Primestone foreclosure of \$17,671,000 calculated based on (i) the acquisition price of the units and (ii) its valuation of the amounts realizable under the guarantees by affiliates of Primestone, as compared with the net carrying amount of the investment at April 30, 2002. In the third quarter of 2002, the Company recorded a \$2,229,000 write-down on its investment based on costs expended to realize the value of the guarantees. Further, in the fourth quarter of 2002, the Company recorded a \$15,857,000 write-down of its investment in Prime Group consisting of (i) \$14,857,000 to adjust the carrying amount of the Prime Group units to \$4.61 per unit, the closing price of PGE shares on December 31, 2002 on the New York Stock Exchange and (ii) \$1,000,000 for estimated costs to realize the value of the guarantees. The Company considered the decline in the value of the units which are convertible into stock to be other than temporary as of December 31, 2002, based on the fact that the market value of the units which are convertible into stock has been less than its cost for more than six months, the severity of the decline, market trends, the financial condition and near-term prospects of Prime Group and other relevant factors.

At December 31, 2002, the Company's carrying amount of the investment was \$23,408,000, of which \$18,313,000 represents the carrying amount of the 3,972,447 partnership units owned by the Company (\$4.61 per unit), \$6,100,000 represents the amount expected to be realized under the guarantees, offset by \$1,005,000 representing the Company's share of Prime Group Realty's net loss through September 30, 2002 (see Note 4. Investments in and Advances to Partially-Owned Entities). Prior to April 30, 2002, this investment was in the form of a loan and was included in Notes and Mortgage Loans Receivable on the balance sheet.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - (CONTINUED)

At February 3, 2003, the closing price of PGE shares on the New York Stock Exchange was \$5.30 per share. The ultimate realization of the Company's investment will depend upon the future performance of the Chicago real estate market and the performance of PGE, as well as the ultimate realizable value of the net assets supporting the guarantees and the Company's ability to collect under the guarantees. In addition, the Company will continue to monitor this investment to determine whether additional write-downs are required based on (i) declines in value of the shares of PGE (for which the partnership units are exchangeable) which are "other than temporary" as used in accounting literature and (ii) the amount expected to be realized under the guarantees.

WRITE-OFF INVESTMENTS IN TECHNOLOGY COMPANIES

In the first quarter of 2001, the Company recorded a charge of \$4,723,000 resulting from the write-off of an equity investment in a technology company. In the second quarter of 2001, the Company recorded an additional charge of \$13,561,000 resulting from the write-off of all of its remaining equity investments in technology companies due to both the deterioration of the financial condition of these companies and the lack of acceptance by the market of certain of their products and services. In the fourth quarter of 2001, the Company recorded \$1,481,000 of income resulting from the reversal of a deferred liability relating to the termination of an agreement permitting one of the technology companies access to its properties.

PARK LAUREL CONDOMINIUM PROJECT

In the third quarter of 2001, the Park Laurel joint venture (69% interest owned by the Company) completed the sale of 52 condominium units of the total 53 units and received proceeds of \$139,548,000. The Company's share of the after tax net gain was \$15,657,000. The Company's share of the after-tax net gain reflects \$3,953,000 (net of tax benefit of \$1,826,000) awards accrued under the venture's incentive compensation plan.

On January 2, 2002, the Newkirk Joint Ventures' partnership interests were merged into a master limited partnership (the "MLP") in which the Company has a 21.7% interest. In conjunction with the merger, the MLP completed a \$225,000 mortgage financing collateralized by its properties, subject to the existing first and certain second mortgages on those properties. The loan bears interest at LIBOR plus 5.5% with a LIBOR floor of 3% (8.5% at February 3, 2003) and matures on January 31, 2005, with two one-year extension options. As a result of the financing on February 6, 2002, the MLP repaid approximately \$28,200 of existing debt and distributed approximately \$37,000 to the Company. In 2003, the Company expects to receive distributions of approximately \$9,000 from the Newkirk MLP.

(3) On October 10, 2002, a joint venture in which the Company owns a 50% interest acquired the Monmouth Mall. See Note 3 - "Acquisitions and Dispositions" for further details.

- (1) Equity in income in 2002 includes the Company's \$3,524 share of Alexander's gain on sale of its Third Avenue property. Equity in income in 2001 includes (i) the Company's \$6,298 share of Alexander's gain on sale of its Fordham Road property, (ii) a charge of \$1,684 representing the Company's share of abandoned development costs and (iii) \$1,170 representing the Company's share of Alexander's gain on the early extinguishment of debt on its Fordham Road property. Management and leasing fee income include fees of \$350 and \$520 paid to the Company in 2002 and 2001 in connection with sales of real estate.
- (2) Alexander's capitalizes the fees and interest charged by the Company. Because the Company owns 33.1% of Alexander's, the Company recognizes 66.9% of such amounts as income and the remainder is reflected as a reduction of the Company's carrying amount of the investment in Alexander's.
- (3) The Company owned a 34% interest in CESCR. On January 1, 2002, the Company acquired the remaining 66% of CESCR it did not previously own. Accordingly, CESCR is consolidated as of January 1, 2002.
- (4) Represents the Company's interests in 330 Madison Avenue (24.8%), 825 Seventh Avenue (50%) and 570 Lexington Avenue (50%). On May 17, 2001, the Company sold its 50% interest in 570 Lexington Avenue for \$60,000, resulting in a gain of \$12,445 which is not included in income in the table above.
- (5) Represents the Company's share of net loss for the period from April 30, 2002 (date of acquisition) to September 30, 2002, which includes (i) a loss of \$357 from discontinued operations and (ii) a loss of \$147 from the sale

of real estate. The Company's share of equity in income or loss for the period from October 1, 2002 to December 31, 2002 will be recognized in earnings in the quarter ended March 31, 2003, as the investee has not released its earnings for the year ended December 31, 2002 prior to the filing of the Company's annual report on Form 10-K.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - (CONTINUED)

ALEXANDER'S

OWNERSHIP

The Company owns 1,655,000 common shares or 33.1% of the outstanding common stock of Alexander's at December 31, 2002. Alexander's is managed by and its properties are leased and developed by the Company pursuant to management, leasing and development agreements with one-year terms expiring in March of each year, which are automatically renewable. In conjunction with the closing of the Alexander's Lexington Avenue construction loan on July 3, 2002, these agreements were revised to cover the Alexander's Lexington Avenue property separately. Further, the Lexington Avenue management and development agreements were amended to provide for a term lasting until substantial completion of the development of the property, with automatic renewals, and for the payment of the development fee upon the earlier of January 3, 2006, or the payment in full of the construction loan encumbering the property. The Company is entitled to a development fee estimated to be approximately \$26,300,000, based on 6% of construction costs, as defined, of which \$7,667,000 has been recognized as income during the year ended December 31, 2002.

DEBT

At December 31, 2002, the Company had loans receivable from Alexander's of \$119,000,000, including \$24,000,000 drawn under the \$50,000,000 line of credit the Company granted to Alexander's on August 1, 2000. The maturity date of the loan and the line of credit is the earlier of January 3, 2006 or the date the Alexander's Lexington Avenue construction loan is repaid. The interest rate on the loan and line of credit, which resets quarterly using the same spread to treasuries as presently exists with a 3% floor for treasuries, is 12.48% at December 31, 2002. The Company believes that although Alexander's has disclosed that it does not have positive cash flow sufficient to repay this loan to the Company currently, Alexander's will be able to repay the loan upon the successful development and permanent financing of its Lexington Avenue development project or through asset sales.

On July 3, 2002, Alexander's finalized a \$490,000,000 loan with HVB Real Estate Capital (HYPO Vereinsbank) to finance the construction of its approximately 1.3 million square foot multi-use building at its 59th Street and Lexington Avenue location. The estimated construction costs in excess of the construction loan of approximately \$140,000,000 will be provided by Alexander's. The loan has an interest rate of LIBOR plus 2.5% and a term of forty-two months plus two one-year extensions. Alexander's has received an initial funding of \$55,500,000 under the loan of which \$25,000,000 was used to repay existing loans and notes payable. Pursuant to this loan, Vornado has agreed to guarantee, among other things, the lien free, timely completion of the construction of the project and funding of project costs in excess of a stated budget, as defined in the loan agreement, if not funded by Alexander's (the "Completion Guarantee"). The \$6,300,000 estimated fee payable by Alexander's to the Company for the Completion Guarantee is 1% of construction costs (as defined) and is payable at the same time that the development fee is payable. In addition, if the Company should advance any funds under the Completion Guarantee in excess of the \$26,000,000 currently available under the secured line of credit, interest on those advances is at 15% per annum.

AGREEMENTS WITH ALEXANDER'S

Alexander's is managed by and its properties are leased by the Company, pursuant to agreements with a one-year term expiring in March of each year which are automatically renewable. The annual management fee payable to the Company by Alexander's is equal to the sum of (i) \$3,000,000, (ii) 3% of the gross income from the Kings Plaza Mall, and (iii) 6% of development costs with minimum guaranteed fees of \$750,000 per annum.

The leasing agreement provides for the Company to generally receive a fee of (i) 3% of sales proceeds and (ii) 3% of lease rent for the first ten years of a lease term, 2% of lease rent for the eleventh through the twentieth years of a lease term and 1% of lease rent for the twenty-first through thirtieth year of a lease term, subject to the payment of rents by Alexander's tenants. Such amount is receivable annually in an amount not to exceed \$2,500,000 until the present value of such installments (calculated at a discount rate of 9% per annum) equals the amount that would have been paid at the time the transactions which gave rise to the commissions occurred. At December 31, 2002, \$410,000 is due to the Company under this agreement.

ALEXANDER'S

OTHER

The Company constructed a \$16.3 million community facility and low-income residential housing development (the "30th Street Venture"), in order to receive 163,728 square feet of transferable development rights, generally referred to as "air rights". The Company donated the building to a charitable organization. The Company sold 106,796 square feet of these air rights to third parties at an average price of \$120 per square foot. An additional 28,821 square feet of air rights was sold to Alexander's at a price of \$120 per square foot for use at Alexander's 59th Street development project (the "59th Street Project"). In each case, the Company received cash in exchange for air rights. The Company identified third party buyers for the remaining 28,111 square feet of air rights related to the 30th Street Venture. These third party buyers wanted to use the air rights for the development of two projects located in the general area of 86th Street which was not within the required geographical radius of the construction site nor in the same Community Board as the low-income housing and community facility project. The 30th Street Venture asked Alexander's to sell 28,111 square feet of the air rights it already owned to the third party buyers (who could use them) and the 30th Street Venture would replace them with 28,111 square feet of air rights. In October 2002, the Company sold 28,111 square feet of air rights to Alexander's for an aggregate sales price of \$3,059,000 (an average of \$109 per square foot). Alexander's then sold an equal amount of air rights to the third party buyers for an aggregate sales price of \$3,339,000 (an average of \$119 per square foot).

On October 5, 2001, Alexander's entered into a ground lease for its Paramus, N.J. property with IKEA Property, Inc. The lease has a 40-year term with an option to purchase at the end of the 20th year for \$75,000,000. Further, Alexander's has obtained a \$68,000,000 interest only, non-recourse mortgage loan on the property from a third party lender. The interest rate on the debt is 5.92% with interest payable monthly until maturity in October 2011. The triple net rent each year is the sum of \$700,000 plus the amount of debt service on the mortgage loan. If the purchase option is not exercised at the end of the 20th year, the triple net rent for the last 20 years must include debt service sufficient to fully amortize the \$68,000,000 over the remaining 20 year lease period.

On May 1, 2001 Alexander's entered into a lease agreement with Bloomberg L.P., for approximately 695,000 square feet of office space. The initial term of the lease is for 25 years, with one ten-year renewal option. Base annual net rent is \$34,529,000 in each of the first four years and \$38,533,000 in the fifth year with similar percentage increases each four years. There can be no assurance that this project ultimately will be completed, completed on time or completed for the budgeted amount. If the project is not completed on a timely basis, the lease may be cancelled and significant penalties may apply.

On August 30, 2002, Alexander's sold its Third Avenue property, located in the Bronx, New York, which resulted in a gain of \$10,366,000. On January 12, 2001, Alexander's sold its Fordham Road property located in the Bronx, New York, for \$25,500,000, which resulted in a gain of \$19,026,000. In addition, Alexander's paid off the mortgage on its Fordham Road property at a discount, which resulted in a gain from early extinguishment of debt of \$3,534,000 in the first quarter of 2001.

5. NOTES AND MORTGAGE LOANS RECEIVABLE

LOAN TO COMMONWEALTH ATLANTIC PROPERTIES ("CAPI")

On March 4, 1999 the Company made an additional \$242,000,000 investment in Charles E. Smith Commercial Realty L.P. ("CESCR") by contributing to CESCR the land under certain CESCR office properties in Crystal City, Arlington, Virginia and partnership interests in certain CESCR subsidiaries. The Company acquired these assets from Commonwealth Atlantic Properties, Inc. ("CAPI"), an affiliate of Lazard Freres Real Estate Investors L.L.C., for \$242,000,000, immediately prior to the contribution to CESCR. In addition, the Company acquired from CAPI for \$8 million the land under a Marriott Hotel located in Crystal City. The Company paid the \$250,000,000 purchase price to CAPI by issuing 4,998,000 of the Company's Series E-1 convertible preferred units. In connection with these transactions, the Company agreed to make a five-year \$41,200,000 loan to CAPI with interest at 8%, increasing to 9% ratably over the term. The loan is secured by approximately 1.1 million of the Company's Series E-1 convertible preferred units issued to CAPI. Each Series E-1 convertible preferred unit is convertible

into 1.1364 of the Company's common shares.

LOAN TO VORNADO OPERATING COMPANY ("VORNADO OPERATING")

At December 31, 2002, the amount outstanding under the revolving credit agreement with Vornado Operating was \$21,989,000. Vornado Operating has disclosed that in the aggregate its investments do not, and for the foreseeable future are not expected to, generate sufficient cash flow to pay all of its debts and expenses. Further, Vornado Operating states that its only investee, AmeriCold Logistics ("Tenant"), anticipates that its Landlord, a partnership 60% owned by the Company and 40% owned by Crescent Real Estate Equities, will need to restructure the leases between the Landlord and the Tenant to provide additional cash flow to the Tenant (the Landlord has previously restructured the leases to provide additional cash flow to the Tenant). Management anticipates a further lease restructuring and the sale and/or financing of assets by AmeriCold Logistics, and accordingly, Vornado Operating is expected to have a source to repay the debt under this facility, which may be extended. Since January 1, 2002, the Company has not recognized interest income on the debt under this facility. The Company has assessed the collectibility of this loan as of December 31, 2002 and determined that it is not impaired.

DEARBORN CENTER MEZZANINE CONSTRUCTION LOAN

As of December 31, 2002, \$60,758,000 is outstanding under the Dearborn Center Mezzanine Construction Loan to a special purpose entity, of which \$23,392,000 has been funded by the Company, representing a 38.5% interest. The special purpose entity's sole asset is Dearborn Center, a 1.5 million square foot high-rise office tower under construction in Chicago. The entity is owned by Prime Group Realty L.P. and another investor. The Company is a member of a loan syndicate led by a money center bank. The proceeds of the loan are being used to finance the construction, and are subordinate to a \$225,000,000 first mortgage. The loan is due January 21, 2004, three years from the date of the initial draw, and provides for a 1-year extension at the borrower's option (assuming net operating income at a specified level and a cash reserve sufficient to fund interest for the extension period). The loan bears interest at 12% per annum plus additional interest upon repayment ranging from a minimum of 9.5% to 11.5%.

-
- On January 11, 2001, the Company completed a \$105,000 refinancing of its 888 Seventh Avenue office building. The loan bears interest at a fixed rate of 6.63% and matures on February 1, 2006. A portion of the proceeds received was used to repay the then existing mortgage of \$55,000.
 - On January 1, 2002, the Company acquired the remaining 66% of CESCR it did not previously own. Prior to January 1, 2002, the Company's share of CESCR's debt was included in Investments in and Advances to Partially-Owned Entities. In connection with the acquisition, CESCR's fixed rate debt of \$1,282,780 was fair valued at \$1,317,428 under purchase accounting.
 - On September 23, 2002, the Company acquired the 50% of the Mall and the 25% of Kmart's anchor store it did not already own. Prior to this date, the Company accounted for its investment on the equity method and the Company's share of the debt was included in Investments in and Advances to Partially-Owned Entities.
 - On July 11, 2001, the Company completed a \$50,000 refinancing of its Market Square Complex. The loan bears interest at a fixed rate of 7.95% per annum and matures in July 2011. The proceeds received were used to repay the then existing mortgage of \$49,000.

- (5) On October 16, 2001, the Company completed a \$49,000 refinancing of its Washington Design Center property. The loan bears interest at a fixed rate of 6.95% and matures on October 16, 2011. A portion of the proceeds received was used to repay the then existing mortgage of \$23,000.
- (6) On September 20, 2001, the Company completed a \$50,000 mortgage financing, cross collateralized by its eight industrial warehouse properties. The loan bears interest at a fixed rate of 6.95% per annum and matures on October 1, 2011.
- (7) On June 21, 2002, one of the lenders purchased the other participant's interest in the loan. At the same time, the loan was extended for one year, with certain modifications including, (i) making the risk of a loss due to terrorism (as defined) not covered by insurance recourse to the Company and (ii) the granting of two 1-year renewal options to the Company.
- (8) On April 1, 2002, the Company increased its mortgage financing cross collateralized by its 770 Broadway/595 Madison Avenue properties by \$115,000. On July 15, 2002, the Company repaid \$84,841 with proceeds received from a third party which resulted in a gain on transfer of mortgages of \$2,096. The proceeds of the loan are in a restricted mortgage escrow account which bears interest at the same rate as the loan, and at December 31, 2002 totals \$153,659.
- (9) On June 24, 2002, the Company completed an offering of \$500,000 aggregate principal amount of 5.625% senior unsecured notes due June 15, 2007. Interest on the notes is payable semi-annually on June 15th and December 15th, commencing December 15, 2002. The notes were priced at 99.856% of their face amount to yield 5.659%. The net proceeds of approximately \$496,300 were used to repay the mortgage payable on 350 North Orleans, Two Park Avenue, the Merchandise Mart and Seven Skyline. On June 27, 2002, the Company entered into interest rate swaps that effectively converted the interest rate on the \$500,000 senior unsecured notes due 2007 from a fixed rate of 5.625% to a floating rate of LIBOR plus .7725%, based upon the trailing 3 month LIBOR rate (2.15% if set on December 31, 2002). As a result of the hedge accounting for the interest rate swap on the Company's senior unsecured debt, the Company recorded a fair value adjustment of \$34,245, as of December 31, 2002 which is equal to the fair value of the interest rate swap asset.

-127-

The net carrying amount of properties collateralizing the notes and mortgages amounted to \$4,938,012,000 at December 31, 2002. As at December 31, 2002, the principal repayments for the next five years and thereafter are as follows:

(\$ in thousands)

YEAR ENDING DECEMBER 31, -----	AMOUNT -----
2003.....	\$ 449,526(1)
2004.....	402,949
2005.....	302,640
2006.....	261,385
2007.....	822,536
Thereafter.....	1,832,284

(1) Includes \$153,659 which is offset by an equivalent amount of cash held in a restricted mortgage escrow account.

The Company's debt instruments, consisting of mortgage loans secured by its properties (which are generally non-recourse to the Company), its revolving credit agreement and its senior unsecured notes due 2007, contain customary covenants requiring the Company to maintain insurance. There can be no assurance that the lenders under these instruments will not take the position that an exclusion from all risk insurance coverage for losses due to terrorist acts is a breach of these debt instruments that allows the lenders to declare an event of default and accelerate repayment of debt. The Company has received correspondence from four lenders regarding terrorism insurance coverage, to which the Company has responded. In these letters the lenders took the position that under the agreements governing the loans provided by these lenders the Company was required to maintain terrorism insurance on the properties securing the various loans. The aggregate amount of borrowings under these loans as of December 31, 2002 was approximately \$770.4 million, and there was no additional borrowing capacity. Subsequently, the Company obtained an aggregate of \$360 million of separate coverage for "terrorist acts". To date, one of the lenders has acknowledged to the Company that it will not raise any further questions based on the Company's terrorism insurance coverage in place, and the other three lenders have not raised any further questions regarding the Company's insurance coverage. If lenders insist on greater coverage for these risks, it could adversely affect the Company's ability to finance and/or refinance its properties and to expand its portfolio.

7. SHAREHOLDERS' EQUITY

During the three years ended December 31, 2002, the Company sold 11,173,743 common shares. The following are the details of the sales.

SALE AND ISSUANCE OF COMMON SHARES

On February 25, 2002, the Company sold 1,398,743 common shares based on the closing price of \$42.96 on the NYSE. The net proceeds to the Company were approximately \$56,453,000.

On November 19, 2001, the Company sold 9,775,000 common shares pursuant to an effective registration statement based on the closing price of \$40.58 on the NYSE. The net proceeds to the Company were approximately \$377,200,000. In connection therewith the Company repaid the \$285,000,000 then outstanding under its revolving credit facility.

\$3.25 SERIES A PREFERRED SHARES OF BENEFICIAL INTEREST

Holders of Series A Preferred Shares of beneficial interest are entitled to receive dividends in an amount equivalent to \$3.25 per annum per share. These dividends are cumulative and payable quarterly in arrears. The Series A Preferred Shares are convertible at any time at the option of their respective holders at a conversion rate of 1.38504 common shares per Series A Preferred Share, subject to adjustment in certain circumstances. In addition, upon the satisfaction of certain conditions the Company, at its option, may redeem the \$3.25 Series A Preferred Shares at a current conversion rate of 1.38504 common shares per Series A Preferred Share, subject to adjustment in certain circumstances. At no time will the Series A Preferred Shares be redeemable for cash.

SERIES B PREFERRED SHARES OF BENEFICIAL INTEREST

Holders of Series B Preferred Shares of beneficial interest are entitled to receive dividends at an annual rate of 8.5% of the liquidation preference, or \$2.125 per Series B Preferred Share per annum. These dividends are cumulative and payable quarterly in arrears. The Series B Preferred Shares are not convertible into or exchangeable for any other property or any other securities of the Company at the election of the holders. However, subject to certain limitations relating to the source of funds used in connection with any such redemption, on or after March 17, 2004 (or sooner under limited circumstances), the Company, at its option, may redeem Series B Preferred Shares at a redemption price of \$25.00 per share, plus any accrued and unpaid dividends through the date of redemption. The Series B Preferred Shares have no maturity date and will remain outstanding indefinitely unless redeemed by the Company.

SERIES C PREFERRED SHARES OF BENEFICIAL INTEREST

Holders of Series C Preferred Shares of beneficial interest are entitled to receive dividends at an annual rate of 8.5% of the liquidation preference, or \$2.125 per Series C Preferred Share per annum. These dividends are cumulative and payable quarterly in arrears. 8. EMPLOYEES' SHARE OPTION PLAN

The Company grants various officers and employees incentive share options and non-qualified options to purchase common shares. Options granted are at prices equal to 100% of the market price of the Company's shares at the date of grant. Shares vest on a graduated basis, becoming fully vested 36 months after grant. All options expire ten years after grant.

The Plan also provides for the award of Stock Appreciation Rights, Performance Shares and Restricted Stock, as defined. As of December 31, 2002, there were 250,927 restricted shares or rights to receive restricted shares outstanding, excluding 626,566 shares issued to the Company's President in connection with his employment agreement.

In 2002 and prior years, the Company accounted for stock-based compensation using the intrinsic value method. Accordingly, no stock-based compensation was recognized in the Company's financial statements for these years. If compensation cost for Plan awards had been determined based on fair value at the grant dates, net income and income per share would have been reduced to the pro-forma amounts below, for the years ended December 31, 2002, 2001, and 2000:

9. RETIREMENT PLAN

In December 1997, benefits under the Company's Retirement Plan were frozen. Prior to December 31, 1997, the Company's qualified plan covered all full-time employees. The Plan provided annual pension benefits that were equal to 1% of the employee's annual compensation for each year of participation. The funding policy is in accordance with the minimum funding requirements of ERISA.

Pension expense includes the following components:

10. LEASES

AS LESSOR:

The Company leases space to tenants in office buildings and shopping centers under operating leases. Most of the leases provide for the payment of fixed base rentals payable monthly in advance. Shopping center leases provide for the pass-through to tenants of real estate taxes, insurance and maintenance. Office building leases generally require the tenants to reimburse the Company for operating costs and real estate taxes above their base year costs. Shopping center leases also provide for the payment by the lessee of additional rent based on a percentage of the tenants' sales. As of December 31, 2002, future base rental revenue under non-cancelable operating leases, excluding rents for leases with an original term of less than one year and rents resulting from the exercise of renewal options, is as follows:

(\$ in thousands)

YEAR ENDING DECEMBER 31:	AMOUNT
-----	-----
2003.....	\$ 1,078,251
2004.....	980,075
2005.....	856,829
2006.....	755,350
2007.....	679,393
Thereafter.....	3,427,665

These amounts do not include rentals based on tenants' sales. These percentage rents approximated \$1,832,000, \$2,157,000, and \$4,825,000 for the years ended December 31, 2002, 2001, and 2000.

FORMER BRADLEES LOCATIONS

The Company previously leased 18 locations to Bradlees which closed all of its stores in February 2001. The Company has re-leased nine of the former Bradlees locations; three to Kohl's, two each to Lowe's and Haynes Furniture, and one each to Home Depot and Wal-Mart. Lowe's and Wal-Mart will construct their own stores, subject to the receipt of various governmental approvals and the relocation of existing tenants. In addition, the leases for four other former Bradlees locations were assigned by Bradlees to other retailers. Of the remaining five locations which are currently vacant, two of the leases are guaranteed and the rent is being paid by Stop & Shop, a wholly-owned subsidiary of Koninklijke Ahold NV (formerly Royal Ahold NV), an international food retailer. Stop & Shop remains contingently liable for rent at a number of the

former Bradlees locations for the term of the Bradlees leases.

Property rentals for the year ended December 31, 2002, include \$5,000,000 of additional rent which was re-allocated to the former Bradlees locations in Marlton, Turnersville, Bensalem and Broomall and is payable by Stop & Shop, pursuant to the Master Agreement and Guaranty, dated May 1, 1992. This amount is in addition to all other rent guaranteed at the former Bradlees locations. On January 8, 2003, Stop & Shop filed a complaint with the United States District Court claiming the Company has no right to reallocate and therefore continue to collect the \$5,000,000 of annual rent from Stop & Shop because of the expiration of the East Brunswick, Jersey City, Middletown, Union and Woodbridge leases to which the \$5,000,000 of additional rent was previously allocated. The additional rent provision of the guaranty expires at the earliest in 2012. The Company intends to vigorously contest Stop & Shop's position.

In February 2003, Koninklijke Ahold NV, parent of Stop & Shop, announced that it overstated its 2002 and 2001 earnings by at least \$500 million and is under investigation by the U.S. Justice Department and Securities and Exchange Commission. The Company cannot predict what effect, if any, this situation involving Koninklijke Ahold NV may have on Stop & Shop's ability to satisfy its obligation under the Bradlees guarantees and rent for existing Stop & Shop leases aggregating approximately \$10,500,000 per annum.

Except for the U.S. Government, which accounted for 11.4% of the Company's revenue, none of the Company's other tenants represented more than 10% of total revenues for the year ended December 31, 2002.

AS LESSEE:

The Company is a tenant under operating leases for certain properties. These leases will expire principally during the next thirty years. Future minimum lease payments under operating leases at December 31, 2002, are as follows:

(\$ in thousands)

YEAR ENDING DECEMBER 31: -----	AMOUNT -----

11. COMMITMENTS AND CONTINGENCIES

At December 31, 2002, the Company's \$1,000,000,000 revolving credit facility had a zero balance, and the Company utilized \$9,112,000 of availability under the facility for letters of credit and guarantees. In addition there were \$7,667,000 of other letters of credit outstanding.

In conjunction with the closing of Alexander's Lexington Avenue construction loan on July 3, 2002, the Company agreed to guarantee, among other things, the lien free, timely completion of the construction of the project and funding of all project costs in excess of a stated budget, as defined in the loan agreement, if not funded by Alexander's (see note 4 - Investments in and Advances to Partially-Owned Entities).

Each of the Company's properties has been subjected to varying degrees of environmental assessment at various times. The environmental assessments did not reveal any material environmental contamination. However, there can be no assurance that the identification of new areas of contamination, changes in the extent or known scope of contamination, the discovery of additional sites, or changes in cleanup requirements would not result in significant costs to the Company.

The Company carries comprehensive liability and all risk property insurance (fire, flood, extended coverage and rental loss insurance) with respect to its assets. The Company's all risk insurance policies in effect before September 11, 2001 do not expressly exclude coverage for hostile acts, except for acts of war. Since September 11, 2001, insurance companies have for the most part excluded terrorist acts from coverage in all risk policies. The Company has generally been unable to obtain all risk insurance which includes coverage for terrorist acts for policies it has renewed since September 11, 2001, for each of its businesses. In 2002, the Company obtained \$200,000,000 of separate coverage for terrorist acts for each of its New York City Office, Washington, D.C. Office, Retail and Merchandise Mart businesses and \$60,000,000 for its Temperature Controlled Logistics business. Therefore, the Company is at risk for financial loss in excess of these limits for terrorist acts (as defined), which loss could be material.

The Company's debt instruments, consisting of mortgage loans secured by its properties (which are generally non-recourse to the Company), its senior unsecured notes due 2007 and its revolving credit agreement, contain customary covenants requiring the Company to maintain insurance. There can be no assurance that the lenders under these instruments will not take the position that an exclusion from all risk insurance coverage for losses due to terrorist acts is a breach of these debt instruments that allows the lenders to declare an event of default and accelerate repayment of debt. In the second quarter of 2002, the Company received correspondence from four lenders regarding terrorism insurance coverage, which the Company has responded to. In these letters the lenders took the position that under the agreements governing the loans provided by these lenders the Company was required to maintain terrorism insurance on the properties securing the various loans. The aggregate amount of borrowings under these loans as of December 31, 2002 was approximately \$770.4 million, and there was no additional borrowing capacity. Subsequently, the Company obtained an aggregate of \$360 million of separate coverage for "terrorist acts". To date, one of the lenders has acknowledged to the Company that it will not raise any further questions based on the Company's terrorism insurance coverage in place, and the other three lenders have not raised any further questions regarding the Company's insurance coverage. If lenders insist on greater coverage for these risks, it could adversely affect the Company's ability to finance and/or refinance its properties and to expand its portfolio.

From time to time, the Company has disposed of substantial amounts of real estate to third parties for which, as to certain properties, it remains contingently liable for rent payments or mortgage indebtedness.

There are various legal actions against the Company in the ordinary course of business. In the opinion of management, after consultation with legal counsel, the outcome of such matters will not have a material effect on the Company's financial condition, results of operations or cash flow.

The Company enters into agreements for the purchase and resale of U.S. government obligations for periods of up to one week. The obligations purchased under these agreements are held in safekeeping in the name of the Company by various money center banks. The Company has the right to demand additional collateral or return of these invested funds at any time the collateral value is less than 102% of the invested funds plus any accrued earnings thereon. The Company had \$33,393,000 and \$15,235,000 of cash invested in these agreements at December 31, 2002 and 2001.

12. RELATED PARTY TRANSACTIONS

LOAN AND COMPENSATION AGREEMENTS

On May 29, 2002, Mr. Roth replaced common shares of the Company securing the Company's outstanding loan to Mr. Roth with options to purchase common shares of the Company with a value of not less than two times the loan amount. As a result of the decline in the value of the options, Mr. Roth supplemented the collateral with cash and marketable securities.

At December 31, 2002, the loan due from Mr. Roth in accordance with his employment arrangement was \$13,122,500 (\$4,704,500 of which is shown as a reduction in shareholders' equity). The loan bears interest at 4.49 % per annum (based on the applicable Federal rate) and matures in January 2006. The Company also provided Mr. Roth with the right to draw up to \$15,000,000 of additional loans on a revolving basis. Each additional loan will bear interest, payable quarterly, at the applicable Federal rate on the date the loan is made and will mature on the sixth anniversary of the loan.

At December 31, 2002, loans due from Mr. Fascitelli, in accordance with his employment agreement, aggregated \$8,600,000. The loans which were scheduled to mature in 2003 have been extended to 2006 in connection with the extension of Mr. Fascitelli's employment agreement (discussed below), and bear interest, payable quarterly at a weighted average interest rate of 3.97% (based on the

applicable Federal rate).

Pursuant to his 1996 employment agreement, Mr. Fascitelli became entitled to a deferred payment consisting of \$5 million in cash and a convertible obligation payable November 30, 2001, at the Company's option, in either 919,540 Company common shares or the cash equivalent of their appreciated value, so long as such appreciated value is not less than \$20 million. The Company delivered 919,540 shares to a rabbi trust upon execution of the 1996 employment agreement. The Company accounted for the stock compensation as a variable arrangement in accordance with Plan B of EITF No. 97-14 "Accounting for Deferred Compensation Arrangements Where Amounts Earned Are Held in a Rabbi Trust and Invested" as the agreement permitted settlement in either cash or common shares. Following the guidance in EITF 97-14, the Company recorded changes in fair value of its compensation obligation with a corresponding increase in the liability "Officer's Deferred Compensation". Effective as of June 7, 2001, the payment date was deferred until November 30, 2004. Effective as of December 14, 2001, the payment to Mr. Fascitelli was converted into an obligation to deliver a fixed number of shares (919,540 shares) establishing a measurement date for the Company's stock compensation obligation; accordingly the Company ceased accounting for the Rabbi Trust under Plan B of the EITF and began Plan A accounting. Under Plan A, the accumulated liability representing the value of the shares on December 14, 2001, was reclassified as a component of Shareholders' Equity as "Deferred compensation shares earned but not yet delivered." In addition, future changes in the value of the shares are no longer recognized as additional compensation expense. The fair value of this obligation was \$34,207,000 at December 31, 2002. The Company has reflected this liability as Deferred Compensation Shares Not Yet Delivered in the Shareholders' Equity section of the balance sheet. For the years ended December 31, 2001 and 2000, the Company recognized approximately \$4,744,000 and \$3,733,000 of compensation expense of which \$2,612,000 and \$1,968,000 represented the appreciation in value of the shares in each period and \$2,132,000 and \$1,765,000 represented dividends paid on the shares.

Effective January 1, 2002, the Company extended its employment agreement with Mr. Fascitelli for a five-year period through December 31, 2006. Pursuant to the extended employment agreement, Mr. Fascitelli is entitled to receive a deferred payment on December 31, 2006 of 626,566 Vornado common shares which are valued for compensation purposes at \$27,500,000 (the value of the shares on March 8, 2002, the date the extended employment agreement was executed). The shares are being held in a rabbi trust for the benefit of Mr. Fascitelli and vested 100% on December 31, 2002. The extended employment agreement does not permit diversification, allows settlement of the deferred compensation obligation by delivery of these shares only, and permits the deferred delivery of these shares. The value of these shares is being amortized ratably over the one year vesting period as compensation expense.

Pursuant to the Company's annual compensation review in February 2002 with Joseph Macnow, the Company's Chief Financial Officer, the Compensation Committee approved a \$2,000,000 loan to Mr. Macnow, bearing interest at the applicable federal rate of 4.65% per annum and due January 1, 2006. The loan, which was funded on July 23, 2002, was made in conjunction with Mr. Macnow's June 2002 exercise of options to purchase 225,000 shares of the Company's common stock. The loan is collateralized by assets with a value of not less than two times the loan amount. As a result of the decline in the value of the options, Mr. Macnow supplemented the collateral with cash and marketable securities.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - (CONTINUED)

One other executive officer of the Company has a loan outstanding pursuant to an employment agreement totaling \$1,500,000 at December 31, 2002. The loan matures in April 2005 and bears interest at the applicable Federal rate provided (4.5% at December 31, 2002).

TRANSACTIONS WITH AFFILIATES AND OFFICERS AND TRUSTEES OF THE COMPANY

ALEXANDER'S

The Company owns 33.1% of Alexander's. Mr. Roth and Mr. Fascitelli are Officers and Directors of Alexander's and the Company provides various services to Alexander's in accordance with management and leasing agreements. See Note 4 "Investments in Partially-Owned Entities" for further details.

The Company constructed a \$16.3 million community facility and low-income residential housing development (the "30th Street Venture"), in order to receive 163,728 square feet of transferable development rights, generally referred to as "air rights". The Company donated the building to a charitable organization. The Company sold 106,796 square feet of these air rights to third parties at an average price of \$120 per square foot. An additional 28,821 square feet of air rights was purchased by Alexander's at a price of \$120 per square foot for use at Alexander's 59th Street development project (the "59th Street Project"). In each case, the Company received cash in exchange for air rights. The Company identified third party buyers for the remaining 28,111 square feet of air rights related to the 30th Street Venture. These third party buyers wanted to use the

air rights for the development of two projects located in the general area of 86th Street which was not within the required geographical radius of the construction site nor in the same Community Board as the low-income housing and community facility project. The 30th Street Venture asked Alexander's to sell 28,111 square feet of the air rights it already owned to the third party buyers (who could use them) and the 30th Street Venture would replace them with 28,111 square feet of air rights. In October 2002, the Company sold 28,111 square feet of air rights to Alexander's for an aggregate purchase price of \$3,059,000 (an average of \$109 per square foot). Alexander's then sold an equal amount of air rights to the third party buyers for an aggregate purchase price of \$3,339,000 (an average of \$119 per square foot).

INTERSTATE PROPERTIES

The Company currently manages and leases the real estate assets of Interstate Properties pursuant to a management agreement for which the Company receives an annual fee equal to 4% of base rent and percentage rent and certain other commissions. The management agreement has a term of one year and is automatically renewable unless terminated by either of the parties on sixty days' notice at the end of the term. Although the management agreement was not negotiated at arm's length, the Company believes based upon comparable fees charged by other real estate companies, that its terms are fair to the Company. For the years ended December 31, 2002, 2001, and 2000, \$1,450,000, \$1,655,000, and \$1,418,000 of management fees were earned by the Company pursuant to the management agreement.

BUILDING MAINTENANCE SERVICE COMPANY ("BMS")

On January 1, 2003, the Company acquired BMS, a company which provides cleaning and related services primarily to the Company's Manhattan office properties, for \$13,000,000 in cash from the estate of Bernard Mendik and certain other individuals including Mr. Greenbaum, an executive officer of the Company. The Company paid BMS \$53,024,000, \$51,280,000, and \$47,493,000 for the years ended December 31, 2002, 2001 and 2000 for services rendered to the Company's Manhattan office properties. Although the terms and conditions of the contracts pursuant to which these services were provided were not negotiated at arms length, the Company believes based upon comparable amounts charged to other real estate companies that the terms and conditions of the contracts were fair to the Company.

VORNADO OPERATING COMPANY

In October 1998, Vornado Operating Company ("Vornado Operating") was spun off from the Company in order to own assets that the Company could not itself own and conduct activities that the Company could not itself conduct. The Company granted Vornado Operating a \$75,000,000 unsecured revolving credit facility (the "Revolving Credit Agreement") which expires on December 31, 2004. Borrowings under the Revolving Credit Agreement bear interest at LIBOR plus 3%. The Company receives a commitment fee equal to 1% per annum on the average daily unused portion of the facility. No amortization is required to be paid under the Revolving Credit Agreement during its term. The Revolving Credit Agreement prohibits Vornado Operating from incurring indebtedness to third parties (other than certain purchase money debt and certain other exceptions) and prohibits Vornado Operating from paying dividends.

Vornado Operating has disclosed that in the aggregate its investments do not, and for the foreseeable future are not expected to, generate sufficient cash flow to pay all of its debts and expenses. Further, Vornado Operating states that its only investee, AmeriCold Logistics ("Tenant"), anticipates that its Landlord, a partnership 60% owned by the Company and 40% owned by Crescent Real Estate Equities, will need to restructure the leases between the Landlord and the Tenant to provide additional cash flow to the Tenant (the Landlord has previously restructured the leases to provide additional cash flow to the Tenant). Management anticipates a further lease restructuring and the sale and/or financing of assets by AmeriCold Logistics, and accordingly, Vornado Operating is expected to have a source to repay the debt under this facility, which may be extended. Since January 1, 2002, the Company has not recognized interest income on the debt under this facility.

CARTHAGE, MISSOURI AND KANSAS CITY, KANSAS QUARRIES

On December 31, 2002, the Company and Crescent Real Estate Equities formed a joint venture to acquire the Carthage, Missouri and Kansas City, Kansas quarries from AmeriCold Logistics, the tenant of the Temperature Controlled Logistics facilities for \$20,000,000 in cash. The Company contributed cash of \$8,800,000 to the joint venture representing its 44% interest. AmeriCold Logistics used the proceeds from the sale to repay a portion of a loan to Vornado Operating. Vornado Operating then repaid \$9,500,000 of the amount outstanding under the Company's Revolving Credit Facility. On December 31, 2002, the joint venture purchased \$5,720,000 of trade receivables from AmeriCold Logistics at a 2% discount, of which the

Company's share was \$2,464,000.

OTHER

The Company owns preferred securities in Capital Trust, Inc. ("Capital Trust") totaling \$29,212,000 at December 31, 2002. Mr. Roth, the Chairman and Chief Executive Officer of Vornado Realty Trust, is a member of the Board of Directors of Capital Trust.

On May 17, 2001, the Company sold its 50% interest in 570 Lexington Avenue to the other venture partner, an entity controlled by the late Bernard Mendik, a former trustee and executive officer of the Company, for \$60,000,000, resulting in a gain to the Company of \$12,445,000. The sale was initiated by the Company's partner and was based on a competitive bidding process handled by an independent broker. The Company believes that the terms of the sale were at arm's length and were fair to the Company.

During 2002 and 2001, the Company paid \$147,000 and \$136,000 for legal services to a firm in which one of the Company's trustees is a member.

On January 1, 2001, the Company acquired the common stock of various preferred stock affiliates which was owned by Officers and Trustees of the Company and converted them to taxable REIT subsidiaries. The total acquisition price was \$5,155,000. The purchase price, which was the estimated fair value, was determined by both independent appraisal and by reference to the individuals' pro rata share of the earnings of the preferred stock affiliates during the three-year period that these investments were held.

In connection with the Park Laurel condominium project, in 2001 the joint venture accrued \$5,779,000 of awards under the venture's incentive compensation plan.

- (1) The total for the year may differ from the sum of the quarters as a result of weighting.
- (2) Restated to include the effect of SFAS 141 - Business Combinations, for the amortization of above and below market leases acquired in 2002. The effect of restatement on each of the first three quarters on net income and net income per common share was \$940 or \$.02 per diluted share.

16. COSTS OF ACQUISITIONS AND DEVELOPMENT NOT CONSUMMATED

The Company has a 70% interest in a joint venture to develop an office tower over the Port Authority Bus Terminal in New York City. Current market conditions have resulted in the joint venture writing off \$9,700,000 in 2002, representing all pre-development costs capitalized to date, of which the Company's share is \$6,874,000.

In 2001, the Company was unable to reach a final agreement with the Port Authority of NY & NJ to conclude a net lease of the World Trade Center. Accordingly, the Company wrote-off costs of \$5,223,000 primarily associated with the World Trade Center.

17. SEGMENT INFORMATION

The Company has four business segments: Office, Retail, Merchandise Mart Properties and Temperature Controlled Logistics. Prior to 2001, income from the Company's preferred stock affiliates ("PSAs") was included in income from partially-owned entities. On January 1, 2001, the Company acquired the common stock of its PSAs and converted these entities to taxable REIT subsidiaries. Accordingly, the Hotel portion of the Hotel Pennsylvania and the management companies (which provide services to the Company's business segments and operate the Trade Show business of the Merchandise Mart division) have been consolidated effective January 1, 2001. Amounts for the years ended December 31, 2000 have been reclassified to give effect to the consolidation of these entities as if consolidated as of January 1, 2000. In addition, the Company has revised Adjusted EBITDA as previously reported for the year ended December 31, 2001 and 2000 to include income from the early extinguishment of debt of \$1,170,000 in 2001 and expense from the early extinguishment of debt of \$1,125,000 in 2000 because such items are no longer treated as extraordinary items in accordance with Generally Accepted Accounting Principles.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS - (CONTINUED)

NOTES:

(1) Adjusted EBITDA represents EBITDA adjusted for gains or losses on sales of depreciable real estate, the effect of straight-lining of rent escalations, amortization of acquired above and below market leases and minority interest. Management considers Adjusted EBITDA a supplemental measure for making decisions and assessing the performance of its segments. Adjusted EBITDA should not be considered a substitute for net income or a substitute for cash flow as a measure of liquidity. Adjusted EBITDA is presented as a measure of "operating performance" which enables the reader to identify trends from period to period and may be used to compare "same store" operating performance to other companies, as well as providing a measure for determining funds available to service debt. Adjusted EBITDA may not be comparable to similarly titled measures employed by other companies.

ITEM 9. CHANGES IN AND DISAGREEMENTS WITH INDEPENDENT AUDITORS ON ACCOUNTING AND FINANCIAL DISCLOSURE

Not applicable.

PART III

ITEM 10. DIRECTORS AND EXECUTIVE OFFICERS OF THE REGISTRANT

Information relating to trustees of the Registrant will be contained in a definitive Proxy Statement involving the election of trustees under the caption "Election of Trustees", which the Registrant will file with the Securities and Exchange Commission pursuant to Regulation 14A under the Securities Exchange Act of 1934 not later than 120 days after December 31, 2002, and such information is incorporated herein by reference. Information relating to Executive Officers of the Registrant appears at page 55 of this Annual Report on Form 10-K. Also incorporated herein by reference is the information under the caption ("Other Matters - 16(a) Beneficial Ownership") of the Proxy Statement.

ITEM 11. EXECUTIVE COMPENSATION

Information relating to executive compensation will be contained in the Proxy Statement referred to above in Item 10, "Directors and Executive Officers of the Registrant", under the captions "Executive Compensation" and such information is incorporated herein by reference.

ITEM 12. SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT AND RELATED SHAREHOLDER MATTERS

Information relating to security ownership of certain beneficial owners and management will be contained in the Proxy Statement referred to in Item 10, "Directors and Executive Officers of the Registrant", under the caption "Principal Security Holders" and such information is incorporated herein by reference.

EQUITY COMPENSATION PLAN INFORMATION

The following table provides information as of December 31, 2002, regarding the Company's equity compensation plans.

(1) All of the shares remaining available for future issuance under plans approved by the security holders may be issued as restricted stock units or performance shares.

(2) Does not include common shares issuable in exchange for deferred stock units pursuant to the compensation agreements described below under the heading "Material Features of Equity Compensation Arrangements Not Approved by Shareholders."

-147-

MATERIAL FEATURES OF EQUITY COMPENSATION ARRANGEMENTS NOT APPROVED BY SHAREHOLDERS

The Company has awarded deferred stock units under individual arrangements with two of its employees. Shareholder approval was not required for these awards under the current rules of the New York Stock Exchange because the awards were made as an inducement to these employees to enter into employment contracts with the Company.

The Company awarded Sandeep Mathrani 23,798 deferred stock units pursuant to an agreement dated as of March 4, 2002. Under this agreement, Mr. Mathrani's deferred stock units vest over a three-year period and he is entitled to dividend equivalent payments with regard to each vested unit. On March 4, 2005, Mr. Mathrani will receive one common share for each of his deferred stock units, subject to deferral at the election of Mr. Mathrani in accordance with the terms of the agreement.

The Company awarded Melvyn Blum 148,148 deferred stock units pursuant to an agreement dated as of December 29, 2000. Under this agreement, Mr. Blum's deferred stock units vest over a five-year period and he is entitled to dividend equivalent payments with regard to each vested unit. In addition, Mr. Blum's agreement requires the Company to provide an effective registration statement covering any common shares distributed to Mr. Blum. Pursuant to an amendment to this agreement dated as of February 13, 2003, the Company agreed to pay Mr. Blum an amount in cash equal to the market value of 88,889 common shares in respect of the deferred units that had vested under his agreement as of such date. The amendment also provides that Mr. Blum will receive one common share in respect of each remaining deferred stock unit on the vesting date of such unit, subject to deferral at the election of Mr. Blum in accordance with the terms of the agreement.

ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Information relating to certain relationships and related transactions will be contained in the Proxy Statement referred to in Item 10, "Directors and Executive Officers of the Registrant", under the caption "Certain Relationships and Related Transactions" and such information is incorporated herein by reference.

ITEM 14. CONTROLS AND PROCEDURES

Within the 90-day period prior to the filing of this Annual Report on Form 10-K, an evaluation was carried out under the supervision and with the participation of Vornado Realty Trust's management, including our Chief Executive Officer and Chief Financial Officer, of the effectiveness of the design and operation of our disclosure controls and procedures (as defined in Rule 13a-14(c) under the Securities Exchange Act of 1934). Based upon that evaluation, the Chief Executive Officer and Chief Financial Officer concluded that the design and operation of these disclosure controls and procedures were effective. No significant changes were made in our internal controls or in other factors that could significantly affect these controls subsequent to the date of their evaluation.

* These encumbrances are cross collateralized under a blanket mortgage in the amount of \$487,246 at December 31, 2002.

Notes:

- (1) Initial cost is cost as of January 30, 1982 (the date on which Vornado commenced real estate operations) unless acquired subsequent to that date -- see Column H.
- (2) The net basis of the company's assets and liabilities for tax purposes is approximately \$2,822,000 lower than the amount reported for financial statement purposes.
- (3) Date of original construction -- many properties have had substantial renovation or additional construction -- see Column D.
- (4) Buildings on these properties were demolished. As a result, the cost of the buildings and improvements, net of accumulated depreciation, were transferred to land. In addition, the cost of the land in Kearny property is net of a \$1,615 insurance recovery.

EXHIBIT 10.32

DEFERRED STOCK AGREEMENT

AGREEMENT, dated as of December 29, 2000, by and between Vornado Realty Trust, a Maryland real estate investment trust (the "Company") and Melvyn H. Blum (the "Executive"),

WHEREAS, the Executive and the Company desire to enter into an agreement setting forth the terms under which the Executive will surrender certain restricted stock granted to Executive pursuant to the Executive's employment agreement, dated as of January 22, 2000, by and between the Company and the Executive (the "Employment Agreement") in exchange for the Company's promise to pay him stock in the future as set forth herein;

NOW, THEREFORE, in consideration of the mutual covenants contained herein and other good and valuable consideration, the Executive and the Company agree as follows:

1. CANCELLATION OF RESTRICTED STOCK AND PAYMENT OF DEFERRED STOCK. The Executive hereby surrenders all of his rights, title and interest to the 148,148 shares of the Company's common shares of beneficial interest (the "Stock") granted to the Executive under Section 5(b) of the Employment Agreement. The Company agrees to pay the Executive 148,148 shares of Stock, together with such additional amounts as promised herein, at such time or times and subject to the terms and conditions of this Agreement.

2. STOCK UNIT ACCOUNT. The Company shall credit to a bookkeeping account (the "Account") maintained by the Company for the Executive's benefit 148,148 stock units, each of which shall be deemed to be the equivalent of one

share of Stock (the "Stock Units"). One-fifth of the Stock Units will vest on January 22, 2001, and an additional one-fifth of the Stock Units shall vest on each of the next four anniversaries of such date, provided that Executive remains an employee of the Company on each such date. The Executive shall be fully vested in all of the Stock Units in the event of the termination of his employment by the Company without Cause or by the Executive for Good Reason (as such terms are defined in the Employment Agreement).

The Company agrees that whenever any dividend is declared on the Stock, it will pay to the Executive in cash, on the date such dividend is paid, an amount per vested Stock Unit held in the Account as of the record date for such dividend equal to the amount per share of Stock paid by the Company to the holders of record of the Stock.

3. PAYMENT OF THE ACCOUNT. Except as otherwise provided in this Agreement, the Company shall pay to the Executive on each of January 22, 2003,

January 22, 2004 and January 22, 2005 (each, a "Payment Date") that number of shares of Stock which is equal to the number of vested Stock Units then credited to his Account. Notwithstanding the foregoing, upon the Executive's termination of employment by the Company for Cause (as defined in the Employment Agreement) prior to January 22, 2005, the Company shall pay to the Executive that number of shares of Stock which is equal to the number of vested Stock Units credited to his Account, in a lump sum within 10 business days following such termination.

4. FORM OF PAYMENT. Payments pursuant to the first sentence of Section 3 shall be made by the Company in a lump sum to the Executive as soon as practicable after the Payment Date, but in no case more than 10 business days after the Payment Date. The Executive may elect to change (i) the form of payment (to a lump sum or up to 10 equal annual installments) or (ii) the Payment Date to a later (but not an earlier) Payment Date, provided that any such election is made prior to the beginning of the year before the year in which the Payment Date then in effect would occur.

The Company agrees that at no cost to the Executive it will have an effective registration statement covering the number of shares of Stock equal to the Stock Units credited to his Account no later than January 22, 2003 (either separately in favor of the Executive, or covering the Executive and other persons) and that it will keep such registration statement effective until all such shares (i) have been sold or otherwise transferred by the Executive, (ii) cease to become payable due to the forfeiture of Stock Units as a result of the Executive's termination of employment or (iii) have become eligible for sale pursuant to Rule 144(k) of the Securities Act of 1933 (or any similar provision then in force).

5. BENEFICIARY. In the event of the Executive's death prior to the payment with respect to all of the vested Stock Units credited to his Account, the remaining payments shall be made to the last beneficiary designated in writing which is received by the Company prior to the Executive's death or, if no designated beneficiary survives the Executive, such payments shall be made in a lump sum to the Executive's estate.

6. SOURCE OF PAYMENTS. The Executive's right to receive payment under this Agreement shall be an unfunded entitlement and shall be an unsecured claim against the general assets of the Company. The Executive has only the status of a general unsecured creditor hereunder, and this Agreement constitutes only a promise by the Company to pay the value of the Account on any required payment due. The Company may withhold from any amounts payable under this Agreement such Federal, state and local taxes as shall be required to be withheld pursuant to any applicable law or regulation.

2

7. NONTRANSFERABILITY. This Agreement shall not be assignable or transferable by the Executive (otherwise than by will or the laws of descent and distribution) or by the Company (other than to successors of the Company) and no amounts deferred under this Agreement, or any rights therein, shall be subject in any manner to any anticipation, alienation, sale, transfer, assignment, pledge, encumbrance, levy, lien, attachment, garnishment, debt or other charge or disposition of any kind.

8. NO RIGHT TO EMPLOYMENT. Nothing in this Agreement shall confer upon Executive the right to remain in employment with the Company.

9. ENTIRE AGREEMENT. This Agreement and the Employment Agreement contain all the understandings between the parties hereto pertaining to the matters referred to herein, and supersede all undertakings and agreements, whether oral or in writing, previously entered into by them with respect thereto.

10. AMENDMENT OR MODIFICATION; WAIVER. No provision of this Agreement may be amended, modified or waived unless such amendment or modification is agreed to in writing, signed by the Executive and by a duly authorized officer of the Company, and such waiver is set forth in writing and signed by the party

to be charged. No waiver by any party hereto of any breach by another party hereto of any condition or provision of this Agreement to be performed by such other party shall be deemed a waiver of a similar or dissimilar condition or provision at the same time, any prior time or any subsequent time.

11. NOTICES. Any notice to be given hereunder shall be in writing and shall be deemed given when delivered personally, sent by courier or telecopy or registered or certified mail, postage prepaid, return receipt requested, addressed to the party concerned at the address indicated below or to such other address as such party may subsequently give notice of hereunder in writing:

Any notice delivered personally or by courier under this Section 12 shall be deemed given on the date delivered and any notice sent by telecopy or registered or certified mail, postage prepaid, return receipt requested, shall be deemed given on the date telecopied or mailed.

12. SEVERABILITY. If any provision of this Agreement or the application of any such provision to any party or circumstances shall be determined by any court of competent jurisdiction to be invalid and unenforceable to any extent, the remainder of this Agreement or the application of such provision to such person or circumstances, other than those to which it is so determined to be invalid and unenforceable, shall not be affected thereby, and each provision hereof shall be validated and shall be enforced to the fullest extent permitted by law.

13. SUCCESSORS. This Agreement shall inure to the benefit of and be binding upon each successor of the Company, and upon the Executive's beneficiaries, legal representatives or estate, as the case may be.

14. SURVIVORSHIP. The respective rights and obligations of the parties hereunder shall survive any termination of this Agreement to the extent necessary to the intended preservation of such rights and obligations.

15. GOVERNING LAW. THIS AGREEMENT WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO ITS CONFLICT OF LAW PRINCIPLES.

16. HEADINGS. All descriptive headings of sections and paragraphs in this Agreement are intended for convenience of reference only, and they form no part of this Agreement and shall not affect its interpretation.

4

17. COUNTERPARTS. This Agreement may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date first above written.

Section 3: EX-10.59 (EXHIBIT 10.59)

FIRST AMENDED AND RESTATED PROMISSORY NOTE

U.S. \$8,600,000

DECEMBER 17, 2001
PARAMUS, NEW JERSEY

WHEREAS, Vornado Realty Trust (the "Company") is the holder of certain promissory notes, dated March 2, 1998, April 30, 1998, December 31, 1998 and October 25, 2000 (the "Existing Notes"), made by Michael D. Fascitelli (the "Executive");

WHEREAS, the aggregate outstanding principal balance of the Existing Notes is \$8,600,000;

WHEREAS, the Company and Executive desire to amend and restate the terms and conditions of the Existing Notes in their entirety, all in the manner hereinafter set forth, and to replace the Existing Notes with this Note;

NOW THEREFORE, by Executive's execution and delivery, and the Company's acceptance of delivery from Executive, of this Note, this Note is deemed to amend and restate the Existing Notes in their entirety and the Existing Notes are hereby amended and restated in their entirety so that the terms, covenants, agreements, rights, obligations and conditions contained in this Note shall supersede and control the terms, covenants, agreements, rights, obligations and conditions of the Existing Notes, as follows:

1. PROMISE TO PAY, INTEREST, MATURITY, PAYMENTS

FOR VALUE RECEIVED, Executive, an individual residing at 25 East End Avenue, New York, New York 10028, hereby promises to pay to the Company, a Maryland real estate investment trust, or its order, at its offices located at 210 Route 4 East, Paramus, New Jersey 07652, the principal amount of EIGHT MILLION SIX HUNDRED THOUSAND DOLLARS (\$8,600,000.00). Interest shall accrue on this Note at the rate of 3.97% per annum from and after the date set forth above and accrued and unpaid interest shall be due and payable quarterly in arrears on the tenth day following the payment of the Company's regular quarterly dividend to its stockholders (or if no such dividend is paid, at the end of the then current calendar quarter), until the outstanding principal amount of this Note and all accrued interest hereon shall have been paid in full.

Interest due on this Note shall be calculated on the basis of a 365-day year for the actual number of days elapsed during the applicable period. Any payment required to be made hereunder on a day which is not a business day shall be due and owing on the first business day thereafter. The principal amount hereof and all accrued and unpaid interest hereon shall be due and payable on the Maturity Date (as defined below). For purposes of this Note, the term "Maturity Date" shall mean the earliest of (i) the Date of Termination (as defined in that certain Employment Agreement, dated as of December 2, 1996, by and between Executive and the Company, as may be amended from time to time (the "Employment Agreement")), (ii) December 31, 2006 or (iii) the date of the final payment to Executive under the Convertible Units Agreement (as defined in the Employment Agreement). Notwithstanding the foregoing,

under no circumstances shall the Aggregate Principal Amount (as defined below) exceed an amount equal to one-half (1/2) of the sum of (x) product of (1) the number of outstanding Convertible Units (as defined in the Employment Agreement) and (2) the fair market value (as defined below) of one share of the common shares of beneficial interest of the Company, par value \$.04 per share (the "Company Stock"), (y) the fair market value of 626,566 shares of Company Stock and (z) the total "spread" on all of Executive's outstanding stock options to purchase Company Stock (i.e. the positive difference between the aggregate fair market value of the Company Stock underlying all of the Executive's outstanding stock options to purchase Company Stock and the aggregate exercise price of such options); in the event such Aggregate Principal Amount does exceed such amount for 5 consecutive trading days, the excess shall be due and payable on 5 days' prior written notice to Executive by the Company. For purposes of this Note, (1) the term "Aggregate Principal Amount" shall mean, for any date, the aggregate principal amount outstanding hereunder on such date together with the principal amount outstanding on such date under each other note made hereafter by Executive in favor of the Company and (2) the term "fair market value" on any given date shall mean the average of the high and low trading prices of the Company Stock on such date, as reported on the New York Stock Exchange composite tape for such date. Executive shall have the right to prepay all or any portion of the amounts evidenced by this Note at any time without premium or penalty; PROVIDED, HOWEVER, such prepayment shall include all interest accrued and unpaid hereunder as of the date of such prepayment.

2. EVENT OF DEFAULT

Failure by Executive to pay any sum due hereunder when due and payable which has not been cured by Executive within 30 days following actual receipt of written notice given by the Company shall constitute an event of default under this Note and the Company may, at its sole option exercised by notice to Executive, declare the entire outstanding principal balance hereof, together with all unpaid interest accrued hereon, to be immediately due and payable in full. Upon the occurrence of an event of default hereunder, the Company may exercise all rights and remedies available to it hereunder or otherwise.

3. PREPAYMENT

Executive shall have the right to prepay all or any portion of the amounts evidenced by this Note at any time without premium or penalty; PROVIDED, HOWEVER, such prepayment shall include all interest accrued and unpaid hereunder as of the date of such prepayment.

4. ENFORCEMENT EXPENSES

If this Note is collected by legal proceedings (including proceedings in the probate or bankruptcy courts) then all costs and expenses of collection or enforcement shall be added to the principal of, and be collectible as part of, this Note.

2

5. SEPARABILITY

In case any one or more of the provisions of this Note shall be invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein shall not in any way be affected or impaired thereby.

6. GOVERNING LAW

THIS NOTE IS MADE UNDER AND IS TO BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE INTERNAL LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO ITS CHOICE-OF-LAW RULES.

7. HEADINGS

The Section headings in this Note are included herein for convenience of reference only and shall not constitute a part of this Note for any other purpose.

IN WITNESS WHEREOF, executive has caused this instrument to be duly executed as of the date and year first above written.

Section 4: EX-10.60 (EXHIBIT 10.60)

EXHIBIT 10.60

PROMISSORY NOTE

\$2,000,000.00

July 23, 2002
Paramus, New Jersey

FOR VALUE RECEIVED, JOSEPH MACNOW (the "EXECUTIVE") promises to pay to the order of VORNADO REALTY TRUST (the "COMPANY"), at its office located at 210 Route 4 East, Paramus, New Jersey 07652, or such other place as designated in writing by the holder hereof, the aggregate principal sum of TWO MILLION and 00/100 DOLLARS (\$2,000,000.00) on June 30, 2007 ("MATURITY"), with interest on the unpaid principal amount hereof from the date hereof until Maturity, payable quarterly in arrears on the tenth (10th) day following payment of the Company's

regular quarterly dividend (or if no dividend is paid, at the end of the applicable calendar quarter), at a rate per annum equal to 4.65%. If the interest required to be paid under the terms of this Note shall at any time exceed the rate of interest which the Company is permitted by law to charge in the State of New Jersey, then the interest rate to be paid hereunder shall be the maximum rate permitted by law.

1. DEFINITIONS

Capitalized terms used but not defined in this Note shall have the respective meanings assigned to such terms in the Letter Agreement and the Loan Documents, as such terms are defined below.

2. PREPAYMENT

This Note may be prepaid in whole or in part at any time without penalty or premium.

3. COLLATERAL

This Note is secured by a letter agreement dated July 23, 2002 (the "LETTER AGREEMENT"), any Additional Collateral (as defined in the Letter Agreement) pledged by Executive and such other security or supporting documents as are executed in conjunction with the Letter Agreement (the "LOAN DOCUMENTS"). The Company or any subsequent holder of this Note is entitled to all the benefits provided for in the Loan Documents or referred to therein.

4. ENFORCEMENT EXPENSES

In the event Executive fails to pay any amounts due hereunder when due, and this Note is collected by legal proceedings (including proceedings in the probate or bankruptcy courts) Executive shall pay to the holder thereof, in addition to such amounts due, all costs of collection or enforcement, including reasonable attorneys fees and court costs which shall be added to the principal of, and be collectible as part of, this Note.

5. WAIVER OF PRESENTMENT, OFFSET, COUNTERCLAIMS, DEFENSES

Executive, on behalf of himself and his successors and assigns, hereby waives diligence, presentment, protest and demand and notice of protest, demand, dishonor and nonpayment of this Note, and expressly agrees that this Note, or any payment hereunder, may be extended from time to time and that the holder hereof may accept security for this Note or release security for this Note, all without in any way affecting the liability of Executive hereunder. In addition, Executive, on behalf of himself and his successors and assigns, hereby expressly acknowledges and agrees that he and they shall be unconditionally liable for the repayment of all amounts due hereunder and, without limiting the foregoing, Executive, on behalf of himself and his successors and assigns, hereby forever expressly waives any claim or right of offset and any similar claim or right, whether now existing or later acquired and whether granted by contract or by law, against any amounts otherwise due him or them.

6. EVENT OF DEFAULT

Failure by Executive to pay any sum due hereunder when due and payable which has not been cured by Executive within thirty (30) days following actual receipt of written notice given by the Company, or the occurrence of an event of default under any of the Loan Documents, shall constitute an event of default under this Note and the Company may, at its sole option exercised by notice to Executive, declare the entire outstanding principal balance hereof, together with all unpaid interest accrued hereon, to be immediately due and payable in full. Upon the occurrence of an event of default, the Company may exercise all rights and remedies available to it in law or in equity.

7. HEADINGS

The Section headings in this Note are included herein for convenience of reference only and shall not constitute a part of this Note for any other purpose.

8. ENTIRE AGREEMENT

This Note, the Letter Agreement and the other Loan Documents constitute the entire agreement between the Company and Executive with respect to the subject matter hereof and all understandings, oral representations and agreements heretofore or simultaneously had among the parties with respect to the transaction governed by the Loan Documents are merged in, and are contained in, such documents and instruments.

9. GOVERNING LAW AND CONSENT TO JURISDICTION

THIS NOTE AND THE OBLIGATIONS ARISING HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW JERSEY, WITHOUT REGARD TO THAT STATE'S RULES GOVERNING CONFLICTS OF LAWS. THE PARTIES HERETO

HEREBY SUBMIT TO JURISDICTION AND TO LAYING VENUE IN THE COUNTY OF BERGEN, STATE OF NEW JERSEY.

10. WAIVER OF JURY TRIAL

The parties hereby agree not to elect a trial by jury of any issue triable of right by jury, and waive any right to trial by jury fully to the extent that any such right shall now or hereinafter exist with regard to this Note, or any claim, counterclaim or other action arising in connection herewith or therewith. This waiver of right of trial by jury is given knowingly and voluntarily by each of the Company and Executive, and is intended to encompass individually each instance and issue as to which the right to a trial by jury would otherwise accrue. Each party is hereby authorized to file a copy of this paragraph in any proceeding as conclusive evidence of this waiver by the other party.

11. SEPARABILITY

In any case any provision herein shall be deemed to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

AMENDMENT TO
EMPLOYMENT AGREEMENT

AMENDMENT, dated as of February 13, 2003, by and between Vornado Realty Trust, a Maryland real estate investment trust (the "Company") and Melvyn H. Blum (the "Executive").

WHEREAS, the Executive and the Company entered into an employment agreement as of January 24, 2000 (the "Employment Agreement");

WHEREAS, Section 14 of the Employment Agreement provides that the Company and the Executive may amend the Employment Agreement at any time;

WHEREAS, the Company and the Executive deem it necessary to amend the Employment Agreement;

NOW, THEREFORE, the parties agree that the Employment Agreement is amended as follows, effective as of January 1, 2003:

1. Section 5(a) is amended by deleting the last sentence thereof and substituting the following:

Employee will be eligible for grants of share options and restricted stock on the same basis as other executive officers of Employer of comparable seniority. For the avoidance of doubt, the Executive hereby waives any rights to grants of share options from Employer in fiscal years of the Employer ending prior to January 1, 2003. The foregoing shall have no effect on share options previously granted to the Executive by the Employer in fiscal years ending prior to January 1, 2003.

2. Clause (a) of the first sentence of Section 8 is amended in its entirety as follows:

(a) during the Period of Employment and the twelve (12) month period following his termination of employment for any reason other than pursuant to Section 7(c) hereof, Employee will not engage in any business otherwise competitive with that of Employer or any of its subsidiaries in the States of New Jersey, New York, Pennsylvania, Maryland, Massachusetts and Connecticut; provided that during the twelve (12) month period following a termination of employment which occurs after the expiration of the Period of Employment as a result of any nonextension of the Period of Employment, the prohibition contained in this clause (a) shall be limited to the Employee's engaging in any way, directly or

indirectly, in the financing, acquisition, construction, reconstruction, development, redevelopment or renovation of any commercial office real estate property located within a five block radius from the intersection of Fifty-ninth Street and Lexington Avenue in the borough of Manhattan in New York City, or any improvements thereon on behalf of any public or non-public company; and

3. The first sentence of Section 7(g)(ii) is amended in its entirety as follows:

In the event of a termination of the Period of Employment and Employee's employment pursuant to Section 7(a) or 7(d) hereof, Employee shall be fully vested in all share options and restricted stock granted to the Employee by the Employer.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the first date above written.

Section 6: EX-10.62 (EXHIBIT 10.62)

EXHIBIT 10.62

AMENDMENT NO. 1 TO DEFERRED STOCK AGREEMENT

AMENDMENT NO. 1, dated as of February 13, 2003, by and between Vornado Realty Trust, a Maryland real estate investment trust (the "Company") and Melvyn H. Blum (the "Executive").

WHEREAS, the Executive and the Company entered into a deferred stock agreement, dated as of December 29, 2000 (the "Deferred Stock Agreement") wherein the parties set forth the terms under which the Company promised to pay the Executive common shares of the Company on certain dates as set forth therein;

WHEREAS, the Executive subsequently deferred his right to receive the payment originally due on January 22, 2003 under Section 3 of the Deferred Stock Agreement;

WHEREAS, Section 10 of the Deferred Stock Agreement provides that the Company and the Executive may amend the Deferred Stock Agreement at any time;

WHEREAS, the Company and the Executive deem it necessary to amend the Deferred Stock Agreement;

NOW, THEREFORE, the parties agree that the Deferred Stock Agreement is amended in the following respects, effective as of January 22, 2003:

1. The second sentence of Section 2 is hereby deleted and replaced in its entirety with the following:

One fifth of the Stock Units will vest on each of the following dates: January 22, 2001, January 22, 2002, January 22, 2003, January 2, 2004 (or, if such date is not a business day, on the next occurring business day) and January 2, 2005 (or, if such date is not a business day, on the next occurring business day).

2. Section 3 is hereby deleted and replaced in its entirety with the following:

PAYMENT OF THE ACCOUNT. As of February 13, 2003, the Company shall pay to the Executive, within two (2) business days, that amount in cash equal to the number of shares of Stock equal to the number of vested Stock Units then credited to the Executive's Account multiplied by the average of the high and low prices of a share of Stock as reported on the New York Stock Exchange consolidated broad tape on February 12, 2003 (\$33.98). Except as otherwise provided in this Agreement, on each of January 2, 2004 (or, if such date is not a business day, on the next occurring business

day) and January 2, 2005 (or, if such date is not a business day, on the next occurring business day) (each, a "Payment Date"), the Company shall pay to Executive that number of shares of Stock which is equal to the number of vested Stock Units then credited to his Account. Notwithstanding the foregoing, upon the Executive's termination of employment by the Company for Cause (as defined in the Employment Agreement) prior to January 2, 2005 (or, if such date is not a business day, prior to the next occurring business day), the Company shall pay to the Executive that number of shares of Stock which is equal to the number of vested Stock Units credited to his Account, in a lump sum within 10 business days following such termination.

3. Section 4 of the Deferred Stock Agreement is hereby deleted and replaced in its entirety with the following:

FORM OF PAYMENT. Payments pursuant to the second sentence of Section 3 shall be made by the Company in a lump sum to the Executive as soon as practicable after the Payment Date, but in no case more than 10 business days after the Payment Date. The Executive may elect to change the form of payment (to a lump sum or up to 10 equal annual installments), PROVIDED THAT any such election is made prior to the beginning of the year before the year in which the Payment Date then in effect would occur.

The Company agrees it will register under the Securities Act of 1933 those shares of Stock defined in Annex A hereto as Vornado Registrable Securities on those terms and conditions set forth in Annex A hereto.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the first date above written.

Annex A

1. REGISTRATION FOR VORNADO REGISTRABLE SECURITIES UNDERLYING DEFERRED UNITS. The Company agrees to file a registration statement on either Form S-3 or Form S-8 providing for the registration of, and the sale on a continuous or delayed basis by the Executive in accordance with the methods of distribution specified by and consistent with the terms and provisions hereof, of Vornado Registrable Securities pursuant to Rule 415 under the Securities Act of 1933, as amended (the "Securities Act"), and/or any similar rule that may be adopted by the Securities and Exchange Commission (the "Commission"), and, if applicable, to use its commercially reasonable efforts to cause such registration statement to be declared effective by the Commission under the Securities Act not later than January 2, 2004, or if not a business day, the first business day thereafter.
2. REGISTRATION PROCEDURES. In connection with the registration statement contemplated hereby, the following provisions shall apply:
 - (a) The Company shall furnish to the Executive, prior to the filing thereof with the Commission, a copy of such registration statement, and each amendment thereto and each amendment or supplement, if any, to the prospectus related thereto.
 - (b) The Company shall take such action as may be necessary so that (i) such registration statement and any amendment thereto and any related prospectus (and any amendment or supplement to such prospectus) (and each report or other document incorporated therein by reference in each case) complies in all material respects with the Securities Act and the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and the respective rules and regulations thereunder, (ii) such registration statement and any amendment thereto do not, when it becomes effective, contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading and (iii) such prospectus forming part of the registration statement contemplated hereby, and any amendment or supplement to such prospectus, does not include an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements, in the light of the circumstances under which they were made, not misleading.
 - (c) The Company shall advise the Executive:
 - (i) when such registration statement and any amendment thereto has been filed with the Commission and when such registration statement or any post-effective amendment thereto has become effective;
 - (ii) of any request by the Commission for amendments or supplements to such registration statement or the prospectus related thereto or for additional information;
 - (iii) of the issuance by the Commission of any stop order suspending effectiveness of such registration statement or the initiation of any proceedings for that purpose; and
 - (iv) of the receipt by the Company of any notification with respect to the suspension of the qualification of the securities included in such registration statement for sale in any jurisdiction or the initiation of any proceeding for such purpose.
 - (d) The Company shall use its commercially reasonable efforts to prevent the issuance, and if issued to obtain the withdrawal, of any order suspending the effectiveness of such registration statement at the earliest possible time.
 - (e) The Company shall furnish to the Executive, without charge, as many copies of the prospectus related to such registration statement and any amendment or supplement thereto as the Executive may reasonably request; and the Company consents to the use of the prospectus and any amendment or supplement thereto by the Executive in connection with the offering and sale of the Vornado Registrable Securities covered by the prospectus and any amendment or supplement thereto until the earlier of such time that (1) such prospectus and any amendment or supplement thereto does not meet the requirements set forth in Section 2(b)(iii) above and (2) the Vornado Securities so covered cease to be Vornado Registrable Securities.
 - (f) The Executive shall notify the Company in writing of his intention to sell securities registered pursuant to any registration statement filed pursuant to Paragraph 1 above not less than 10 business days prior to the proposed Trade Date of any such sale. "Trade Date" shall mean the date the Executive enters into any underwriting, agency or other purchase agreement or understanding for the sale of, or otherwise agrees to sell, securities registered pursuant to such registration statement. No such notification shall obligate the Executive to consummate any such sale.
 - (g) The Company shall use its commercially reasonable efforts to take all other steps necessary to effect the registration of the Vornado Registrable

Securities covered by such registration statement contemplated hereby.

3. EXPENSES. The Company agrees to pay all Vornado Registration Expenses in connection with any registration pursuant to Paragraph 1 above.

4. INDEMNIFICATION.

(a) Upon the registration of the Vornado Registrable Securities pursuant to the registration statement filed as contemplated by Paragraph 1 hereof, the Company shall, and it hereby agrees to, indemnify and hold harmless the Executive against any losses, claims, damages or liabilities to which the Executive may become subject under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions (pending or threatened) in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in such registration statement under which such Vornado Registrable Securities were registered under the Securities Act, or any prospectus related thereto or furnished by the Company to the Executive, or any amendment or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and the Company shall, and it hereby agrees to, reimburse the Executive for any legal or other expenses reasonably incurred by him in connection with investigating or defending any such action or claim; PROVIDED, HOWEVER, that the Company shall not be liable to the Executive in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in such registration statement or prospectus, or amendment or supplement, in reliance upon and in conformity with any written information (including without limitation, any questionnaire) furnished to the Company by the Executive expressly for use therein.

(b) The Company may require, as a condition to filing the registration statement contemplated by Paragraph 1 hereof, that the Company shall have received an undertaking reasonably satisfactory to it from the Executive to (i) indemnify and hold harmless the Company, its directors, officers who sign such registration statement, each person, if any, who controls the Company within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act, and any other holder of Stock that is included in such registration statement against any losses, claims, damages or liabilities to which the Company or such other persons may become subject, under the Securities Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in such registration statement, or any prospectus related thereto or furnished by the Company to any such holder or underwriter, or any amendment or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with written information furnished in writing to the Company by the Executive expressly for use therein (including, without limitation, any questionnaire), and (ii) reimburse

the Company for any legal or other expenses reasonably incurred by the Company in connection with investigating or defending any such action or claim;

(c) Promptly after receipt by an indemnified party under Paragraph 4(a) or (b) above of written notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against an indemnifying party pursuant to the indemnification provisions of or contemplated by this Paragraph 4, notify such indemnifying party in writing of the commencement of such action; but the omission to so notify the indemnifying party shall not relieve such indemnifying party from any liability which it may have to any indemnified party other than under the indemnification provisions of or contemplated by Paragraph 4(a) or (b) above, and then only to the extent that the indemnifying party is actually prejudiced thereby. In case any such action shall be brought against any indemnified party and it shall notify an indemnifying party of the commencement thereof, such indemnifying party shall be entitled to participate therein and (unless the indemnified party reasonably concludes that such representation would involve a conflict of interest), to the extent that it shall wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and, after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, such indemnifying party shall not be liable to such indemnified party for any legal expenses of other counsel or any other expenses, in each case subsequently incurred by such indemnified party, in connection with the defense thereof other than

reasonable costs of investigation. No indemnifying party shall, without the written consent of the indemnified party, effect the settlement or compromise of, or consent to the entry of any judgment with respect to, any pending or threatened action or claim in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified party is an actual or potential party to such action or claim) unless such settlement, compromise or judgment (i) includes an unconditional release of the indemnified party from all liability arising out of such action or claim and (ii) does not include a statement as to, or an admission of, fault, culpability or a failure to act, by or on behalf of any indemnified party. An indemnifying party will not be liable for any settlement of any action or claim effected without its written consent.

5. DEFINITIONS.

(a) "Vornado Registrable Securities" shall mean the 59,259 shares of Stock, and any securities into which such shares of Stock are exchanged or reclassified, to be paid to the Executive in respect of Stock Units pursuant to this agreement, as amended by Amendment No. 1; PROVIDED THAT such shares of Stock shall cease to be Vornado Registrable Securities when such shares of Stock (i) have been sold or otherwise transferred by the Executive, whether pursuant to an effective

registration statement or otherwise, (ii) cease to become payable due to the forfeiture of Stock Units as a result of the Executive's termination of employment or (iii) have become eligible for sale pursuant to Rule 144(k) (or any similar provision then in force) under the Securities Act.

(b) "Vornado Registration Expenses" means all expenses incident to the Company's performance of or compliance with its obligations hereunder, including without limitation, (i) all Commission registration and filing fees and expenses, (ii) internal expenses (including, without limitation, all salaries and expenses of the Company officers and employees performing legal or accounting duties) and (iii) fees, disbursements and expenses of counsel of the Company and the reasonable fees, disbursement and expenses of counsel of the Executive. Notwithstanding the foregoing, the Executive shall pay all agency fees and commissions and underwriting discounts and commissions, if any, attributable to the sale of such Vornado Registered Securities and the fees and disbursements of any counsel or other advisors or experts retained by the Executive not otherwise paid by the Company pursuant to Paragraph (b)(iii) hereof.

6. SUSPENSION. Notwithstanding anything contained herein, the Company may delay the filing of any such registration statement or amendment or supplement thereto if the Company in good faith has a valid business reason for such delay, including without limitation, (i) that the filing of such registration statement or amendment or supplement thereto would require the Company to include therein material information that has not theretofore been made public and which the Company is not then prepared to disclose or (ii) that the offering and sale of Vornado Registrable Securities by the Executive at such time will adversely affect any offering by the Company of its securities then contemplated or pending.
